9. Section 10A replaced and transitional provision

- (1) Section 10A is repealed and the following section is inserted instead —

“

10A. Working directors

- (1) In this section —

“**company**” means a company as defined in section 5(1) other than a public company as that term is defined in the *Corporations Act 2001* of the Commonwealth;

“**corporate body**” has the same meaning as “company” in section 5(1);

“director” has the meaning given to that term in the *Corporations Act 2001* of the Commonwealth;

“earnings” means wages, salary and other remuneration;

“working director”, in relation to a company, means a director of the company, whether or not the director would be a worker if this section did not apply —

- (a) who executes work for or on behalf of the company; and
 - (b) whose earnings as a director of the company by whatever means are in substance for personal manual labour or services.
- (2) Despite anything in section 5, a director of a corporate body is not a worker of that corporate body for the purposes of this Act unless this section makes the director a worker.
- (3) A company may apply to an approved insurance office under section 160(2) on the basis that a working director of the company is a worker.
- (4) If a company complies with section 160 in respect of a working director of the company on the basis that the director is a worker, then, for the purposes of this Act —
- (a) the director is a worker; and
 - (b) the company is the employer of the director.
- (5) Subsection (4) ceases to apply if the circumstances described in subsection (7) arise.
- (6) If a company that is an employer is, or is one of a group of employers that is, exempt under section 164, then, for the purposes of this Act —
- (a) a director of the company who is a working director is a worker; and

s. 10

- (b) the company is the employer of the director.
- (7) If a company (other than a company that is, or is one of a group of employers that is, exempt under section 164) does not comply with section 160 on the basis that a working director of the company is a worker, then, for the purposes of this Act, the working director is not a worker.
- (8) Subsection (7) does not prevent the company from applying as described in subsection (3), and subsection (7) ceases to apply if the circumstances described in subsection (4) arise.
- (2) Nothing in this section affects or limits the operation of the *Workers' Compensation and Injury Management Act 1981* in relation to a director of a company if that director, at any time before the coming into operation of this section, received, or was entitled to receive, compensation under that Act, and for that purpose that Act continues to apply in relation to the director as if this section had not been enacted.

10. Section 93B amended

Section 93B(5) is amended by inserting after "section 175" —
" or 175AA "

- (a) a statement of the aggregate amount of the wages, salary and other remuneration paid in fact during that period to the director; and

- (b) supporting particulars to verify the aggregate amount stated.

”.

12. Section 160A inserted

After section 160 the following section is inserted —

“

160A. Insurance in respect of working directors

- (1) If a dispute arises between an employer that is a company requesting insurance from an insurance office and the insurance office as to whether a person is a working director of the company, the employer or insurance office may apply to have the question determined by an arbitrator.
- (2) An insurance office that has issued a policy or contract of insurance to a company that is an employer in respect of a working director pursuant to an application as described in section 10A(3) cannot decline to indemnify the employer in respect of a liability of the employer for the director on the basis that the director is not a worker, or that the company is not the employer of the director, unless an arbitrator determines that —
- (a) a representation made by the company in respect of the director when applying for the issue of a policy or contract of insurance in respect of that director was false or misleading in a material particular; and
- (b) the decision of the insurance office to issue a policy or contract of insurance in respect of the director was materially affected by that representation.

“

175AA. Certain persons deemed workers

- (1) For the purposes of this section, a person (“**W**”) executes work for another person (“**E**”) under an avoidance arrangement if —
 - (a) the work is executed under an arrangement that is contrived to enable E to have the benefit of W’s services without having liabilities and duties as W’s employer under this Act;
 - (b) the arrangement was entered into on or after the coming into operation of section 13 of the *Workers’ Compensation Legislation Amendment Act 2005*; and
 - (c) while the arrangement is in effect —
 - (i) W executes work principally for E on behalf of a company of which W is an employee or director (the “**company**”); and
 - (ii) the work is directly a part or process in the trade or business of E.
- (2) Unless the arrangement is, or is of a class of arrangements, prescribed by the regulations, an arrangement is contrived for the purpose described in subsection (1)(a) if —
 - (a) before executing work under the arrangement, W was E’s worker and provided substantially similar services; or

- (b) although the circumstances described in paragraph (a) did not exist before W executes work under the arrangement, E intimated, before the arrangement was entered into, that E was unwilling to enter into an arrangement for the provision of substantially similar services that would have resulted in W being E's worker.
- (3) A person may apply to an arbitrator for a determination as to whether a person was, at a particular time or during a particular period, executing work for another person under an avoidance arrangement.
- (4) In making a determination for the purposes of subsection (3) the arbitrator is not to have regard to whether or not proceedings have been instituted under section 303A against E, or to the outcome of those proceedings (if any).
- (5) If an injury occurs to W and W and E agree or an arbitrator determines that, when the injury occurred, W was executing work for E under an avoidance arrangement —
 - (a) E is liable to pay any compensation that E would have been liable to pay under this Act if W had been E's worker when the injury occurred;
 - (b) if, when the injury occurred, E was insured as required by section 160 against its liability to pay compensation to its workers under this Act —
 - (i) that insurance extends to E's liability under paragraph (a) to pay compensation; and

 - (d) section 175 does not apply so as to entitle E to an indemnity from the company or W.
- (6) If E is liable to pay compensation under subsection (5), for purposes related to the compensation and duties under section 155C, and matters related to the compensation and those duties, this Act applies as if —
 - (a) a reference in this Act to an employer were a reference to E except where, for the purpose of calculating the amount of compensation, a reference is made to the earnings of the worker, the reference is to be read as a reference to the earnings of the company to the extent that those earnings were for work executed for E by W on behalf of the company;
 - (b) a reference in this Act to a worker were a reference to W.
- (7) E or any person on behalf of E, or an insurer of E or any person on its behalf, must not, directly or indirectly, take or receive any money or indemnity from the company or W in respect of any liability of E or the company to pay compensation in respect of W under this Act.

Penalty: \$2 000.
- (8) An indemnity taken or received in contravention of subsection (7) is void.

- (9) Where money is taken or received as described in subsection (7), whether with the consent of the company or W or not, the company or W, as the case requires, may sue and recover the amount of that money from the person who took or received it.
