8. Applications for parking bay licence

(1) The owner of land or a building in the Perth parking management area may apply to the CEO for a parking bay licence.

(2) An application must —
(a) be in a form approved by the CEO; and

(c) be accompanied by the prescribed application fee (if any).

9. Issue of parking bay licences

(1) The CEO may issue a licence to an applicant to permit one or more vehicles to be parked on the land or in or on the building specified in the application if parking vehicles in accordance with the proposed licence would be consistent with the Perth Parking Policy.

(2) If the CEO believes, after taking into account the matters referred to in subsection (5), that issuing a parking bay licence is reasonable in all the circumstances, even though such a licence would not be consistent with Perth Parking Policy, the CEO may recommend to the Minister the approval of the licence.

(3) On receipt of a recommendation by the CEO under subsection (2), the Minister may approve a parking bay licence in accordance with the terms of that recommendation and the CEO must give effect to that approval.

(4) If the applicant is required to obtain any approvals under the Planning and Development Act 2005 in relation to parking, or making parking facilities available, on the land or in or on the building, the CEO must not issue the licence unless the applicant has each required approval.
(5) The following matters are to be taken into account for the purposes of subsection (2) —

[Section 9 amended: No. 38 of 2005 s. 15; No. 42 of 2011 s. 101.]

10. Conditions on parking bay licences

(1) When issuing or varying a parking bay licence, the CEO may impose on the licence any conditions necessary to ensure that the likely effect on the Perth parking management area of parking vehicles in accordance with the licence is or will be, as far as practicable, consistent with the Perth Parking Policy.

(2) Without limiting subsection (1), the conditions may include conditions relating to any or all of the following —

(a) the number of parking bays to be made available on the land or in or on the building;
Perth Parking Management Act 1999
Parking bay licences  Part 2

s. 11

(b) the kinds of vehicles that may be parked in the parking bays;
(c) the times during which, and the periods for which, vehicles may be parked in the parking bays;
(d) the purpose for which vehicles may be parked in the parking bays.

(3) The conditions must be set out in the licence.

11. Parking bay licence fees

(1) The CEO must not issue, renew, vary or transfer a parking bay licence unless the prescribed licence fee (if any), or an instalment of it, as the case requires, has been paid.

(2) The CEO may permit the licence fee to be paid in instalments.

(3) The regulations may prescribe different licence fees for different classes of licence, and may provide that a licence fee is not payable for a licence in a prescribed class.

(4) Without limiting subregulation (3), the regulations may provide for licence fees to be calculated by reference to any or all of the following —
   (a) the number of parking bays authorised by the licence;
   (b) the kinds of vehicles permitted to be parked in the parking bays;
   (c) the periods for which vehicles may be parked in the parking bays;
   (d) the times at which vehicles may be parked in the parking bays.

(5) This subsection imposes the prescribed licence fees except to the extent that the fees are taxes imposed by the Perth Parking Management (Taxing) Act 1999.
12. **Duration of parking bay licences**

Unless sooner cancelled under section 13(2) or 14(7), a parking bay licence remains in force —

(a) if an expiry date is set out in the licence — up to and including the expiry date; or

(b) if no expiry date is set out in the licence — until 30 June in the financial year during which the licence is in force.

13. **Suspension or cancellation of parking bay licences**

(1) The CEO may suspend or cancel a parking bay licence if there are reasonable grounds for believing that —

(a) information given by the licensee in, or in connection with, the application for the licence, or an application for the variation, renewal or transfer of the licence, is false or misleading in a material particular; or

(b) the licensee has contravened or is contravening a condition of the licence.

(2) The CEO may suspend or cancel a parking bay licence if the licence fee, or an instalment of the licence fee, as the case requires, is not paid on or before the due date.

14. **Change of ownership of licensed land or building**

(b) surrender the licence to the CEO.
(3) An application for the transfer of the licence must —
   (a) be in a form approved by the CEO; and
   (b) be accompanied by any prescribed documents or prescribed information.

(4) On receiving an application, the CEO must transfer the licence unless grounds for suspending or cancelling it under section 13 exist or would exist if it were transferred.

(5) During the 28 day period after the change of ownership occurs, the new owner may permit vehicles to be parked in accordance with the licence, and this Act applies to the new owner during the period as if the new owner were the licensee.

(6) If the new owner applies for the transfer of the licence within the 28 day period, the new owner may continue to permit vehicles to be parked in accordance with the licence after the end of the period, and this Act applies to the new owner as if the new owner were the licensee, until —
   (a) the CEO transfers the licence to the new owner; or
   (b) if the CEO decides not to transfer the licence — notice of the decision is served on the new owner.

(7) If the CEO decides not to transfer the licence, it is taken to have been cancelled when notice of the decision is served on the new owner with a statement of the reasons for the decision.

15. **Variation of parking bay licences**

   (1) A licensee may apply to the CEO for the parking bay licence to be varied.

   (2) The application must —
       (a) be in a form approved by the CEO; and
       (b) be accompanied by any prescribed documents or prescribed information.

   (3) The CEO may vary the licence if he or she would be able to issue a licence under section 9 in the same terms as the proposed varied licence.
16. **Renewal of parking bay licences**

(1) A licensee may apply to the CEO for the renewal of the parking bay licence.

(2) The application must —

   (b) be accompanied by any prescribed documents or prescribed information; and
   
   (c) be accompanied by the prescribed application fee (if any).

(3) The CEO must renew the licence unless grounds for suspending or cancelling it under section 13 exist, or would exist if it were renewed.

17. **Review of CEO’s decisions**

(1) An applicant for a parking bay licence, or for the variation, renewal or transfer of a parking bay licence, may apply to the State Administrative Tribunal for a review of a decision of the CEO —

   (a) not to issue, vary, renew or transfer the licence; or
   
   (b) to impose a condition on the licence.

(2) A licensee may apply to the State Administrative Tribunal for a review of a decision of the CEO to suspend or cancel the licence.

[Section 17 amended: No. 55 of 2004 s. 910.]

18. Offences

(1) A licensee must comply with the parking bay licence.
Penalty: $5 000.

(2) A licensee must not advertise or otherwise indicate that parking for a vehicle is available on the land or in or on the building for which the parking bay licence is in force unless the licence permits a vehicle to be parked there as advertised or otherwise indicated.
Penalty: $5 000.

(3) An owner of land or a building in the Perth parking management area who does not hold a parking bay licence for the land or building must not advertise or otherwise indicate that parking for a vehicle is available on the land or in or on the building.

(a) be in the prescribed form; and
(b) contain a description of the alleged offence; and
(c) advise that if the alleged offender does not wish to be prosecuted for the alleged offence in a court, the amount of money specified in the notice as being the modified
penalty for the offence may be paid to the CEO within 28 days after the date of the notice; and

(d) inform the alleged offender how and where the money may be paid.

(3) The amount to be specified as being the modified penalty for the alleged offence is the amount that was the prescribed modified penalty at the time the alleged offence is believed to have been committed.

(4) The CEO may, in a particular case, extend the period of 28 days within which the modified penalty may be paid, and the extension may be allowed whether or not the period of 28 days has elapsed.

(5) If the modified penalty specified in an infringement notice is paid within 28 days or any further time allowed and the notice has not been withdrawn, the bringing of proceedings and the imposition of penalties are prevented to the same extent as they would be if the alleged offender had been convicted by a court of, and punished for, the alleged offence.

(6) The CEO may withdraw an infringement notice by giving the alleged offender, within 28 days after the date of the infringement notice, a notice in the prescribed form stating that the infringement notice has been withdrawn.

(7) An infringement notice may be withdrawn whether or not the modified penalty specified in the notice has been paid.

(8) If an infringement notice is withdrawn after the modified penalty has been paid, the amount is to be refunded.

(9) The payment of an amount as a modified penalty is not to be regarded as an admission for the purposes of any proceedings, whether civil or criminal.
