- (e) the chief executive officer has referred the case of the prisoner to the Board for consideration whether a work release order should be made.

(3) A work release order must not be made by the Board except with the prior approval of the Governor in respect of a prisoner who is—

- (a) undergoing strict security life imprisonment;
- (b) in strict custody;
- (c) in safe custody;

#### Sentence deemed served

50Y. If—

the prisoner shall be regarded as having served the term of imprisonment to which the work release order relates and by force of this section is wholly discharged from that imprisonment, but until the prisoner is discharged from the sentence of imprisonment, the prisoner, while released on the work release order, shall be regarded as being still under sentence for the offence to which the work release order relates and as not having suffered the punishment required under the sentence.

(5) Where the Board cancels a work release order under this section, the Board must cause notice of the cancellation to be given to the offender including a statement of the Board's reasons for the cancellation.

Breach of condition of work release order

50ZA. (1) If the chief executive officer is satisfied that an offender who is subject to a work release order has failed to comply with a condition of the work release order, the chief executive officer may—

- (b) refer the case for the consideration of the Board; or
- (c) suspend the work release order and refer the case for the consideration of the Board.

(2) Where a work release order is suspended under this section by the chief executive officer for a period of one month or longer or an indefinite suspension extends for a month, the chief executive officer must refer the case for the consideration of the Board.

(3) Where a case is referred under this section to the Board, the Board may, if satisfied that the offender has failed to comply with a condition of the work release order, cancel the work release order.

(4) Where the Board cancels a work release order under this section, the Board must cause notice of the cancellation to be given to the offender, including a statement of the Board's reasons for the cancellation.

Discretionary power of chief executive officer to suspend order

50ZC. The chief executive officer may, in his absolute discretion, suspend the operation of a work release order, but if a work release order is suspended for a period of one month or longer or an indefinite suspension extends for a month, the chief executive officer must refer the case for the consideration of the Board.

Warrant for apprehension on cancellation of work release order

50ZD. (1) If a work release order is cancelled, the Board or a Judge or District Court Judge (including the judicial member of the Board if that member holds office as a Judge or District Court Judge) may, whenever necessary, by warrant authorize any member of the Police Force or other officer to apprehend the offender and return him to prison.

(2) A warrant issued by the Board under subsection (1) may be signed by any 2 members of the Board.

(3) If a work release order is suspended, the chief executive officer may, wherever necessary, by warrant authorize any member of the Police Force or other officer to apprehend the offender and return him to prison.

Effect of cancellation or suspension of work release order

50ZE. (1) Where an offender's work release order is cancelled or suspended, the original warrant of commitment or other authority for his imprisonment or detention from which he was released under the work release order is again in force and except as provided by this section no part of the time between his being so released and his recommencing to serve the unexpired portion of his term of imprisonment or detention shall be regarded as time served in respect of that term or detention.

(2) If a work release order is cancelled and the offender is returned to prison, one-half of the period completed by the offender under the work release order shall be regarded as time served in respect of the term of imprisonment.

(3) In subsection (2), "period completed under the work release order" means the period beginning on the day when the offender was released from prison under the work release order and ending—

- (a) where cancellation or suspension of the work release order is under section 50ZA or 50ZB, on the day of cancellation or, if the work release order was suspended prior to cancellation, on such earlier day as the offender was returned to prison; or
- (b) where cancellation or suspension of the work release order is under section 50Z—
  - (i) on the day on which the offence that brought about the cancellation occurred; or
  - (ii) where the chief executive officer cannot ascertain the day referred to in subparagraph (i), on the latest day on which the offence that brought about the cancellation might have occurred.

(4) If a work release order is suspended and the offender is returned to prison, the period completed by the offender under the work release order shall be regarded as time served in respect of the term of imprisonment, but if during the period of suspension the work release order is cancelled, subsections (2) and (3) shall apply and prevail to the extent of any inconsistency otherwise occurring in relation to this subsection.

#### Power to make more than one work release order

50ZF. The Board may, from time to time, make a work release order under section 50X in respect of a prisoner notwithstanding the cancellation of a work release order or orders made previously in respect of the same term of imprisonment.

(2) Upon receiving a notice under subsection (1) and being satisfied that the payment in default is a payment to which this Part applies, the chief executive officer—

- (a) shall issue to the person in default (in this Part referred to as the offender) a work and development order subject to the terms and conditions applicable to such orders under this Part and the *Community Corrections Centres Act 1988*; and

Extension of work and development order

171AC. (1) Where a work and development order has been issued to an offender under section 171AA or 171AB, the offender may, by notice in writing given to a community corrections officer,

advise the officer that there are additional payments in respect of which the offender is in default whether such payments arise from a court of petty sessions held at a place specified for the purposes of section 171AI or from some other court of petty sessions.

(2) Upon receiving a notice under subsection (1) the community corrections officer shall cause enquiries to be made to confirm details of the additional payments in default referred to by the offender and at any time while the offender is subject to a work and development order may amend the order to take into account those additional payments.

#### Effect of a work and development order

171AD. (1) A work and development order is of no effect until the offender to whom it relates signs a declaration in writing that he or she understands the conditions of and the obligations imposed by the order and undertakes to comply with them.

(2) Where a work and development order is issued to an offender, the offender is obliged to participate in a community corrections programme under the *Community Corrections Centres Act 1988* for a period specified in the order and consisting of—

(4) Notwithstanding subsection (2), where the period for which an offender is liable to be imprisoned as ascertained in accordance with subsection (3) for the purposes of subsection (2) amounts to an aggregate of more than 12 months, that period shall for the purposes of subsection (2) (but for no other purpose) be taken to be 12 months and the work and development order shall be issued accordingly.

(5) Notwithstanding sections 157 and 158, upon the issue of a work and development order under this Part and during such period as the work and development order is in force or suspended—

#### Effect of completion of programme

171AE. Where a work and development order is not cancelled during the period that the offender is obliged to participate in a community corrections programme and the offender completes the performance of his obligations under the order, the offender shall be regarded for the purposes of this Act as if the offender had served the period of imprisonment that might have been provided for in a warrant of commitment in respect of the payment in default.

Cancellation of work and development order

171AG. (1) The chief executive officer may, in his absolute discretion, cancel a work and development order by instrument signed by him and if practicable, given to the offender.

(2) Where a work and development order is cancelled during the period that the offender is obliged to participate in a community corrections programme—

(a) the offender shall be regarded for the purposes of this Act as if the offender had served the period of imprisonment for which the offender was liable to be imprisoned in respect of the period during which the offender participated in a community corrections programme prior to cancellation of the work and development order; and

(b) the chief executive officer may issue a warrant of commitment in respect of the remainder of the period of imprisonment for which the offender was liable to be imprisoned after taking into account the period regarded as served under paragraph (a).

(3) A warrant of commitment issued under subsection (2) (b) shall be—

- (a) in the prescribed form;
- (b) directed to all police officers; and
- (c) given effect to as if it were a warrant issued by a justice.

#### Exclusion of rules of natural justice

171AH. The rules known as the rules of natural justice (including any duty of procedural fairness) do not apply to or in relation to the doing or omission of any act, matter or thing under this Part by the chief executive officer.

#### Application of Part

- (b) subject to section 171AC, that arises from a court of petty sessions held at a place specified for the purposes of this section by the Minister by notice published in the *Gazette*.

(2) This Part does not apply to a payment in default if the court of petty sessions directs at the time the fine or other obligation was imposed by that court that a work and development order must not be issued if payment should be in default. ”.
