(1) In this section —

“**public authority**” means —

- (a) a Minister of the State;
- (b) an agency, authority or instrumentality of the State or a local government; or
- (c) a body, whether corporate or unincorporate, that is established or continued for a public

purpose by or under a written law and prescribed for the purposes of this definition;

“relevant interest” means a lease, easement, licence or other authority necessary or expedient to enable the licensee to construct, alter, operate or maintain water services works.

- (2) A public authority may grant to a licensee, on such terms and conditions as are agreed between the authority and the licensee, a relevant interest in respect of land held by the public authority in fee simple.

44B. Taking of interest or easement for purposes of licence

- (1) For the purpose of enabling a licensee to provide any water service as authorised by a licence, an interest in land or easement over land may be taken under Part 9 of the *Land Administration Act 1997* as if for a public work within the meaning of that Act.
- (2) The power conferred by subsection (1) can only be exercised on the recommendation of the Minister administering this Act.
- (3) If requested to do so in a written objection served under section 175 of the *Land Administration Act 1997*, the Minister as defined in section 3(1) of that Act (the **“LAA Minister”**), after consultation with the licensee, may vary the proposal to take an interest or easement in accordance with this section so that —
 - (a) instead of the whole of the interest that was proposed to be taken, a lesser estate or interest that is sufficient for the purposes of the licensee is proposed to be taken; or
 - (b) instead of a partial interest that was proposed to be taken, the whole of an interest is proposed to be taken.

- (4) The LAA Minister may, by notice published in the *Gazette*, delegate to the Minister administering this Act the power conferred on the LAA Minister by subsection (3).
- (5) If in the opinion of the Minister administering this Act an interest in land or easement over land is appropriate to a licensee's needs in respect of —
- (a) major works or general works, as defined in section 86 of the *Water Agencies (Powers) Act 1984*; or
 - (b) any other works of a kind prescribed for the purposes of this subsection,
- that Minister is to advise the licensee of that opinion and the licensee is required to acquire that interest in land or easement over land where practicable by agreement but otherwise by the taking of the land under Part 9 of the *Land Administration Act 1997* as if for a public work within the meaning of that Act.
- (6) The requirement imposed by subsection (5) does not extend to land that is vested in, or otherwise occupied or managed by or on behalf of, the State or a public authority as defined in section 44A(1).
- (7) Any costs and expenses incurred in the taking of an interest or easement under this section —
- (a) are to be paid by the licensee; and
 - (b) may be recovered in a court of competent jurisdiction as a debt due from the licensee to the State.
- (8) For the purposes of this section a reference in Part 9 of the *Land Administration Act 1997* to an interest in land includes an easement over land.

44C. Vesting of interest or easement

- (1) Despite anything in Part 9 of the *Land Administration Act 1997*, on the taking of an interest in land or easement over land under section 44B, the interest or easement vests in the licensee for the purpose of enabling the licensee to provide any water service as authorised by a licence except to the extent that, under section 178(7) of that Act, the taking order continues any specified estate, interest, right or privilege of any person to the use, occupation or enjoyment of the land, or any specified part of the land.
- (2) Part 9 of the *Land Administration Act 1997* applies, with all necessary changes, in relation to the recording or registering of an interest or easement taken under section 44B.
- (3) Where, whether by agreement or compulsory acquisition, any interest in land or easement is vested in a licensee and the land is subsequently affected by a taking order under Part 9 of the *Land Administration Act 1997* then despite section 179 of that Act —
 - (a) the licensee's interest or easement continues unless the licensee otherwise agrees; and
 - (b) the licensee is a person having an interest in the land for the purposes of section 202 of that Act.

44D. Proceedings and liability

- (1) Proceedings in respect of compensation, or otherwise for the purpose of complying with Parts 9 and 10 of the *Land Administration Act 1997*, may be taken against the licensee.
- (2) The licensee is liable in respect of the taking of an interest in land or easement over land under section 44B to the same extent as the Minister

administering the *Land Administration Act 1997* would have been liable if the taking had been for the purpose of a public work.

44E. Easements in gross

An easement may be taken under section 44B without there being a dominant tenement and there may be made appurtenant or annexed to any such easement another easement or the benefit of a restriction as to the user of the land.
