8. Freehold schemes and leasehold schemes

- (1) A strata titles scheme may be —
 - (a) a freehold scheme; or
 - (b) a leasehold scheme.

Note for this section:

All schemes created under this Act before the commencement of the *Strata Titles Amendment Act 2018* are freehold schemes.

- (2) In a ***freehold scheme*** —
 - (a) there is no separate title for the parcel subdivided by the scheme; and
 - (b) each lot is a freehold lot; and
 - (c) the parcel cannot be dealt with (including by registration of a mortgage) or disposed of under the *Transfer of Land Act 1893*.
- (3) In a ***leasehold scheme*** —
 - (a) there is a separate title for the parcel subdivided by the scheme; and

- (b) each lot in the scheme is a leasehold lot subject to a strata lease; and
- (c) the scheme expires on a specified day (the expiry day for the scheme); and
- (d) the expiry day must be a day that is —
 - (i) at least 20 years (or, if some other period is specified in the regulations, that period) after registration of the scheme; and
 - (ii) not more than 99 years after registration of the scheme;and
- (e) the expiry day will be specified in the scheme notice; and
- (f) within the parameters set out in paragraph (d)(ii), leasehold by-laws for the scheme may provide for postponement of the expiry day; and
- (g) if leasehold by-laws provide for postponement of the expiry day, the expiry day may be postponed if the postponement is within the parameters set out in paragraph (d)(ii) and is supported by a resolution under section 41; and
- (h) the expiry day is postponed when an amendment of the scheme notice is registered giving effect to the postponement; and
- (i) the registered proprietor of the parcel (the *owner of the leasehold scheme*) is entitled to the reversion in the land on the expiry or termination of the scheme; and
- (j) the existence of the leasehold scheme and its expiry day must be endorsed on the certificate of title for the parcel; and
- (k) the owner of the leasehold scheme is the lessor and the owner of a lot in the scheme is the lessee under the strata lease for the lot; and

- (l) the owner of the leasehold scheme may be the owner of a lot in the scheme despite any law relating to the merger of leasehold and reversionary estates in land; and
- (m) the owner of the leasehold scheme cannot separately deal with or dispose of the reversion in a lot or the common property of the strata titles scheme; and
- (n) the reversion in the parcel can be transferred, disposed of or mortgaged as a whole, and a memorial or property seizure sale order can be made in relation to the reversion of the parcel as a whole under the *Transfer of Land Act 1893*, but no other dealings can be registered under that Act against the reversion in the parcel.

Note for this subsection:

For the scheme notice, see section 29. For leasehold by-laws, see section 40.

9. Lots — strata schemes and survey-strata schemes

- (1) The boundaries of lots in a strata titles scheme are defined on the scheme plan for the strata titles scheme.
- (2) A lot can be comprised of non-contiguous parts defined on the scheme plan for the strata titles scheme.

Example for this subsection:

The non-contiguous parts may be to allow for a separate car parking space or shed to be part of the lot.

- (3) The way in which the boundaries of lots are defined on the scheme plan for a strata titles scheme determines whether the scheme is a *strata scheme* or a *survey-strata scheme*.
- (4) The way in which the boundaries of a lot in a strata scheme are defined on the scheme plan must be as set out in the definition

s. 10

of lot in a strata scheme in section 3(1) and in section 3(2) to (4).

Note for this subsection:

Schedule 2A provides for a special rule for how lots may be defined in a single tier strata scheme.

- (5) The way in which the boundaries of a lot in a survey-strata scheme are defined on the scheme plan must be as set out in the definition of *lot* in a survey-strata scheme in section 3(1).
- (6) A change in the definition of the boundaries of a lot does not, even if the lot is assigned a new identifying number, of itself affect —
 - (a) for a leasehold scheme — the strata lease for the lot; or
 - (b) for a leasehold or freehold scheme — any other item registered or recorded for the scheme in the Register.
- (7) Damage to, or destruction or removal of a wall, floor, ceiling or other structural element by reference to which a lot in a strata scheme is defined does not of itself affect the definition of the boundaries of the lot (which remain as defined on the scheme plan).

[Section 9 inserted: No. 30 of 2018 s. 83.]

10. Common property

- (1) The *common property* in a strata titles scheme is —
 - (a) that part of the parcel of land subdivided by the strata titles scheme that does not form part of a lot in the strata titles scheme; and
 - (b) temporary common property.
- (2) The *common property* includes, for a strata scheme, those parts of a scheme building that do not form part of a lot.

- (3) The **common property** does not include —
- (a) any land vested in the Crown under the *Planning and Development Act 2005* section 152; or
 - (b) any dedicated road under the *Planning and Development Act 2005* section 168.
- (4) If a strata plan identifies an encroachment outside the parcel that is to be controlled and managed as common property, the encroachment is to be regarded, for this Act, as if it were common property.

[Section 10 inserted: No. 30 of 2018 s. 83.]

11. Subdivision of land by strata titles scheme

- (1) Land is **subdivided** by a strata titles scheme —
- (a) by registration of the scheme; or
 - (b) by registration of an amendment of the scheme.
- (2) Registration of an amendment of a strata titles scheme gives effect to a **subdivision** if it —
- (a) effects a change to the definition of a lot in the scheme; or
 - (b) effects a change to the boundary of the parcel of land subdivided by the scheme.

Note for this section:

1. There are 4 types of amendment of a strata titles scheme that give effect to a subdivision, with varying requirements for resolutions and consents:
 - A type 1 subdivision covers adding land from outside the parcel to the common property (other than as temporary common property) and what was formerly referred to as conversion of lots into common property.
 - A type 2 subdivision covers the removal of common property from the parcel of a strata titles scheme.
 - A type 3 subdivision covers what was formerly referred to as consolidation of lots.

s. 12

- A type 4 subdivision covers what was formerly referred to as re-subdivision.
- 2. Re-subdivision of a lot or common property was defined in section 3(5) of the Act as in force immediately before the *Strata Titles Amendment Act 2018* to include the alteration of the boundaries of —
 - 1 or more lots so as to create only 2 or more different lots; or
 - 1 or more lots so as to create 1 or more different lots and common property; or
 - 1 or more lots and common property so as to create 1 or more different lots or 1 or more different lots and common property; or
 - common property so as to create 1 or more lots or 1 or more lots and common property.
- 3. Schedule 2A provides special provisions relating to subdivision in a single tier strata scheme.

[Section 11 inserted: No. 30 of 2018 s. 83.]

12. Registration of strata titles scheme

- (1) A strata titles scheme is registered when the following documents (the *scheme documents*) are registered and incorporated in the Register —
 - (a) for a freehold scheme —
 - (i) a scheme notice;
 - (ii) a scheme plan;
 - (iii) a schedule of unit entitlements;
 - (iv) scheme by-laws;
 - (b) for a leasehold scheme —
 - (i) a scheme notice (which must specify the expiry day for the scheme);
 - (ii) a scheme plan;
 - (iii) a schedule of unit entitlements;
 - (iv) scheme by-laws;
 - (v) a strata lease for each lot.

Note for this subsection:

If the scheme by-laws comprise the by-laws set out in Schedules 1 and 2 without amendment, the scheme by-laws will be taken to be registered without the need for submission of the by-laws to the Registrar of Titles.

- (2) A registered strata titles scheme is amended when amendments of the relevant scheme documents, or replacements of the relevant scheme documents, are registered or recorded and incorporated in the Register.

Note for this subsection:

The amendment may be necessary to give effect to a subdivision of land as referred to in section 11(2) or it may be unrelated to a subdivision of land, comprising, for example —

- the amendment of the scheme notice so as to amend the name or address for service of the strata company; or
- the amendment or replacement of the scheme plan for the strata titles scheme for a purpose related to an easement or restrictive covenant or a restricted use condition; or
- the amendment or replacement of the schedule of unit entitlements for the strata titles scheme because of a new valuation of lots; or
- the amendment or replacement of scheme by-laws.

- (3) If a registered leasehold scheme is amended to give effect to a subdivision involving the creation of new lots, a strata lease must be registered as a scheme document for each new lot.

[Section 12 inserted: No. 30 of 2018 s. 83.]

[Former section 12A redesignated as clause 12A and relocated to Schedule 2A Part 3: No. 30 of 2018 s. 117.]

Note for this subsection:

A separate certificate of title is not created for common property.

s. 13

- (3) For a leasehold scheme, the existence of the scheme and its expiry day must be endorsed on the certificate of title for each strata title for a lot in the scheme.
- (4) On registration of a strata titles scheme or an amendment of a strata titles scheme to give effect to a subdivision of land, strata titles come into existence, cease to exist or are varied as necessary to ensure that —
 - (a) there is 1 strata title registered for each lot in the scheme or the scheme as amended; and
 - (b) the strata title for a lot confers the rights on the owner of the lot as set out in this section.
- (5) When a new lot is created and a strata title comes into existence, it vests as follows —
 - (a) in the case of a parcel of land that is being subdivided, in the person who is, immediately before the new lot is created, the registered proprietor of the land under the *Transfer of Land Act 1893*;
 - (b) in the case of a lot that is being subdivided, in the person who is, immediately before the new lot is created, the owner of that lot;
 - (c) in the case of common property that is being subdivided, in the persons who are, immediately before the new lot is created, the owners of lots in the strata titles scheme as tenants in common in shares proportional to the unit entitlements of their respective lots.
- (6) If a lot that is created vests in 2 or more persons, they hold their share in the lot as tenants in common or as joint tenants in the same manner as they owned the land or lot and, if they owned it as tenants in common, in the same proportions as they owned the land or lot.

- (7) When a strata title for a lot in a freehold scheme comes into existence it confers on the owner of the lot —
- (a) rights as the proprietor of a fee simple estate in the lot under the *Transfer of Land Act 1893*; and
 - (b) an undivided share of the fee simple estate in the common property (other than temporary common property) as a tenant in common with the other owners of lots in the scheme, proportional to the unit entitlements of their respective lots; and
 - (c) an undivided share of the temporary common property as a tenant in common with the other owners of lots in the scheme, proportional to the unit entitlements of their respective lots.
- (8) When a strata title for a lot in a leasehold scheme comes into existence it confers on the owner of the lot, subject to Part 4 Division 5 —
- (a) rights as the proprietor of a strata leasehold estate in the lot under the *Transfer of Land Act 1893*; and
 - (b) an undivided share of the strata leasehold estate in the common property as a tenant in common with the other owners of lots in the scheme, proportional to the unit entitlements of their respective lots; and
 - (c) an undivided share of the temporary common property as a tenant in common with the other owners of lots in the scheme, proportional to the unit entitlements of their respective lots.
- (9) The owner of a lot cannot separately deal with or dispose of the owner's share in the common property of the strata titles scheme.
- (10) A dealing under the *Transfer of Land Act 1893* affecting the owner's interest in a lot affects, without express reference, the owner's interest in the common property in the same manner and to the same extent.

s. 14

- (11) A strata title is subject to interests registered or recorded under the *Transfer of Land Act 1893* to the extent that they affect the lot or common property to which the strata title relates.
- (12) The owner of a lot in a leasehold scheme cannot deal with the strata lease separately from the strata title.

- (4) The address for service of the strata company is the address for service stated in the scheme notice.

- (b) to the extent that the by-laws contemplate the creation or discharge of a particular easement or restrictive covenant on the completion of the stage of subdivision, section 35(1)(i) does not apply to that easement or restrictive covenant.

Note for this section:

Because staged subdivision by-laws cannot apply to subdivision comprised of the removal, from the parcel, of land comprised of common property or the addition, to the parcel, of land from outside the parcel, the question of an exemption can arise in the context of a type 1 subdivision comprised of the conversion of a lot to common property or a type 3 or type 4 subdivision. The question cannot arise in the context of a type 2 subdivision.

- (3) The value of a lot is —
- (a) in a strata scheme — the capital value; and
 - (b) in a survey-strata scheme — the site value.
- (4) Without limitation, the regulations may prescribe matters relating to the determination of the value of a lot.

- (5) A schedule of unit entitlements, or an amendment of a schedule of unit entitlements, for a strata titles scheme must —
 - (a) be in the approved form; and

 - (a) has been given notice in the approved form of the amendment; and

- (b) either —
- (i) has given written consent to the amendment; or
 - (ii) has not, at the end of 60 days after being given notice, made a written objection to the amendment.
- (3) The Tribunal may, on the application of an applicant for registration of an amendment of a strata titles scheme involving the amendment of the schedule of unit entitlements, order that an objection to the amendment of a person with a designated interest be disregarded on the grounds that the objection is unreasonable.
- (4) In considering whether an objection is unreasonable, the Tribunal may consider —
- (a) the merits of the proposed amendment of the strata titles scheme; and
 - (b) the grounds for the objection; and
 - (c) any other factor the Tribunal considers relevant.
- (5) The Tribunal may, on the application of a strata company or the owner or registered mortgagee of a lot in a strata titles scheme, authorise the amendment of the schedule of unit entitlements for the scheme if satisfied that, if unit entitlements were to be allocated at the time of the application, the schedule of unit entitlements would require amendment for compliance with section 37(2).
- (6) If the Tribunal makes an order under this section, the applicant for the order must lodge a copy of the order certified by the Tribunal with the Registrar of Titles for registration of the amendment of the schedule of unit entitlements.

- (2) If a leasehold scheme does not have leasehold by-laws, the expiry day for the scheme cannot be postponed.
- (3) The expiry day for a leasehold scheme —

 - (b) cannot be postponed unless the postponement is supported by resolution of the strata company as set out in section 41.

(4) Leasehold by-laws —

- (a) may provide that the owner of the leasehold scheme is to be paid an amount for the postponement of the expiry day for the scheme by the owner of each lot in the scheme and, if they do so —
 - (i) the amount paid by the owners of the lots must be proportional to the unit entitlements of their respective lots; and

and

- (b) may provide for compensation to be payable to the owner of a lot on the expiry of the scheme for improvements to the lot effected by the owner or a former owner of the lot; and
- (c) must comply with requirements set out in the regulations.

- (5) Leasehold by-laws can only be made, amended or repealed if the owner of the leasehold scheme has given written consent to the by-laws.

[Section 40 inserted: No. 30 of 2018 s. 83.]

[Section 41 inserted: No. 30 of 2018 s. 83.]

42. Staged subdivision by-laws

- (1) **Staged subdivision by-laws** of a strata titles scheme are by-laws that apply as if they were an agreement by the strata company with a person about subdivision of the strata titles scheme in stages.

Note for this subsection:

Under section 36, compliance with a stage of subdivision as set out in staged subdivision by-laws removes the need for resolutions and consents for registration of an amendment of the strata titles scheme to give effect to the subdivision.

- (2) Staged subdivision by-laws must—
- (a) describe in detail —
 - (i) the stages of subdivision that are agreed; and
 - (ii) any amendments to the scheme plan and schedule of unit entitlements that will be made on completion of each stage of subdivision;and

- (6) Staged subdivision by-laws can only be made, amended or repealed if —
 - (a) for a leasehold scheme, the owner of the leasehold scheme —
 - (i) has been given notice in the approved form of the by-laws; and
 - (ii) has given written consent to the by-laws;and
 - (b) in any case, the holder of each designated interest over the whole or a part of the parcel —
 - (i) has been given notice in the approved form of the by-laws; and
 - (ii) either —
 - (I) has given written consent to the application; or
 - (II) has not, at the end of 60 days after being given notice, made a written objection to the proposed by-laws.
- (7) The Tribunal may, on the application of an applicant for registration of staged subdivision by-laws or an amendment of staged subdivision by-laws, order that an objection to the by-laws of a person with a designated interest be disregarded on the grounds that the objection is unreasonable.
- (8) In considering whether an objection is unreasonable, the Tribunal may consider —
 - (a) the merits of the proposed by-laws; and

- (b) the grounds for the objection; and
 - (c) any other factor the Tribunal considers relevant.
- (9) If the Tribunal makes such an order, the applicant must lodge a copy of the order certified by the Tribunal with the Registrar of Titles.

- (1) An easement (a **utility service easement**) exists for the benefit and burden of each lot and the common property in a strata titles scheme to the extent reasonably required for the provision of utility services to each lot and the common property.
- (2) A utility service easement entitles the strata company, and the owner of a lot, in the strata titles scheme —
 - (a) to install and remove utility conduits; and
 - (b) to examine, maintain, repair, modify and replace utility conduits.
- (3) The rights conferred by a utility service easement must be exercised so as to minimise, as far as reasonably practicable, interference with the use and enjoyment of lots and common property in the strata titles scheme.
- (4) A strata company must not interfere or permit interference with utility conduits or a utility service provided by means of utility

conduits in a way that may prejudice the use or enjoyment of a lot or the common property, other than —

- (a) in the reasonable exercise of rights under a utility service easement of which it has the benefit; or
 - (b) in the performance of its function of controlling and managing common property in the scheme.
- (5) An owner or occupier of a lot must not, either within or outside the lot, interfere or permit interference with utility conduits or a utility service provided by means of utility conduits in a way that may prejudice the use or enjoyment of another lot or the common property in the strata titles scheme, other than in the reasonable exercise of rights under a utility service easement.
- (6) A utility service easement has effect even if the lot benefited and the lot burdened have the same owner.
- (7) In any dispute about the location of utility conduits under a utility service easement, the objective must be to resolve the matter fairly taking into account the options that are reasonably available to give effect to the easement.
- (8) If, in the course of exercising rights under a utility service easement, the owner of a lot comes into possession of documents specifying the location of utility conduits or other information relating to utility conduits that ought reasonably to be kept by the strata company, the owner of the lot must ensure that the documents are provided to the strata company.
- (9) If, in the course of exercising rights under a utility service easement, the strata company comes into possession of documents specifying the location of utility conduits or other information relating to utility conduits that ought reasonably to be kept by the strata company, the strata company must keep the documents.

 - (b) to operate that infrastructure; and
 - (c) to examine, maintain, repair, modify and replace that infrastructure.
- (4) The easement is subject to any conditions set out in the infrastructure contract (as in force from time to time).
- (5) The infrastructure contract may be varied by agreement between the strata company and the person who is the infrastructure owner from time to time.

- (6) The easement ceases to exist if the infrastructure contract is terminated or otherwise ceases to have effect.
- (7) The rights conferred by the easement must be exercised so as to minimise, as far as reasonably practicable, interference with the enjoyment and use of the common property.
- (8) The regulations may —
 - (a) specify special procedures for notice or voting on the resolution required for the application of this section; and
 - (b) set out terms and conditions that are to be taken to be implied in an infrastructure contract; and

- (4) Notice must be given in the approved form.
- (5) The length of the notice must be at least —
- (a) for entry by a strata company — 7 days unless a shorter period is agreed to by the occupier of the lot; and
 - (b) in any other case — 28 days unless a shorter period is agreed to by the occupier of the lot or strata company, as the case requires.
- (6) If notice is not given (in an emergency) or the period of the notice has expired and it is not possible for the person, or a person acting on behalf of the person, to gain entry without using force, the person wishing to enter may use such force as is reasonable in the circumstances.
- (7) Rights of entry under a statutory easement include rights of entry by the person's agents, employees and contractors, with vehicles, equipment, materials and other items as reasonably

- (1) If the Valuer-General values the unimproved value of a parcel subdivided by a strata scheme under the *Valuation of Land Act 1978* for rating and taxing purposes, the parcel must, despite that or any other Act, be valued as a single parcel of land and as if it were owned by a single owner.
- (2) For the purposes of any such valuation as is referred to in subsection (1) and all purposes incidental to the valuation, including objection to and review of the valuation, but not otherwise, the parcel and improvements on the parcel are taken to be owned by the strata company only.
- (3) During the period from the registration of the strata scheme and until a valuation of the parcel on the basis that the strata company is owner comes into force under the *Valuation of Land Act 1978*, the valuation then in force is taken, for the purposes of this section, to be a valuation of the parcel made by the Valuer-General as if the strata company is owner.
- (4) Subject to subsection (5), if a local government or other authority (the rating authority) authorised to make and levy rates on the parcel, uses a valuation of the unimproved value of the parcel made by the Valuer-General on the basis that the strata company is owner, the following provisions have effect —

 - (c) the owner of each lot comprised in the parcel is taken to be the owner in fee simple in possession of the lot as if it were a separate parcel of land having a value equal to that apportioned to it under paragraph (a) and is, subject to any exemptions or concessions that may be applicable, liable accordingly for any rate made and levied by the local government or the rating authority, as the case may be, on the owners of land.
- (5) If —
- (a) part only of a lot is liable to any rate, that rate must be made and levied on an amount that bears the same proportion to the value of the lot as the rental value of the part so liable bears to the rental value of the lot; and
 - (b) part of a parcel is rateable in respect of water, sewerage or drainage services, then the rateable value of that part is to be the value of the parcel after deducting the value of any lot assessed and rated separately and in which the water, sewerage or drainage service, as the case may be, is exclusively for the use and benefit of the lot.

- (2) On receiving an objection to the valuation of a parcel made by the owner of a lot within the parcel under subsection (1), the Valuer-General —
- (a) must inform the strata company of the objection and the grounds on which it has been made; and

157. Information to be given after contract

- (1) If a notifiable variation occurs after a buyer signs a contract for the sale and purchase of a lot, the seller must, by notice in writing, inform the buyer of particulars of the notifiable variation that a reasonable person would consider sufficient to enable the buyer to make an adequately informed assessment as to whether the buyer is materially prejudiced by the notifiable variation.
- (2) The regulations may provide that if the notice contains specified particulars of a notifiable variation of a specified type it will be

conclusively presumed to contain the particulars required by subsection (1).

- (3) The seller must comply with subsection (1) —
 - (a) if the seller becomes aware of the notifiable variation less than 15 working days before the settlement date for the contract — as soon as practicable; and
 - (b) in any other case — not later than 10 working days after the seller becomes aware of the notifiable variation.
- (4) Subsection (1) does not apply if —
 - (a) the seller has in the contract informed the buyer of any proposed action or matter that would be a notifiable variation; and

 - (a) if the seller becomes aware of the completion of the action or matter less than 15 working days before the settlement date for the contract — as soon as practicable; and

- (6) In any court or tribunal proceedings arising out of or connected with a contract for the sale and purchase of a lot, the onus of

[Section 158 inserted: No. 30 of 2018 s. 83.]

159. Avoidance of contract for failure to give information

- (1) A buyer may avoid a contract for the sale and purchase of a lot at any time before the settlement date for the contract —
 - (a) if the seller has not complied with section 156; and
 - (b) if the seller were now to comply with that section, the buyer would receive information or a document that would disclose material prejudice to the buyer (proof of which lies on the buyer).
- (2) However, if the seller gives the buyer a notice substantially complying with section 156 before the buyer avoids the contract under this section, the buyer may avoid the contract under this section only if the buyer does so within 15 working days after the seller's notice is given to the buyer.

[Section 159 inserted: No. 30 of 2018 s. 83.]

160. Avoidance of contract on notification of variation for material prejudice

 - (ii) the seller does not substantially comply with the requirement under section 157 to give notice of the variation to the buyer within the required time;
- and
- (b) if the seller were now to comply with that section, the buyer would receive information or a document that would disclose material prejudice to the buyer (proof of which lies on the buyer).
- (2) However, if the seller gives a notice substantially complying with the requirement under section 157 before the buyer avoids the contract under this section, the buyer may not avoid the contract under this section more than 15 working days after the seller's notice is given.

[Section 162 inserted: No. 30 of 2018 s. 83.]

 - (b) the scheme or amendment is not registered —

 - (a) a leasehold scheme terminates on the expiry day for the scheme as referred to in Division 2;
 - (b) a leasehold or freehold scheme terminates —
 - (i) if there is a termination proposal and the process referred to in Division 3 is followed; or
 - (ii) if all lots in the scheme are owned by the same person and the process referred to in Division 4 is followed.
- (2) Divisions 5 and 6 contain provisions relevant to the forms of termination of a strata titles scheme set out in Divisions 2, 3 and 4.
- (3) A strata titles scheme also terminates as set out in Division 7 on the taking under the *Land Administration Act 1997* of all of the lots in a strata titles scheme and, for a leasehold scheme, the reversionary interest of the owner of the leasehold scheme.

notice, in the approved form, of the impending expiry of the leasehold scheme.

- (2) If the owner of a leasehold scheme fails to give the necessary notice, it may be given by an owner of a lot in the scheme and the owner may recover the cost of doing so as a debt in a court of competent jurisdiction from the owner of the leasehold scheme.

Note for this section:

Expiry of a leasehold scheme does not require an approval of a subdivision of land as the expiry is approved as part of the process of initial subdivision by the scheme.

[Section 172 inserted: No. 30 of 2018 s. 83.]

Division 3 — Termination proposal

[Heading inserted: No. 30 of 2018 s. 83.]

The termination of a strata titles scheme may be proposed by a person (the **proponent**) who is —

- (a) the owner of a lot in the strata titles scheme; or

- (c) a body corporate formed by 2 or more such persons.

[Section 173 inserted: No. 30 of 2018 s. 83.]

174. Outline of termination proposal

- (1) The proponent of a proposal to terminate a strata titles scheme (a **termination proposal**) must submit an outline of the proposal to —
- (a) the strata company for the scheme; and
 - (b) if it is a leasehold scheme, the owner of the leasehold scheme.

- (2) However, an outline of a termination proposal cannot be submitted to a strata company or owner of a leasehold scheme —
- (a) during any period commencing when an ordinary resolution has been passed by the strata company in support of an outline of another termination proposal and ending when that proposal cannot proceed further under this Division; or
 - (b) during any period (not exceeding 12 months) for which the strata company has, by ordinary resolution, prohibited termination proposals being submitted to it; or
 - (c) during any period for which the Tribunal has, on application by the strata company or the owner of the leasehold scheme, prohibited termination proposals being submitted.
- (3) A strata company to which an outline of a termination proposal is submitted in accordance with this section must, within 14 days after being given the proposal —
- (a) serve it on each person who is —
 - (i) the owner of a lot in the strata titles scheme; or
 - (ii) a registered mortgagee of a lot in the strata titles scheme;and
 - (b) lodge with the Registrar of Titles notice of receipt of the outline in the approved form.
- (4) The strata company must, on completion of the requirements under subsection (3), give written notice of that fact to the proponent of the termination proposal.

- (5) Any modification of an outline of a termination proposal proposed by the proponent of the proposal must be submitted and served in the same manner as for the outline.

[Section 174 inserted: No. 30 of 2018 s. 83.]

- (1) An outline of a termination proposal must —
- (a) specify the name and address for service of the proponent of the proposal; and
 - (b) identify the strata titles scheme proposed to be terminated; and
 - (c) provide an explanation of the reasons for proposing termination of the strata titles scheme, including (without limitation), if the difficulty of raising sufficient contributions for repair of scheme buildings or infrastructure on common property is a reason for the proposal, a statement of that reason; and
 - (d) describe, in general terms, any proposals for contracts to be offered to owners of lots in the strata titles scheme; and
 - (e) describe, in general terms, what is proposed in terms of subdivision and development of the land following termination of the strata titles scheme; and
 - (f) describe the planning approvals required for the proposal described under paragraph (e) and the extent to which the proposal does not comply with a relevant planning scheme or interim development order in force under the *Planning and Development Act 2005*; and
 - (g) indicate, in general terms, the stages and timeframes for progress of the proposal if it proceeds; and
 - (h) provide an explanation, in the approved form, of the process for, and consequences of, termination of a strata titles scheme under this Division; and

- (i) provide, in accordance with the regulations, details of proposed arrangements for obtaining independent advice or representation referred to in section 190; and

- (3) An outline of a termination proposal must be in the approved form.

[Section 175 inserted: No. 30 of 2018 s. 83.]

176. Ordinary resolution and support of owner of leasehold scheme required to proceed further

- (1) A termination proposal can only proceed further if, within 3 months after an outline of the proposal has been submitted as required under section 174 —
- (a) for a freehold scheme — the strata company passes an ordinary resolution supporting consideration of a full proposal; and
 - (b) for a leasehold scheme —
 - (i) the owner of the leasehold scheme gives written notice to the strata company supporting consideration of a full proposal; and
 - (ii) the strata company passes an ordinary resolution supporting consideration of a full proposal.
- (2) For a 2-lot scheme, an ordinary resolution is taken to be passed supporting consideration of a full proposal if the vote attached to 1 of the lots is cast in favour of the resolution (regardless of the unit entitlement of the lot).

[Section 176 inserted: No. 30 of 2018 s. 83.]

177. Approval of plan of subdivision

- (1) If the requirements of section 176 are met and a termination proposal can proceed further —
 - (a) the proponent of the proposal can then make an application under the *Planning and Development Act 2005* Part 10 for approval of a plan of subdivision for the proposal (that is, for the parcel to cease being subdivided by a strata titles scheme); and
 - (b) the owner of the land is taken to have consented to the proponent making the application under the *Planning and Development Act 2005*.
- (2) The *Planning and Development Act 2005* applies to the application subject to —
 - (a) the modification that a reference to subdivision is to be read as including a reference to termination of a strata titles scheme; and
 - (b) any other appropriate modifications.

[Section 177 inserted: No. 30 of 2018 s. 83.]

178. Full proposal

 - (b) during any period for which the Tribunal has, on application by the strata company or the owner of the

leasehold scheme, prohibited termination proposals
being so submitted.

- (3) For a leasehold scheme, the proponent must give written notice to the owner of the leasehold scheme of the date on which the proponent submitted the full proposal to the strata company.

- (5) Any modification of the full proposal proposed by the proponent must be submitted and served in the same manner as for the full proposal.
- (6) However, a modification cannot be submitted within 14 days before voting on the termination proposal opens.

[Section 178 inserted: No. 30 of 2018 s. 83.]

- (6) The regulations may prescribe how a person's independence is to be determined for the purposes of subsection (2)(a).
- (7) The strata company —

Note for this subsection:

The terms of the termination proposal are as set out in the full proposal rather than the outline: see section 179(8).

- (2) A termination resolution is only effective if the voting period opens at least 2 months after, and closes not more than 6 months after, the service of the full proposal by the strata company under this Division.
- (3) A termination proposal may be modified and a further vote taken on the proposal, but no more than 3 such votes may be taken and each vote must be taken within the period referred to in subsection (2).
- (4) A person who is independent of the strata company and the proponent of the termination proposal must be appointed to tally and count the votes on the proposal.

- (5) The vote must be taken as follows —
 - (a) 1 vote may be cast for each lot in the strata titles scheme;
 - (b) the value of each vote is 1.
- (6) A termination resolution is passed if the number of votes cast in favour of the termination proposal equals the number of lots in the strata titles scheme.
- (7) A termination resolution is passed subject to the confirmation of the Tribunal if —
 - (a) the strata titles scheme has 5 or more lots; and
 - (b) the number of votes cast in favour of the termination proposal is at least 80% of the total number of lots in the scheme.
- (8) Section 126(a) does not apply to voting on a termination resolution.

- (10) The independent person appointed to tally and count the votes must —
 - (a) make a record of each vote identifying the lot for which it is cast and the date on which it was cast, and the tally of the votes; and
 - (b) as soon as reasonably practicable, give written notice to the strata company of the number of votes cast in favour of and against the termination proposal and a statement of whether confirmation of the resolution by the Tribunal is required; and
 - (c) if confirmation of the resolution by the Tribunal is required, provide the record made under paragraph (a) to

the strata company in the manner required by the regulations, but must not otherwise disclose information about who cast votes for or against the proposal or for which lots the votes were cast.

- (11) A strata company must, as soon as practicable after a termination resolution is passed —
- (a) lodge with the Registrar of Titles notice of that fact in the approved form; and
 - (b) give written notice of that fact to —
 - (i) the proponent of the termination proposal; and
 - (ii) for a leasehold scheme, the owner of the leasehold scheme.
- (12) The notice must include a statement of whether or not confirmation of the termination resolution by the Tribunal is required.
- (13) The regulations may impose additional requirements about the process required for voting on a termination proposal.

[Section 182 inserted: No. 30 of 2018 s. 83.]

183. Confirmation of termination resolution by Tribunal

- (1) If a termination proposal can proceed further only if the Tribunal confirms the termination resolution, the proponent of the proposal can apply to the Tribunal for that confirmation.
- (2) The application must be made within 28 days after the date on which the termination resolution is passed or within an extension of that period given by the Tribunal.
- (3) The application must be accompanied by —
 - (a) the full proposal for the termination of the strata titles scheme; and
 - (b) all written submissions made to the proponent about the termination proposal; and

- (c) any other material specified in the regulations.
- (4) For the *State Administrative Tribunal Act 2004* section 45(1)(b), the following persons are entitled to a copy of, or notice of, the application —
 - (a) the strata company for the strata titles scheme; and
 - (b) for a leasehold scheme, the owner of the leasehold scheme.
- (5) The strata company and, for a leasehold scheme, the owner of the leasehold scheme, will be taken to be parties to the proceedings.
- (6) The strata company must, within 14 days after being given notice of the application —
 - (a) serve notice of the application on each person who is —
 - (i) the owner, occupier or registered mortgagee of a lot in the strata titles scheme; or
 - (ii) the occupier of common property in the strata titles scheme; or
 - (iii) a person whom the Tribunal requires to be served with notice of the application;
 - and
 - (b) if all or part of the parcel of the strata titles scheme is or is included in a retirement village within the meaning of the *Retirement Villages Act 1992* — serve notice of the application on the Commissioner within the meaning of that Act; and
 - (c) provide the following to the Tribunal (which may then be released by the Tribunal to any person entitled to appear and be heard or to make submissions) —
 - (i) for a leasehold scheme, a copy of the notice of support for the termination resolution given by the owner of the leasehold scheme under section 180;

- (ii) a record (as provided by the independent person who counted the votes) of each vote on the termination resolution, identifying the lot for which it was cast and the date on which it was cast, and a tally of the votes;
 - (iii) minutes of all meetings of the strata company or the council of the strata company at which the termination proposal was considered;
 - (iv) all written submissions made to the strata company about the termination proposal;
 - (v) the scheme plan, scheme by-laws and schedule of unit entitlements for the strata titles scheme;
 - (vi) anything else required by the regulations;
- and
- (d) lodge with the Registrar of Titles notice of the application in the approved form.
- (7) A person who is required to be served with notice of the application is entitled to appear and be heard or make written submissions to the Tribunal (as the Tribunal determines).
- (8) In proceedings for confirmation of a termination resolution of a strata company, the Tribunal may —
- (a) make an order confirming the termination resolution (which may be subject to the termination proposal being modified in a specified manner as set out in subsection (13)); or
 - (b) make a decision not to make such an order.
- (9) The Tribunal can only confirm a termination resolution if the proponent of the termination proposal satisfies the Tribunal that —
- (a) the process required by this Division has been complied with; and

- (b) under the termination proposal, the owner of a lot in the strata titles scheme who does not support the termination will receive fair market value for the lot or a like for like exchange for the lot; and
 - (c) the termination proposal is otherwise just and equitable having regard to —
 - (i) the interests of the owners of the lots in the strata titles scheme; and
 - (ii) if it is a leasehold scheme, the interests of the owner of the leasehold scheme; and
 - (iii) the interests of occupiers of the lots and the occupiers of the common property in the strata titles scheme; and
 - (iv) the interests of registered mortgagees of the lots in the strata titles scheme; and
 - (v) the interests of any other person with an estate or interest in, or right over, a lot or common property in the strata titles scheme that is registered or recorded in the Register.
- (10) In determining under subsection (9)(b) whether an owner of a lot will receive fair market value for the lot —
- (a) the Tribunal must be satisfied that —
 - (i) the owner will receive an amount that is at least the amount of compensation that would be required to be paid by an acquiring authority under the *Land Administration Act 1997* for taking of the lot without agreement; and
 - (ii) the owner will not be disadvantaged in terms of the owner's financial position as a result of the termination of the strata titles scheme;
- and

- (b) in considering the amount of compensation that would be payable under the *Land Administration Act 1997* section 241 —
- (i) that section is to be read as if the owner of the lot were the claimant and the proponent of the termination proposal were the acquiring authority; and
 - (ii) no regard is to be had to any reference to proposed public works nor to the undertaking of improvements after there is a notice of intention; and
 - (iii) an amount appropriate to compensate for the taking without agreement may be added to the award or offer (but it may not be more than 10% of the amount otherwise awarded or offered unless the Tribunal is satisfied that exceptional circumstances justify a higher amount);
- and
- (c) without limitation, regard is to be had to the loss or damage, if any, sustained by the owner by reason of any of the following —
- (i) removal expenses;
 - (ii) disruption and reinstatement of a business;
 - (iii) liability for capital gains tax, goods and services tax or other tax or duty;
 - (iv) conveyancing and legal costs and other costs associated with the creation or discharge of mortgages and other interests, including for the acquisition of a replacement property.

- (11) In determining under subsection (9)(b) whether an owner of a lot will receive a like for like exchange for the lot, the Tribunal must consider —
- (a) whether the value of what is offered in exchange is equivalent to the fair market value of the lot (as set out in subsection (10)); and
 - (b) how the location, facilities and amenity of what is offered in exchange compares to that of the lot.
- (12) Without limiting the factors that the Tribunal can take into account under subsection (9)(c), the Tribunal must consider the following —
- (a) any evidence of impropriety in the termination process, including, for example —
 - (i) evidence of proxy votes being exercised invalidly or votes being affected by undue influence in connection with the termination resolution; and
 - (ii) evidence of false or misleading information (whether by inclusion or omission) having been included in the outline of or the full proposal for the termination of the strata titles scheme;
 - (b) the proportion of owners of lots in favour of and against the termination proposal in terms of numbers of lots and in terms of unit entitlements of lots;
 - (c) the termination infrastructure report and options reasonably available to address problems identified in the report (including the extent to which contributions would need to be increased for implementation of an option);
 - (d) any arrangements for the owner of a lot in the strata titles scheme to buy back into the subdivided land following redevelopment;

- (e) the benefits and detriments of the termination proposal proceeding or not proceeding for all those whose interests must be taken into account.
- (13) If the Tribunal is not satisfied of the matters set out in subsection (9)(b) or (c) but would be satisfied of those matters if the termination proposal were modified in a specified manner, the Tribunal may confirm the termination resolution subject to the termination proposal being modified in the specified manner.
- (14) Without limitation, the modifications may include a requirement for the proponent to make a payment to a party to a lease or tenancy agreement over a lot or common property in the strata titles scheme that will terminate as a consequence of the termination of the scheme.
- (15) The modifications must not have the effect of being less advantageous to any owner of a lot in the strata titles scheme, or, if it is a leasehold scheme, the owner of the leasehold scheme, than the termination proposal without modification.
- (16) Subsection (15) does not apply to an owner in the capacity of a proponent of the termination proposal.
- (17) Without limiting other powers of the Tribunal to make ancillary orders, if the Tribunal makes an order confirming a termination resolution, it may also order that, on specified conditions connected with the termination being met —
 - (a) the owner of a lot in the strata titles scheme must execute a transfer of ownership of the lot; or
 - [(b) *deleted*]
 - (c) a person with an estate or interest in, or right over, the whole or a part of the strata titles scheme parcel that is registered or recorded in the Register must take steps necessary for the discharge, withdrawal or other

- removal, or for the bringing forward, of the estate, interest or right; or
- (d) the occupier of a lot or the common property in the strata titles scheme must vacate the lot or common property.
- (18) If the Tribunal orders a person under subsection (17)(c) to take steps for the discharge, withdrawal or removal of an estate, interest or right the Tribunal may order the proponent or the owner of a lot in the strata titles scheme to make a payment to that person in respect of the discharge, withdrawal or removal of the estate, interest or right.
- (19) If the whole or part of the parcel of a strata titles scheme is subject to a residential tenancy agreement within the meaning given in the *Residential Tenancies Act 1987* section 3, the Tribunal may order that on the termination of the strata titles scheme —
- (a) the tenant and the lessor must terminate the residential tenancy agreement under that Act; and
- (b) the premises subject to the residential tenancy agreement are taken for the purposes of section 69 of that Act to cease to be lawfully usable as a residence; and
- (c) if the tenant is given notice of termination under section 69 of that Act, then despite section 69(2) of that Act the period of notice must be not less than a period specified by the Tribunal; and
- (d) the proponent or the owner of a lot in the scheme is to make a payment to the tenant under the residential tenancy agreement in respect of the termination of the residential tenancy agreement.
- (20) If the whole or part of the parcel of a strata titles scheme is subject to a retail shop lease within the meaning given in the *Commercial Tenancy (Retail Shops) Agreements Act 1985*

section 3(1), then despite anything in that Act the Tribunal may order that —

- (a) the retail shop lease is terminated on the termination of the strata titles scheme; and
 - (b) the proponent or the owner of a lot in the scheme is to make a payment to the tenant under the retail shop lease in respect of the termination of the retail shop lease.
- (21) If the whole or part of the parcel of a strata titles scheme is subject to a lease or licence not referred to in subsection (19) or (20), the Tribunal may, subject to any other written law, order that —
- (a) the lease or licence is terminated on the termination of the strata titles scheme; and
 - (b) the proponent or the owner of a lot in the scheme is to make a payment to the lessee or licensee in respect of the termination of the lease or licence.
- (22) The Tribunal's powers under this section are exercisable only by a judicial member (or by the Tribunal constituted of a judicial member and other members).
- (23) A strata company must, as soon as practicable after being given notice of the decision of the Tribunal on an application under this section —
- (a) lodge with the Registrar of Titles notice of the decision in the approved form; and
 - (b) give written notice of the decision to each person entitled to receive notice of the application.

[Section 183 inserted: No. 30 of 2018 s. 83; amended: No. 21 of 2022 s. 65.]

184. Endorsement of subdivision approval on plan

- (1) If a termination proposal can proceed further under section 182 (including, if required, because the Tribunal confirms the termination resolution under section 183) —
 - (a) the proponent of the proposal can then make a request to the Planning Commission to approve a diagram or plan of survey under the *Planning and Development Act 2005* section 145 and to endorse the approval of the plan of subdivision for the proposal obtained under section 177 on the diagram or plan of survey; and
 - (b) the owner of the land is taken to have consented to the proponent making the request under the *Planning and Development Act 2005*.
- (2) The *Planning and Development Act 2005* applies to a request under subsection (1) subject to any appropriate modifications.
[Section 184 inserted: No. 30 of 2018 s. 83.]

185. Application for termination of scheme

 - (b) the steps required to be taken before termination of the scheme for winding up the strata company under the termination proposal or an order under section 192 have been taken.
- (2) The application must be made within 12 months after the termination resolution has been passed or, if the proposal can only proceed if the Tribunal confirms the termination resolution, after the Tribunal has made an order under section 183 confirming the termination resolution.
[Section 185 inserted: No. 30 of 2018 s. 83.]

186. Withdrawal of termination proposal

- (1) If the proponent of a termination proposal makes a decision not to proceed with the proposal, the proponent must, as soon as reasonably practicable, withdraw the proposal by written notice to the strata company and, if it is a leasehold scheme, the owner of the leasehold scheme.
- (2) A strata company that is given written notice of the withdrawal of a termination proposal from the proponent of the proposal must, within 14 days after being given the notice —
 - (a) serve the notice on each person who is —
 - (i) the owner of a lot in the strata titles scheme; or
 - (ii) if the full proposal for the termination of the strata titles scheme has been served by the strata company — the occupier of a lot or the common property in the strata titles scheme; or
 - (iii) a registered mortgagee of a lot in the strata titles scheme;
 - and
 - (b) lodge with the Registrar of Titles notice of the withdrawal of the proposal in the approved form.

[Section 186 inserted: No. 30 of 2018 s. 83.]

187. Notice that termination proposal cannot proceed further

 - (a) at the end of 3 months after the outline of the termination proposal has been submitted to the strata company, the requirements of section 176 have not been met;
 - (b) at the end of 3 months after the full proposal has been submitted to the strata company, the requirements of section 180 have not been met;

- (c) at the end of 6 months after service of the full proposal by the strata company, a termination resolution has not been passed;
 - (d) at the end of 12 months after a termination resolution that does not require the confirmation of the Tribunal has been passed, no application for termination of the strata titles scheme has been made;
 - (e) the termination resolution requires confirmation of the Tribunal and —
 - (i) the Tribunal makes a decision not to confirm the resolution; or
 - (ii) at the end of 12 months after the making of an order under section 183 confirming the termination resolution, no application for termination of the strata titles scheme has been made.
- (2) If this section applies, the strata company must —
- (a) lodge with the Registrar of Titles notice, in the approved form, that the termination proposal cannot proceed further; and
 - (b) give written notice confirming that fact to —
 - (i) the proponent of the termination proposal; and
 - (ii) for a leasehold scheme, the owner of the leasehold scheme; and
 - (iii) each member of the strata company.

[Section 187 inserted: No. 30 of 2018 s. 83.]

188. Notices received by Registrar of Titles

If a notice is lodged with the Registrar of Titles under this Division, the Registrar of Titles must —

- (a) record a notification in the Register; and

[Section 188 inserted: No. 30 of 2018 s. 83.]

189. Costs of process

- (1) A strata company may charge the proponent of a termination proposal reasonable fees to cover costs associated with undertaking an activity under this Division.
- (2) The fees must not exceed any limits imposed by the regulations.
- (3) A strata company need not undertake the relevant activity until the fees have been paid.
- (4) If the strata company undertakes the relevant activity before receiving payment for the activity, the strata company can recover, in a court of competent jurisdiction, the fees for the activity as a debt owed to it by the proponent of the termination proposal.

[Section 189 inserted: No. 30 of 2018 s. 83.]

190. Arrangements for independent advice or representation for owners

- (1) The regulations —
 - (a) must require the proponent of a termination proposal to enter into specified arrangements for the owners of lots in the strata titles scheme proposed to be terminated to obtain independent advice or representation in connection with the proposal; and
 - (b) must specify arrangements for obtaining fuller or more extensive advice or representation for a class or classes of owner identified in or under the regulations as vulnerable, having regard to —

- (i) age, illness, trauma, disability or other factors that may impair the ability of an owner to consider and make an informed decision in relation to a termination proposal; or
 - (ii) financial disadvantage which would significantly impair the ability of the owner to bear the cost of obtaining appropriate professional advice in relation to a termination proposal.
- (2) Without limitation, the arrangements may include a requirement for the proponent of a termination proposal to pay an amount to a trustee to be held in trust for owners to obtain independent legal advice or representation, valuation advice or reports or financial or taxation advice in connection with the proposal.
- (3) The regulations may specify terms of a trust referred to in subsection (2).

[Section 197 inserted: No. 30 of 2018 s. 83.]

198. Procedure

- (1) The Tribunal may, on application by a member of a strata company, if it is satisfied that a strata company has unreasonably refused to make an application to the Tribunal under this Act —
 - (a) authorise the member to make the application on behalf of the strata company; and
 - (b) authorise expenditure up to a specified amount from a fund of the strata company for legal advice and legal action for the proceeding.
- (2) For the *State Administrative Tribunal Act 2004* section 45(1)(b), the following persons are entitled to a copy of, or notice of, an application to the Tribunal under this Act to which a strata company is a party —
 - (a) each member of the strata company;
 - (b) each mortgagee of a lot who has given written notice of the mortgagee's interest to the strata company;
 - (c) the occupier of each lot in the strata titles scheme that would be affected if the order sought were made.

s. 198

- (3) For the *State Administrative Tribunal Act 2004* section 45(1)(b), each mortgagee of a lot is entitled to a copy of, or notice of, an application to the Tribunal under this Act to which the owner of a leasehold scheme is a party.
- (4) Despite the *State Administrative Tribunal Act 2004* section 45 —
 - (a) the entitlement is to a copy of the application unless there is an approved form for the purpose, in which case, the entitlement is to notice in the approved form; and
 - (b) if the applicant is not the strata company —
 - (i) the obligation to give a copy of, or notice of, the application to the persons entitled under subsection (2) falls on the strata company rather than on the applicant; and
 - (ii) section 45(3) of that Act applies as if the strata company were the applicant.
- (5) In addition to the circumstances in which the *State Administrative Tribunal Act 2004* section 47 applies, that section applies to a scheme dispute if the Tribunal —
 - (a) is not satisfied that the nature of the dispute is more than trivial; or
 - (b) is not satisfied that the applicant has an interest in the matter that is more than trivial and warrants recourse by the applicant to the Tribunal; or
 - (c) is satisfied that the purpose of the application is to harass or annoy, or to cause delay or detriment, or is otherwise wrongful; or
 - (d) is satisfied that the nature and gravity of the dispute is such that it is reasonable to expect the parties to resolve the dispute without recourse to the Tribunal.

- (6) The Tribunal may make a final decision in proceedings under this Act at a directions hearing if the Tribunal considers that appropriate.

Note for this section:

Under the *State Administrative Tribunal Act 2004* Part 4 Division 2 the Tribunal may, amongst other things —

- strike out all, or any part, of a proceeding if it considers that the matter, or any aspect of it, would be more appropriately dealt with by another tribunal, a court or any other person; or
- dismiss or strike out a proceeding if it believes that it is frivolous, vexatious, misconceived or lacking in substance, is being used for an improper purpose or is otherwise an abuse of process; or
- direct that proceedings be consolidated or split.

Under section 38 of that Act, the Tribunal may order that a person be joined as a party to a proceeding.

[Section 198 inserted: No. 30 of 2018 s. 83.]

199. Declarations

- (1) In a proceeding under this Act, the Tribunal may make a declaration concerning a matter in the proceeding instead of any order the Tribunal could make, or in addition to any order the Tribunal makes, in the proceeding.
- (2) The Tribunal's power to make a declaration is exercisable only by a legally qualified member (or by the Tribunal constituted of a legally qualified member and other members).
- (3) Without limitation, a declaration may be made that —
- (a) a specified person has or has not contravened a specified provision of this Act, the scheme by-laws or a strata lease; or
 - (b) a specified clause of a strata lease is or is not invalid; or
 - (c) a specified scheme by-law is or is not invalid; or
 - (d) a specified decision or resolution of a strata company is or is not invalid; or

[Section 200 inserted: No. 30 of 2018 s. 83.]

[Section 204 inserted: No. 30 of 2018 s. 83.]

 - (a) no person other than the administrator may, while the order remains in force, perform a function that the administrator is authorised to perform under the order; and
 - (b) any act or thing done or suffered by the administrator in the performance of a function under the order has the same effect as it would have had if the order had not been made and it had been done or suffered by the

[Section 207 inserted: No. 30 of 2018 s. 83.]

If an order of the Tribunal under this Act is inconsistent with scheme by-laws as in force when the order is made, the order prevails over the by-laws to the extent of the inconsistency.

Note for this section:

If scheme by-laws are inconsistent, the Tribunal may make an order requiring by-laws to be amended in a specified manner.

[Section 208 inserted: No. 30 of 2018 s. 83.]

209. Original jurisdiction

Unless otherwise provided in this Act, a proceeding before the Tribunal under this Act comes within the Tribunal's original jurisdiction.

[Section 209 inserted: No. 30 of 2018 s. 83.]

[Section 210 inserted: No. 30 of 2018 s. 83.]

Part 14 — Miscellaneous

[Heading inserted: No. 30 of 2018 s. 83.]

211. Other rights and remedies not affected by this Act

- (1) Nothing in this Act derogates from rights or remedies that a strata company, an owner or mortgagee of a lot, an administrator, a person having an estate or interest in a lot or, an owner of a leasehold scheme or an occupier may have in relation to a lot or the common property apart from this Act.
- (2) If a court in which proceedings to enforce rights or remedies referred to in subsection (1) are instituted is of the opinion that, having regard to the subject-matter of the proceedings, the taking of the proceedings was not, in the circumstances of the case, warranted by reason that proceedings under this Act make adequate provision for the enforcement of those rights or remedies, the court must order the plaintiff to pay the defendant's costs in such amount as may be determined by the court.

[Section 211, formerly section 122, amended, renumbered as section 211 and relocated: No. 30 of 2018 s. 71 and 84.]

- (1) Land in respect of which —
 - (a) a licence is held under the *Caravan Parks and Camping Grounds Act 1995*; or

s. 213

- (2) Despite subsection (1), land referred to in subsection (1)(a) may be subdivided by registration of a strata titles scheme if that subdivision would not result in the land being subdivided into more lots used or proposed to be used as, or as part of, a caravan park or camping ground.
- (3) In this section *caravan park* and *camping ground* have the same meanings as they have in the *Caravan Parks and Camping Grounds Act 1995* section 5.

[Section 212 inserted as section 123A: No. 34 of 1995 s. 33 and redesignated as 122A: No. 10 of 1998 s. 66; amended, renumbered as section 212 and relocated: No. 30 of 2018 s. 72 and 84.]

- (4) If this subregulation applies, the Tribunal is not to make an order under the *Strata Titles Act 1985* Part VI Division 3, other than under section 82, until after the expiration of the time specified for the making of written submissions in the notice given under section 79(1)(a) of that Act, or where a further notice has been given under section 79(1)(c) of that Act, the expiration of the longer time specified in that notice.

and an application has not been made to a Land Valuation Tribunal before the commencement day or an application to the Land Valuation Tribunal is transferred to the State Administrative Tribunal under the Act section 167, on and after the commencement day, the reference to a Land Valuation Tribunal in the special resolution and the certificate is to be read and construed as a reference to the State Administrative Tribunal.

- (4) A certificate of a local government made before the commencement day which complies with the ST Act section 23(1)(a) or (3), as in force at the time the certificate was made, is to be taken, on and after the commencement day, to comply with the ST Act section 23(1)(a) or (3).

- (6) If a notice of refusal has been given under the ST Act section 26 before the commencement day, on or after the commencement day the notice is to be taken to inform the applicant of the right conferred by that section to apply for a review of the refusal.

section 26(11) would have had if the certificate had been issued by the Minister or the Town Planning Appeal Tribunal before the commencement day.

- (8) If a referee has determined under the ST Act section 39A(4)(c)(ii) (as in force at the time of the determination) that an agreement is unfair to the proprietors of 25% or more of the aggregate unit entitlement of the lots, on or after the commencement day that determination is to be taken to be a determination of the State Administrative Tribunal under the ST Act section 39A(4)(c)(ii).
- (9) If before the commencement day —
- (a) an application for an order was made to a referee in relation to a matter of a type referred to in the ST Act section 77A(1) (as in force at the time of the application); and
 - (b) the referee did not refer the application to the Retirement Villages Disputes Tribunal,
- on the commencement day the application is to be taken to be an application by an applicant for review to the State Administrative Tribunal under the *State Administrative Tribunal Act 2004* and the applicant for the order of the referee is to be taken to be an applicant under that Act.
- (10) If an appeal is commenced before the commencement day under the ST Act section 105 and a strata company is the respondent to a successful appeal under that section, section 111(1) is to be taken to apply to that strata company as if that subsection had not been amended by the *State Administrative Tribunal (Conferral of Jurisdiction) Amendment and Repeal Act 2004*.
- (11) If an order is made by the District Court under the ST Act section 113(1) (as in force immediately before the commencement day), on or after the commencement day the District Court must not cause the order and the records of the District Court relating to the appeal, including records forwarded to it by the referee when referring that appeal to the District Court, to be sent to the referee but must cause the order and those records to be sent to the executive officer of the State Administrative Tribunal.
- (12) If an order is sent to the executive officer under subregulation (11), the executive officer must serve a copy of the order, certified by him or her to be a true copy, on —
- (a) the strata company for the Scheme to which the order relates;
 - (b) the appellant;

- (c) any person who was given notice under the ST Act section 105(6) (as in force immediately before the commencement day) of the time and place for the determination of the appeal; and
- (d) any person who, by the order, is required to do or to refrain from doing a specified act.
