## **Legal Profession (Magistrates Court) (Criminal) Determination 2020**

### **1. Citation**

This Determination may be cited as the *Legal Profession (Magistrates Court) (Criminal) Determination 2020*.

### **2. Commencement**

This Determination comes into operation on 1 July 2020.

### **3. Application**

- (a) This Determination applies to the remuneration of legal practitioners, clerks and paralegals in respect of advice given by legal practitioners in or for the purposes of criminal proceedings in the Magistrates Court.
- (b) This Determination does not apply to the remuneration of legal practitioners based on costs incurred in respect of work carried out before the commencement of this Determination.

### **4. Travel**

- (a) For the purposes of this Determination, minor travel means incidental travel associated with attendance at court for a hearing where that travel is of a minor duration. Examples of minor travel include, but are not limited to—
  - (1) a practitioner walking from their usual place of business to a court;
  - (2) a practitioner walking from a carpark to a court;or

**cl. 4**

---

- (3) a practitioner walking or taking public transport from one centrally located court to another centrally located court.
- (b) As between a law practice and its own client, time spent travelling other than minor travel, is to be charged at no more than one half of the rates set out in Table A, with a maximum of 8 hours in any one day.
- (c) In making its decision in this Determination, the Legal Costs Committee has taken note of the Law Society of Western Australia's Standard Costs Agreement, which contains a provision that a law practice will charge travel at 50% of the agreed hourly rates.
- (d) The Legal Costs Committee has also considered an informal policy of the Legal Profession Complaints Committee that travel should not ordinarily be charged at a rate of more than 50% of a law practice's normal hourly charge-out rate.
- (e) Whilst the Legal Costs Committee recognises that during a travel period a law practice may not necessarily utilise legal skill and knowledge, there is a recognition of a loss of opportunity for the time spent travelling.
- (f) The Legal Costs Committee notes that, having regard to the above—
  - (1) it is the responsibility of a law practice to allocate the cost of time spent on travel fairly and reasonably where the travel is necessary to service more than one client on the day of travel; and
  - (2) whilst nothing contained in this Determination prevents a law practice from charging time spent on a client matter or client matters in the course of travel (air travel by way of example), the law practice is not entitled to charge a client or clients for both time spent on a client matter (regardless of whether that time relates to the

client for whom the travel is being undertaken) and the amount for travel allowed in this Determination.

**5. Restricted Practitioner category**

The amendments brought in by the *Legal Profession (Magistrates Court) (Criminal) Determination 2016* remain in effect, other than clause 5(e) of that Determination.

**6. Maximum hourly and daily rates**

- (a) The hourly rates set out in Table A below are the maximum hourly rates, inclusive of GST, which the Legal Costs Committee determines shall be used to calculate the remuneration of law practices in respect of time reasonably taken to perform services in or for the purposes of work undertaken by law practices in respect of criminal proceedings before the Magistrates Court.
- (b) The Rates referred to in paragraph (a) were ascertained in the manner set out in clause 4 of the *Legal Profession (Magistrates Court) (Criminal) Report 2020*.
- (c) The daily rates set out in Table B below are intended to cover all work done on a hearing or trial day whether in or out of court including preparation of written submissions and are not intended to be supplemented in any way by additional hourly charges given that the maximum number of hours allowed for the daily rate is 10 hours per day.
- (d) The items in Table B are not intended to be calculated on the basis of a minimum 6 minute unit.

<sup>o</sup> The reference to Restricted Practitioner, Junior Practitioner or Senior Practitioner in this Determination includes all legal practitioners even if the services were rendered in another State or Territory. Where a local practitioner has held an interstate practising certificate, the length of unrestricted legal practice in that other jurisdiction is to be counted in assessing that practitioner's years of practice for the purposes of this Determination.

- # The reference to Restricted Practitioner in this Determination includes practitioners undertaking restricted legal practice for the purposes of obtaining the required experience set out in section 50 of the Act and does not include a reference to an Australian legal practitioner who has a condition placed on their practising certificate by the Legal Practice Board, State Administrative Tribunal or otherwise, requiring them to practise under supervision for disciplinary, medical or other reasons.
- ## The reference to Clerk/Paralegal in this Determination includes a law graduate prior to their admission to practise as an Australian lawyer.

- \*\* The reference to Senior Counsel in this Determination means a person within the meaning of item 11 or item 12 of Regulation 5(2) of the *Legal Profession Regulations 2009* (WA).

## **7. Costs**

- (a) Subject to the provisions of the Act permitting a law practice to make a written agreement as to costs with a client, the costs of or in relation to a prosecution of an accused (inclusive of GST and counsel fees, but exclusive of other disbursements)—
  - (1) recoverable by one party from another party; or
  - (2) payable by a party to that party's own law practice,shall not exceed the amounts set out in Table B.
- (b) Each item of the Scale of Costs specifies a dollar amount. The purpose is to indicate the maximum amount for the work indicated in the item, but on assessment, less might be allowed. In no respect is the Scale to be seen as providing a minimum charge for any work. The reason for stating the number of hours estimated to be necessary to perform each of the items of work

**cl. 7**

described in the Scale is to provide guidance to the Assessing Officer when dealing with the question of costs so that the Assessing Officer has some idea how much time is reasonably necessary to perform the work in most cases.

- (c) Work undertaken by Senior Counsel shall be allowable in accordance with the rates in the Table A of this Determination.
