## **Legal Profession (Magistrates Court) (Civil) Determination 2020**

### **1. Citation**

This Determination may be cited as the *Legal Profession (Magistrates Court) (Civil) Determination 2020*.

### **2. Commencement**

This Determination comes into operation on 1 July 2020.

### **3. Application**

- (a) This Determination applies to the remuneration of legal practitioners, clerks and paralegals in respect of advice given by legal practitioners in or for the purposes of civil proceedings before the Magistrates Court.
- (b) This Determination does not apply to the remuneration of legal practitioners based on costs incurred in respect of business carried out before the commencement of this Determination.

### **4. No minimum charge**

In no respect is this Determination to be seen as providing a minimum charge for any work other than the items referred to in clause 5. For example, item 2(c) provides for \$3,344 for the work involved. The figure of \$3,344 is a maximum, but on taxation less than \$3,344 might be allowed. Where there is a set cost or time or level of fee earner indicated, the purpose is to indicate to the Assessing Officer what reasonably may be expected in most cases.

**5. Fixed items**

Some items in this Determination have been fixed without any indication of how these items have been calculated. These items are 1, 2(a), 4(a), 11, 12(c), 17(a)(2), 17(b), 18(a), 20 and 21(a). These have been fixed because, based on past practices, the Court staff require a fixed figure when completing the form of Entry of Judgment by Default and the like.

**6. Time estimates**

The reason for stating the number of hours estimated to be necessary to perform each of the items of work described in this Determination is to provide guidance to the Court when dealing with the question of costs so that the Court has some idea how much time is reasonably necessary to perform work in most cases. For example, in item 15(a), which relates to preparation for trial or getting up a case for trial, the time indicated is that which can be expected in most cases. Some items reflect a number of hours that have been estimated so as to include work done with respect to the process of obtaining and considering evidence, interrogatories, documents, disclosures and the like, for example items 2(b), 4(b), 5, 10 and 19. The hours referred to in this Determination will guide the Assessing Officer about the amount which should be allowed in a particular case.

**7. Counsel**

- (a) In items 13 and 15, if independent counsel is not retained for the trial, this will be a factor to be considered by the Assessing Officer who might not then permit the full amount in the determination for fee on brief under item 15(a), as well as a full getting up allowance under item 13. This is in line with the decisions of *Commonwealth v Magriplis* (1962) 3 FLR 47 and *Washbourne v SEC* (1992) 8 WAR 188.
- (b) All appearances allowed for in items 10, 15 and 22 of Table B are intended to be charged at the applicable counsel rate, and not at any higher rate that may be applicable to the actual

practitioner by reason of the person undertaking the appearance otherwise being entitled to charge as a Senior Practitioner.

- (c) Fees charged by practitioners who practise solely as barristers in accordance with Supreme Court Practice Direction 10.5 are only to be charged at the rates provided for counsel of their seniority in Table A and are not to be charged at rates applicable to a Senior Practitioner.
- (d) The increase in Counsel rates, and no increase in Senior Counsel or Senior Practitioner rates in Table A is designed to narrow the gap between those levels of seniority of legal practitioner and more accurately reflect the market for legal services.
- (e) Recovery of daily fees for counsel on the taxation or assessment of a Bill of Costs is intended to apply only when a full day has been worked, either in Court or in Court and in preparation for a subsequent hearing day.

*[Clause 7 correction: Gazette 9 Oct 2020 p. 3675.]*

**8. Settled proceedings**

It is intended that item 13 should apply even if there is no trial. Therefore, if the case is settled before trial and the law practice can demonstrate that preparation for trial was carried out, costs may be recovered for that work and allowed on an assessment of costs.

**9. Restricted Practitioner category**

The amendments brought in by the *Legal Profession (Magistrates Court) (Civil) Determination 2016* remain in effect, other than clause 10(e) of that Determination.

**10. Maximum hourly and daily rates**

- (a) The hourly and daily rates set out in Table A are the maximum hourly and daily rates, inclusive of GST, which the Legal Costs

**cl. 10**

---

Committee determines shall be used to calculate the dollar amounts set out in Table B. Except for certain items, each item in this Determination specifies a dollar amount with reference to the fee earner.

- (b) The rates referred to in paragraph (a) were ascertained in the manner set out in clause 4 of the *Legal Profession (Magistrates Court) (Civil) Report 2020*.
- (c) The daily rates set out in Table A are intended to cover all work done on a hearing or trial day whether in or out of court including preparation of written submissions and are not intended to be supplemented in any way by additional hourly charges given that the maximum number of hours allowed for the daily rate is 10 hours per day.
- (d) The items in Table B are not intended to be calculated on the basis of a minimum 6 minute unit.

° The reference to Restricted Practitioner, Junior Practitioner or Senior Practitioner in this Determination includes all legal practitioners even if the services were rendered in another State or Territory. Where a local practitioner has held an interstate practising certificate, the length of unrestricted legal practice in that other jurisdiction is to be counted in assessing that practitioner's years of practice for the purposes of this Determination.

# The reference to Restricted Practitioner in this Determination includes practitioners undertaking restricted legal practice for the purposes of obtaining the required experience set out in section 50 of the Act and does not include a reference to an Australian legal practitioner who has a condition placed on their practising certificate by the Legal Practice Board, State Administrative Tribunal or otherwise, requiring them to practise under supervision for disciplinary, medical or other reasons.

## The reference to Clerk/Paralegal in this Determination includes a law graduate prior to their admission to practise as an Australian lawyer.

\* The reference to Counsel in this Determination means a practitioner acting as a barrister other than a Senior Counsel,

**cl. 11**

---

including for the purposes of items 10, 15 and 22, a practitioner appearing in court who does not practise in accordance with Supreme Court Practice Direction 10.5.

\*\* The reference to Senior Counsel in this Determination means a person within the meaning of item 11 or item 12 of Regulation 5(2) of the *Legal Profession Regulations 2009* (WA).

**11. Costs**

(a) Subject to the provisions of the Act permitting a law practice to make a written agreement as to costs with a client, the costs of or in relation to a party to an action or other proceeding (inclusive of GST and counsel fees, but exclusive of other disbursements)—

- (1) recoverable by one party from another party; or
- (2) payable by a party to that party's own law practice,

shall not exceed the amounts set out in Table B (except as otherwise provided in item 25 of Table B).

(b) Allowances made under item 25 of Table B are only to be awarded as between a law practice and its client, and not between party and party unless the Court otherwise orders. The item is not intended to be used to claim increased allowances for items which should properly fit into another item in the Determination, for example item 10.

(c) The Legal Costs Committee notes the impact of the decision in *Rodwell v Hutchinson* [2010] WASCA 197, and so no allowance is made in this determination for an award of indemnity costs.

(d) The Legal Costs Committee notes the comments of the court in *Defendi v Eden Hill Plasterers* [2008] WASCA 269 at [7] as to the importance of the proportionality principle in litigation in this Court, which arises in respect to all costs incurred in the Court.
