(2) The Commissioner must permit the Auditor General, or a person appointed by the Auditor General under section 82 of the *Financial Administration and Audit Act 1985*, to have access to any part of the register, and to any documents kept in conjunction with it, that are relevant to an audit or investigation under that Act.

(3) The Commissioner must permit the Parliamentary Commissioner, or a delegate of the Parliamentary Commissioner under section 11 of the *Parliamentary Commissioner Act 1971*, to have access to any part of the register, and to any documents kept in conjunction with it, that are relevant to an investigation under that Act.

(4) The Commissioner must permit a person who is or was a participant to have access to that part of the register, and to any documents kept in conjunction with it, that relate to the person.

(5) If the Commissioner is of the opinion that it is in the interests of the administration of justice to do so, he or she may permit another person to have access to the register or part of the register or to some or all of the documents kept in conjunction with it.

(6) If the Commissioner permits another person to have access under subsection (5), the Commissioner must notify the relevant approved authority (if any) of —

***Division 4 — Protecting and assisting witnesses
and participants***

Commissioner must take action to protect etc.

15. (1) If a witness is included in the SWPP, or is being assessed for inclusion in the SWPP, the Commissioner must take such action as the Commissioner considers necessary and reasonable to protect the witness's safety and welfare while also protecting the safety of police officers.

- (2) That action may include —

 - (b) relocating the witness;
 - (c) providing accommodation for the witness;

- (d) providing transport for the witness's property;

- (f) providing payments to the witness for the purpose of meeting costs associated with relocation;
- (g) providing assistance to the witness in obtaining employment or access to education;
- (h) providing other assistance to the witness with a view to ensuring that the witness becomes self-sustaining; and
- (i) doing other things that the Commissioner considers to be necessary to ensure the safety of the witness.

(3) A police officer who, with permission given under subsection (2) (a), uses an assumed name or carries documentation supporting an assumed name does not by doing so commit an offence under a written law.

Action as to obligations etc. of a participant

16. (1) If a participant has any outstanding rights or obligations or is subject to any restrictions, the Commissioner must take such steps as are reasonably practical to ensure —

- (a) that those rights or obligations are dealt with according to law; or
- (b) that the participant complies with those restrictions.

(2) That action may include —

- (a) providing protection for the participant while the participant is attending a court; or
- (b) notifying a party, or possible party to legal proceedings, that a police officer nominated by the Commissioner is, on behalf of the participant, to be served with any process issued by a court.

- (a) avoid obligations that were incurred before the new identity was established; or
- (b) avoid complying with restrictions that were imposed on the person before the new identity was established,

the Commissioner must give notice in writing to the participant stating that he or she is so satisfied.

(4) The notice must also state that, unless the participant satisfies the Commissioner that the obligations will be dealt with according to law or the restrictions will be complied with, the Commissioner will take such action as he or she considers necessary to ensure they are dealt with according to law or complied with.

(5) That action may include informing a person who is seeking to enforce rights against the participant of the details of any property (whether real or personal) owned by the participant under his or her former identity.

(6) Where notice is given under subsection (2) (b), service of any process on the nominated police officer is to be taken as good service for the purpose of any written law.

Commercial arrangements for benefit of participant

17. This Act does not prevent the Commissioner from making commercial arrangements with a person under which a participant is able to obtain benefits under a contract or arrangement without revealing his or her former identity.

Identity documents in urgent cases

18. (1) If the Commissioner is of the opinion that —
- (a) in order to protect the safety and welfare of a person who is a participant, or a witness being assessed for inclusion in the SWPP, documents showing a new identity for the person are needed urgently for a limited time; and
 - (b) there is insufficient time within which to obtain a new identity for the person by means of a deed poll or a licence under the *Change of Names Regulation Act 1923* or a new identity order under Division 5,

the Commissioner, by a written notice given to a prescribed authority, may request the prescribed authority to issue any documents that are reasonably necessary to show the new identity (such as a licence, permit, certificate, authority, approval or exemption) and to make any necessary entries in a prescribed register.

- (2) The Commissioner must not request documentation for a person that represents the person —
- (a) to have qualifications that the person does not have; or
 - (b) to be entitled to benefits to which the person would not be entitled if he or she were not included in the SWPP.

(3) A prescribed authority that receives a written request under subsection (1) must comply with it.

(4) As soon as practicable after making a request under subsection (1), the Commissioner must either obtain a new identity for the person by means of a deed poll or a licence under the *Change of Names Regulation Act 1923* or a new identity order under Division 5, or have the documents issued pursuant to the request returned.

(5) At any time the Commissioner, by a written notice given to the person, may direct the person to return such documents to the Commissioner.

(6) A person who receives a written notice under subsection (5) must comply with it within 7 days after receiving it.

Penalty: \$1 000.

(7) If the Commissioner gives such a written notice the Commissioner must notify any prescribed authority that was given a request under subsection (1) accordingly and request the authority to cancel any documents issued, and any entries made in a prescribed register, pursuant to the request.

(8) The issue or cancellation of a document pursuant to a request made under this section has effect as if it were validly done under the written law that provides for the issue of the document.

(9) The making or cancellation of an entry in a prescribed register pursuant to a request made under this section has effect as if it were validly done under the written law that requires the register to be kept.

Division 5 — New identity orders

Interpretation

19. In this Division —

“**new identity order**”, in relation to a person, means an order directing —

- (a) the Registrar General to make a new entry in the register of births kept under the *Registration of Births, Deaths and Marriages Act 1961* in respect of the person;
- (b) a person specified in the order, who under a written law is empowered to issue a document (such as a licence, permit, certificate, authority, approval or exemption) or to keep a record or register of information, to issue a new document in respect of the person or to make a new entry in such a record or register in respect of the person,

so as to give the person a new identity.

Application to Supreme Court

20. (1) The Commissioner may apply to the Supreme Court for a new identity order in respect of a participant or, in accordance with section 26, for an order under section 22 in respect of a former participant.

(2) An approved authority (other than an approved authority that is an authority or body of this State) may apply to the Supreme Court —

- (a) for a new identity order in respect of person who is included in a witness protection program established under a complementary witness protection law; or

- (b) for an order under section 22 in respect of a person who has ceased to be included in such a witness protection program.

Supreme Court may make order

21. (1) On an application under section 20, the Supreme Court may make a new identity order in respect of a person if the Court is satisfied —

- (a) that the person is a participant or a person who is included in a witness protection program established under a complementary witness protection law (as the case may be);
- (b) that it is necessary to change the person's identity to protect the person's safety and welfare;
- (c) that a change of the person's name by deed poll or by licence under the *Change of Names Regulation Act 1923* or by any other lawful means would not afford adequate protection for the person's safety and welfare; and
- (d) that the person is likely to comply with the memorandum of understanding entered into by or on behalf of the person.

(2) A new identity order may specify such persons referred to in paragraph (b) of the definition of "new identity order" as the Court thinks fit.

(3) A new identity order must not direct the issuing of any document that represents the person concerned —

- (a) to have qualifications that the person does not have;
or

- (b) to be entitled to benefits to which the person would not be entitled if he or she were not included in a witness protection program.

(4) On making a new identity order, the Court may order the person concerned to give the Commissioner any documents relating to the person's former identity.

Supreme Court may order former identity to be restored

22. On an application under section 20 the Supreme Court may make such orders as are necessary to cancel the new identity given to a person under a new identity order, to restore the person's former identity and to secure the return to the Commissioner of any document issued in respect of the person under the new identity order.

Proceedings to be in private

23. (1) All proceedings in the Supreme Court on an application under this Division must be conducted in the absence of any person not directly concerned in the proceedings.

(2) Except as authorized by a judge of the Supreme Court, no person may inspect the records of proceedings in the Court on an application under this Division.

Effect of actions done under order

24. (1) The making or cancellation of an entry in the register of births kept under the *Registration of Births, Deaths and Marriages Act 1961*, or in any other register or record, pursuant to a new identity order or an order under section 22 (as the case may be) has effect as if it were validly done under the written law requiring the register or record to be kept.

(2) The issue or cancellation of a document under a written law pursuant to a new identity order or an order under section 22 (as the case may be) has effect as if it were validly done under that written law.

Division 6 — Terminating protection and assistance

Commissioner may terminate protection

25. (1) Protection and assistance provided under the SWPP to a participant must be terminated by the Commissioner if the participant requests in writing that it be terminated.

(2) Protection and assistance provided under the SWPP to a participant may be terminated by the Commissioner if —

- (a) the participant commits an offence against the law of this State or elsewhere;
- (b) the participant breaches a term of the memorandum of understanding;
- (c) the Commissioner discovers that the participant has knowingly given information to him or her that is false or misleading in a material particular;
- (d) the participant's conduct or threatened conduct is, in the opinion of the Commissioner, likely to prejudice the effectiveness or security of the SWPP;
- (e) the circumstances that gave rise to the need for protection and assistance for the participant cease to exist;
- (f) the participant breaches an undertaking, including an undertaking to give evidence, given to this State, the Commonwealth, another State or a Territory in relation to a matter relevant to the SWPP;

- (g) the participant refuses or fails to sign a new memorandum of understanding when required to do so under section 11 (7); or
- (h) there is, in the opinion of the Commissioner, no reasonable justification for the participant to remain in the SWPP,

and the Commissioner is of the opinion that, in the circumstances of the case, the protection and assistance should be terminated.

(3) Before terminating the protection and assistance provided to a participant under subsection (2) the Commissioner must take reasonable steps to notify the participant and allow the participant to make representations to the Commissioner about the matter.

(4) If the Commissioner terminates the provision of protection and assistance to a participant, he or she must notify the participant and the relevant approved authority (if any) of the decision.

(5) If under subsection (2) the Commissioner terminates the provision of protection and assistance to a participant, he or she must give the participant written reasons for doing so.

(6) If the Commissioner terminates the provision of protection and assistance to a participant, he or she ceases to be a participant.

Restoring a former identity

- 26.** (1) If —
- (a) a participant has been given a new identity under Division 5; and

- (b) the Commissioner terminates the provision of protection and assistance to the participant,

the Commissioner, if he or she considers it appropriate to do so, may apply under Division 5 for orders to restore the former participant's former identity.

(2) An application under Division 5 for orders to restore a former participant's former identity must be served on the former participant who has a right to be heard on the application.

PART 3 — SECRECY AND DISCLOSURE

Duty not to disclose

27. It is the duty of every person who has obtained access to information or a document relevant to the SWPP not to disclose that information or publish that document, except as authorized by the Commissioner or by this Act.

Disclosure of information cannot be compelled

28. (1) Subject to subsection (2) and section 30, no person who is given functions under this Act or under a complementary witness protection law or who, under a Supreme Court order made under Division 5 of Part 2, is required to do anything, shall be compelled —

- (a) to produce to a court any document that is in the custody or control of the person as a result of performing those functions or complying with the order; or
- (b) to disclose to a court any information obtained as a result of performing those functions or complying with the order that —
 - (i) may prejudice the effectiveness or security of a witness protection program; or
 - (ii) may identify a person as a person who is or was included in a witness protection program or the location or circumstances of such a person.
