(2) Subsection (1) (a) does not prohibit the use of wheat on the farm on which the wheat was grown.

(3) A reference in subsection (1) to a permit under section 14 includes, in relation to wheat harvested outside this State, a reference to a permit under the corresponding provision of the Commonwealth Act or a State Act.

Advance  
payments  
for wheat  
of season  
other than  
last  
2 seasons.

17. (1) The Board shall make an interim advance payment determined by the Board in accordance with subsection (2) in respect of wheat of each category of a season acquired before 1 March of that season by the Board under this Act if, at the time when the wheat is so acquired, the guaranteed minimum price for wheat of that category of that season has not been determined.

(2) The amount of an interim advance payment under subsection (1) in respect of wheat of a particular category of a season is an amount calculated at 90% of the preliminary guaranteed minimum price for wheat of that category of that season increased or decreased, as the case may be, by such allowances as the Board considers proper for the matters set out in subsection (5).

(3) The Board shall make a final advance payment determined by the Board in accordance with subsection (4) in respect of wheat of each category of a season acquired by the Board under this Act as soon as practicable after the guaranteed minimum price for wheat of that category of that season has been determined.

(4) The amount of a final advance payment under subsection (3) in respect of wheat of a particular category of a season is an amount calculated at the guaranteed minimum price for Australian standard white wheat of that season increased or decreased, as the case may be, by such allowances as the Board considers proper for the matters set out in subsections (5) and (6).

(5) The following matters are matters for which allowances referred to in subsection (2) or (4) in respect of wheat of a particular category of a season may be calculated—

(a) where the wheat is wheat of a prescribed class of that category—the characteristics of the variety or varieties of wheat included in that class and—

(i) where the wheat was delivered to the Board—the place at which the wheat was so delivered; or

- (ii) in any other case—the place at which, if the wheat had been delivered to the Board, it would, in the opinion of the Board, have been so delivered;
- (b) where the wheat was delivered to the Board—
- (i) charges by the Board in respect of costs of the transport of the wheat to a terminal port from the place at which the wheat was so delivered;
  - (ii) charges by the Board in respect of so much of the cost to the Board of remuneration payable under an agreement in force under the Commonwealth Act by the Board to the authorized receiver to whom the wheat was so delivered as is applicable to the wheat; and
  - (iii) the time of the delivery of the wheat;
- (c) where the wheat was not delivered to the Board—
- (i) charges that the Board would have made if the wheat had been delivered to the Board in respect of the cost of the transport of the wheat from the place at which, in the opinion of the Board, the wheat would have been so delivered to the appropriate terminal port in relation to that place; and
  - (ii) charges by the Board in respect of so much of the cost to the Board of that proportion of the remuneration payable under an agreement in force under the Commonwealth Act by the Board to the authorized receiver at the place referred to in subparagraph (i) that is specified in a notice from

the authorized receiver to the Board under section 28 of this Act as would be applicable to the wheat if the wheat had been delivered to the authorized receiver at that place;

(d) other necessary adjustments.

(6) An additional matter for which allowances referred to in subsection (4) in respect of wheat of a particular category of a season may be calculated is the quality of the wheat.

(7) The power of the Board to determine allowances referred to in subsection (2) or (4) includes a power to determine allowances with respect to some only of the matters set out in subsections (5) and (6) and to determine different allowances with respect to different grades or different prescribed classes of any category of wheat.

(8) Where the price received by the Board under a contract of sale of wheat entered into under section 15 differs from the price that would be the appropriate price for the wheat if the wheat were Australian standard white wheat sold under a contract of sale to which section 23 applied, the amount of an advance payment that would, but for this subsection, be payable under subsection (1) or (3) in respect of the wheat shall—

(a) where the first-mentioned price is less than the second-mentioned price—be reduced by the amount of the difference between the 2 prices; or

(b) where the first-mentioned price exceeds the second-mentioned price—be increased by the amount of the difference between the 2 prices.

(9) The Board may make advances to a person on account of interim advance payments under subsection (1) in respect of wheat of each category of a season.

(10) An interim advance payment under subsection (1) in respect of wheat shall be reduced by an amount equal to the aggregate of—

- (a) the amount of any advance under subsection (9); and
- (b) the amount of any advance payment made by the Board under the Wheat Marketing Act 1979,

in respect of that wheat.

(11) A final advance payment under subsection (3) in respect of wheat shall be reduced by the amount of any interim advance payment under subsection (1) in respect of that wheat.

(12) An advance payment in respect of wheat of a category of a season under subsection (1) or (3)—

- (a) may be paid as a lump sum on, or as soon as practicable after, delivery of the wheat to the Board; or
- (b) if the Board and the person to whom the payment is to be made agree, may be paid at such later time as is, or may comprise 2 or more payments to be made at such later times as are, determined by agreement between the Board and that person, and shall be paid on such conditions (including conditions relating to the payment to that person of interest on the amount of the advance payment that is from time to time unpaid) as are so determined.

(13) The Board shall not enter into an agreement of a kind referred to in subsection (12) (b) with a person in relation to an advance payment under this section in respect of wheat of a particular category of a season on conditions that are inequitable as regards other persons who have received, or will receive, advance payments under this section in respect of wheat of that category of that season.

## (14) Where—

- (a) wheat is delivered to the Board at a particular place on a day (in this subsection referred to as the “delivery day”) within a prescribed period in relation to that place;
- (b) the wheat was available for delivery on the prescribed day in relation to that place; and
- (c) an interim advance payment under subsection (1) is payable in respect of the wheat,

the Board may, in calculating an allowance for the matter referred to in subsection (5) (b) (iii), include an amount equal to the amount of interest that the person to whom the interim advance payment is payable would have received if that person—

- (d) had delivered the wheat to the Board on the prescribed day; and
- (e) had, on that day, entered into an agreement under subsection (12) (b) providing for the payment of the whole of the interim advance payment on the delivery day.

(15) The obligations of the Board under this section in respect of any wheat are subject to the operation of the Wheat Tax Acts.

## (16) In this section—

“prescribed class”, in relation to wheat of a particular category, means a class determined from time to time by the Minister of wheat of that category, being a class so determined by reference to a variety or varieties of wheat, whether or not it is also so determined by reference to another criterion or other criteria;

“prescribed day”, in relation to the delivery of wheat to the Board at a particular place, is the day on which, in the opinion of the Minister, wheat would normally become available for delivery at that place;

“prescribed period”, in relation to a particular place, means the period of 12 weeks commencing on the expiration of the period of 2 weeks after the prescribed day in relation to that place;

“season” does not include the season commencing on 1 July 1989 or the next succeeding season.

18. (1) Where the net pool return rate for wheat of a season or, in the case mentioned in subsection (2) (c), the aggregate of that rate and the freight allowance, exceeds the guaranteed minimum price for Australian standard white wheat of that season, the Board shall make a final payment of an amount determined in accordance with subsection (2) for Australian standard white wheat of that season acquired by the Board under this Act.

Final  
payment for  
wheat of  
season other  
than last  
2 seasons.

(2) Subject to subsection (7), the Board shall determine an amount payable under subsection (1) in respect of Australian standard white wheat of a season by—

- (a) calculating the amount that the final advance payment under section 17 in respect of that wheat would have been if—
  - (i) the reference in section 17 to the guaranteed minimum price for Australian standard white wheat of that season were a reference to the net pool return rate for wheat of that season;

- (ii) the net pool return for that season were reduced by an amount (if any) equal to the amount, or the sum of the amounts, deducted by the Board from the disposal of wheat of that season and paid into a reserve account under section 7 of the Commonwealth Act; and
- (iii) the net pool return for that season were adjusted to take into account the result of any contract or dealing of the kind referred to in section 16 (2) (d) (i) of the Commonwealth Act that was entered into or that took place in relation to that season;
- (b) deducting from the amount calculated in accordance with paragraph (a) the amount of the final advance payment under section 17 in respect of that wheat; and
- (c) where the wheat was grown in this State and acquired by the Board in this State, adding the freight allowance to the amount ascertained under paragraph (b).

(3) For the purpose of determining whether or not to make a final payment for wheat of a prescribed category of a season acquired by the Board under this Act, the Board shall make a calculation in accordance with subsection (4) in relation to wheat of that category of that season, and, where the amount per tonne for that wheat calculated in accordance with that subsection or, in the case mentioned in paragraph (c), the aggregate of that amount and the freight allowance, is a positive amount, the Board shall make a final payment per tonne for that wheat of an amount calculated by—

- (a) taking the aggregate of that positive amount and the guaranteed minimum price for wheat of that category of that season;

- (b) deducting from that aggregate the amount per tonne of the final advance payment under section 17 in respect of that wheat;  
and
  - (c) where the wheat was grown in this State and acquired by the Board in this State, adding the freight allowance to the amount ascertained under paragraph (b).
- (4) For the purposes of the application of subsection (3) in relation to wheat of a prescribed category of a season—
- (a) the guaranteed minimum price for Australian standard white wheat of that season shall be deducted from the net pool return rate for wheat of that season; and
  - (b) where—
    - (i) the gross return per tonne for wheat of that category of that season does not exceed the gross return per tonne for Australian standard white wheat of that season—the amount per tonne of the final difference in relation to wheat of that category shall be deducted from the amount per tonne of the original difference in relation to wheat of that category and the amount so obtained shall be added to the amount calculated in accordance with paragraph (a); and
    - (ii) the gross return per tonne for wheat of that category of that season exceeds the gross return per tonne for Australian standard white wheat of that season—the amount per tonne of the original difference referred to in subparagraph (i) shall be deducted from the amount per tonne of the final difference referred to in that subparagraph and the

amount so obtained shall be added to the amount calculated in accordance with paragraph (a).

(5) In subsection (4)—

“final difference”, in relation to wheat of a prescribed category, means the difference between—

- (a) the gross return per tonne for wheat of that category; and
- (b) the gross return per tonne for that wheat that would, in the opinion of the Board, have been received by the Board from the disposal of that wheat if that wheat had been Australian standard white wheat sold at the same times and in the same quantities as that wheat was sold;

“original difference”, in relation to wheat of a prescribed category, means the difference that was calculated for the purposes of section 15 (3) (b) of the Commonwealth Act between the gross return per tonne, and the notional gross return per tonne, for wheat of that category.

(6) Where, in relation to wheat of a season grown in this State and acquired by the Board in this State, a final payment is not provided for by subsection (1) or (3), the Board shall make a final payment per tonne for that wheat of an amount equal to the freight allowance.

(7) An amount payable under this section in respect of wheat of a season to a person who has purchased a quantity of wheat of that season (in

this subsection referred to as the “purchased quantity of wheat”) from the Board in accordance with section 23 (8) shall be calculated in accordance with the formula—

$$A = \frac{AB}{C},$$

where—

A is the amount that, but for this subsection, would be the amount required to be paid by the Board to the person under this section in respect of that season;

B is the purchased quantity of wheat; and

C is the total quantity of wheat of that season acquired by the Board from the person under this Act.

(8) The Board may make advances on account of final payments under this section.

(9) For the purposes of calculating the amount referred to in subsection (2) (a) in respect of Australian standard white wheat of a season, the amount of the final advance payment under section 17 in respect of that wheat shall be increased or decreased, as the case may be, by the same amount of allowances in respect of the matters referred to in section 17 (5) and (6) as the amount of that final advance payment was increased or decreased.

(10) For the purposes of this section, the net pool return rate for wheat of a season shall be calculated as if the net pool return for that season were calculated taking into account the adjustments referred to in subsection (2) (a) (ii) and (iii).

(11) For the purposes of this section—

(a) “the freight allowance” in relation to wheat of a season means an amount per tonne at a rate calculated by dividing the amount determined under section 16 (1) (b) (ii) of the Commonwealth Act in ascertaining the net pool return for wheat of that season

by a number equal to the number of tonnes of wheat of that season grown in this State and acquired by the Board in this State;

- (b) "season" does not include the season commencing on 1 July 1989 or the next succeeding season;
- (c) wheat shall be deemed to have been acquired by the Board in this State if—
  - (i) it is delivered to the Board in this State; or
  - (ii) it is sold by the Board under section 15.

Adjustments  
for allow-  
ances made  
under  
section 17.

19. (1) In this section, "adjusted advance payment", in relation to a person who has received a final advance payment under section 17 (3) in respect of a season, means, subject to subsection (2), the amount that, in the opinion of the Board, would have been the amount of the final advance payment made to that person under that subsection in respect of that season if the amount of that payment had been calculated at the time when the amount of allowances for the matters referred to in section 17 (5) and (6) in relation to that person could be finally ascertained.

(2) The amount of an adjusted advance payment under this section in respect of wheat sold under a contract entered into by a person under section 15 shall be determined as if the amount of allowances for the matter referred to in section 17 (6) were the same as the amount of allowances for that matter calculated for the purpose of determining the amount of the final advance payment under section 17 (3) in respect of that wheat.

(3) The amount of the adjusted advance payment for a season in relation to a person who has purchased a quantity of wheat of that season

from the Board in accordance with section 23 (8) shall be adjusted by such allowances as the Board considers proper for the quality of wheat of that season acquired by the Board from the person under this Act compared to the quality of the wheat so purchased by the person from the Board, having regard to allowances that were taken into account by the Board in determining the price for the wheat so purchased.

(4) Where the adjusted advance payment in relation to a person in respect of a season is greater than the amount of the final advance payment made to the person under section 17 (3) in respect of that season, the Board shall pay to the person an amount equal to the difference between that adjusted advance payment and the amount of that final advance payment.

(5) Where the amount of the final advance payment made to a person under section (17) (3) in respect of a season is greater than the adjusted advance payment in relation to the person in respect of that season, the person is liable to pay to the Board an amount equal to the difference between the amount of that final advance payment and that adjusted advance payment.

(6) The Board may deduct the whole or a part of an amount payable by a person to the Board under subsection (5) or the corresponding provision of the Wheat Marketing Act 1979, from an amount payable by the Board to the person under section 17, 18 or 20 or a corresponding provision of the Commonwealth Act, the former Commonwealth Act, or of a State Act or of the Wheat Marketing Act 1979.

(7) An amount payable by a person to the Board under subsection (5) is a debt due by the person to the Board and may be recovered as a debt due to the Board by action against the person in a court of competent jurisdiction.

(8) The Board may make advances on account of payments under subsection (4).

(9) Where a person has received final advance payments under section 17 (3) in respect of 2 or more categories of wheat of a season, a reference in this section to the amount of the final advance payment received by the person shall be read as a reference to the aggregate of the amounts of those final advance payments.

Payment in lieu of payment under section 18.

20. (1) A person may, at any time after payment to the person of a final advance payment under section 17 in respect of wheat and before payment of a final payment under section 18 in respect of the wheat, apply to the Board for a payment under this section in respect of the wheat.

(2) Where a person to whom a final advance payment under section 17 has been made dies, an application may be made under subsection (1) by the trustee of the estate of the person.

(3) An application under subsection (1) shall be in accordance with a form approved by the Board.

(4) Subject to this section, the Board shall grant each application under subsection (1).

(5) The Board shall not grant an application under subsection (1) in respect of wheat where, in the opinion of the Board, the amount of the final payment under section 18 in respect of the wheat cannot reasonably be estimated or no final payment under that section is likely to be made.

(6) The Board may refuse to grant an application under subsection (1) in respect of wheat if the Board proposes to make a final payment under section 18 in respect of the wheat within 3 months after the receipt by the Board of the application, but, if at the expiration of that 3 months the Board has not made such a final payment, the Board shall, subject to subsection (5), grant the application.

(7) A person to whom a payment is made under this section in respect of wheat is not entitled to a final payment under section 18 in respect of the wheat.

(8) The amount of a payment in respect of wheat of a season under this section shall be an amount estimated by the Board of the amount of the final payment that would, if the first-mentioned payment were not made, be payable to the person under section 18 reduced by such amount as the Board considers proper having regard to—

- (a) the cost to the Board of borrowing moneys for the purpose of making payments under this section in respect of wheat of that season;
- (b) the administrative costs incurred by the Board in dealing with the application; and
- (c) such other factors as the Board considers relevant.

21. (1) In this section, “season to which this section applies” means the season commencing on 1 July 1989 or the next succeeding season.

Payment  
for wheat  
of last 2  
seasons.

(2) Where any wheat of a season to which this section applies is acquired by the Board under this Act, the Board shall pay for that wheat an amount determined by the Commonwealth Minister equal to the amount that would be determined by the Commonwealth Minister in accordance with section 30 (3) of the Commonwealth Act in respect of that wheat if that wheat were wheat to which section 30 of the Commonwealth Act applied or, where the wheat was grown in this State and acquired by the Board in this State, by adding to the amount that would be so determined the freight allowance that would be applicable in relation to that wheat under section 18 if that section applied to the season.

(3) The Board may, with the approval of the Commonwealth Minister, make advances on account of payments referred to in subsection (2).

(4) The obligation of the Board under this section in respect of any wheat is subject to the operation of the Wheat Tax Acts.

(5) Section 18 (11) (a) and (c) apply for the purposes of this section.

Payment  
by Board.

22. (1) Subject to subsections (4) and (5) and to any other law to which the Board is subject, an amount payable under section 17, 18, 19, 20 or 21 in respect of any wheat is payable to the person who would have been entitled to receive the price of the wheat if the wheat had been lawfully sold to the Board at the time of the acquisition of the wheat by the Board.

(2) The same rights (if any) exist against the person receiving an amount paid by the Board under section 17, 18, 19, 20 or 21 in respect of wheat as would exist if the moneys so paid were the proceeds of a sale or purported sale of the wheat by the person, and any such rights may be enforced by action in any court that would have had jurisdiction if the moneys were the proceeds of such a sale or purported sale.

(3) Payment in good faith by the Board of any moneys payable under this Act to the person appearing to the Board to be entitled to receive them discharges the Board from any further liability in respect of those moneys.

(4) An assignment of moneys payable by the Board in respect of wheat delivered to the Board (not including a registered crop lien) is voidable at the instance of the Board.

(5) An assignment of moneys payable by the Board in respect of wheat delivered to the Board, being a registered crop lien, is voidable at the instance of the Board unless and until notice in writing of the registration of the lien has been furnished to the Board by the holder of the lien.

23. (1) The price at which, during a season, the Board shall, by a contract made in the State (other than a contract entered into under section 15), sell wheat for use in Australia is the appropriate price that is applicable in accordance with this section.

(2) Subject to subsection (5), during a quarter (in this subsection referred to as the "relevant quarter") the price per tonne of Australian standard white wheat in bulk sold free on rail at a port of export for human consumption in Australia is such price as is determined by the Commonwealth Minister, or by a person authorized in writing by the Commonwealth Minister, as the case may be, for the purposes of section 32 (2) of the Commonwealth Act with respect to the relevant quarter.

(3) Subject to subsections (4) and (5)—

(a) the price for Australian standard white wheat in bulk sold free on rail at a port of export for a use (in this section referred to as the "relevant use") in Australia that is a stockfeed use is such price as is determined from time to time by the Board in respect of the relevant use; and

(b) the price for Australian standard white wheat in bulk sold free on rail at a port of export for a use (in this section also referred to as the "relevant use") in Australia that is an industrial use is such price as is determined from time to time by the Board in respect of the relevant use.

(4) A price determined for a relevant use under subsection (3)—

(a) shall not vary as between wheat at one port of export and wheat at another port of export; and

(b) shall be the same as any corresponding price determined by the Board under a provision of the Commonwealth Act or of a State Act that corresponds to subsection (3).

(5) There shall be added to a price determined under subsection (2) or (3) such amount as the Commonwealth Minister determines from time to time under section 32 (5) of the Commonwealth Act.

(6) The price in respect of wheat that is not Australian standard white wheat in bulk sold free on rail at a port of export is such price as the Board determines by adding to, or deducting from, the price that would be applicable to the wheat if it were Australian standard white wheat in bulk sold free on rail at a port of export an amount by way of allowances in respect of the quality of the wheat, the conditions of sale and the place of delivery of the wheat.

(7) The Board may discount a price for wheat sold by the Board other than for human consumption on the basis of the quantity of wheat so sold.

(8) The price for Australian standard white wheat in bulk, being wheat of a season sold free on rail at a port of export before the final purchasing day for that season to a person who has delivered wheat of that season to the Board for a stockfeed use by the person in Australia, is the price determined from time to time by the Board to be an equitable price in respect of the sale of wheat of that season to the person in respect of that stockfeed use, being a price that is not less than the price per tonne paid to the person by the Board under section 17 (3) for wheat of that season increased or decreased by such allowances as the Board considers proper for—

- (a) the costs incurred by the Board in handling and storing that wheat before it is sold to the person;
- (b) any costs incurred by the Board in delivering that wheat to the person; and
- (c) other necessary adjustments.

(9) The Board may, in determining a price in respect of the sale of wheat of a season under subsection (8) to a person who has delivered wheat of that season to the Board, make allowances for the quality of the wheat sold to the person under that subsection compared to the

quality of the wheat of that season delivered by the person to the Board.

(10) For the purposes of subsection (8), wheat shall be taken to be sold to a person for a stockfeed use by the person if it is sold to the person for a stockfeed use—

- (a) by the person at the farm at which the wheat of that season that was delivered to the Board by the person was harvested; or
- (b) by the person or by another person at an associated farm approved by the Board.

(11) The Board shall not sell to a person under subsection (8) a total amount of wheat of a season that is greater than the total amount of wheat of that season delivered to the Board by the person.

(12) Where a person other than the Board exports wheat products containing any wheat sold by the Board under this section, the Board shall, on application made to it by the person, refund to the person an amount equal to the aggregate of—

- (a) the amount referred to in subsection (5) that was applicable in relation to the wheat at the time when the wheat was sold by the Board; and
- (b) the amount (if any) determined by the Commonwealth Minister under section 32 (2) (b) of the Commonwealth Act that was applicable in relation to the wheat at the time when the wheat was sold by the Board.

(13) An application under subsection (12) shall be in accordance with a form approved by the Board.

(14) In this section—

“associated farm” has the same meaning as in section 13;

“final purchasing day”, in relation to a season, means the day that is the final purchasing day in relation to that season under section 32 of the Commonwealth Act;

“quarter” means a period of 3 months commencing on any 1 January, 1 April, 1 July or 1 October;

24. (1) Subject to this section, the Board shall keep a separate account of—

(a) moneys received by the Board by reason of the inclusion in the price for a sale of wheat to which section 23 applies of an amount referred to in section 23 (5); and

(b) payments made out of those moneys,  
and the Board shall not apply those moneys except in accordance with this section.

(2) The Board may combine the account required to be kept under subsection (1) with any similar account or accounts to be kept by it under the Commonwealth Act or a State Act.

(3) The Board shall use the moneys referred to in subsection (1) in meeting the costs of shipment of wheat by the Board to a port in Tasmania, and shall not use for that purpose any other moneys derived by it from the sale of wheat acquired by it under this Act.

(4) The Board shall not meet any costs of shipment of wheat under subsection (3) to the extent that those costs exceed the costs of shipment of that wheat from whichever of the following ports in Victoria the costs of that shipment are lower—

(a) Geelong;

(b) Portland.

(5) Any moneys referred to in subsection (1) that are not, and in the opinion of the Board are not likely to be, required for the purpose of payments under subsection (3) shall be applied by the Board for the benefit of the wheat industry in such manner as the Commonwealth Minister, after consultation with the appropriate Minister of each State, directs.

(6) Any moneys referred to in section 23 (1) of the Wheat Marketing Act 1979, as continued in force by section 31 of this Act, that remain unexpended after the Board has made the final payment required to be made under section 23 (3) of that Act shall be deemed to be moneys referred to in subsection (1) of this section.

(7) In relation to sales of wheat by the Board for shipment to a port in Tasmania in respect of which the Board bears the cost of shipment, the Board shall take such measures as are practicable to obtain recoupment of the cost of the shipment in respect of such of that wheat as is used in the production in Tasmania of wheat products that are sent to other States for use in Australia, and may include in any contracts made by the Board provisions for that purpose.

(8) Any moneys received by the Board in accordance with subsection (7) by way of recoupment of costs of shipment shall be deemed to be moneys referred to in subsection (1).

(9) In this section—

- (a) a reference to the costs of shipment of wheat includes a reference to the costs of unloading the wheat; and
