Division 3 — Special export licence

29. Special export licence

- (3) If the Authority decides under subsection (2)(b) that the main export licence holder's price incorporates a premium of that kind —
 - (a) the Authority is required to consult the main export licence holder before granting the special export licence; and
 - (b) the Authority cannot grant the special export licence if it considers that to do so would be likely to affect the premium to an extent that the Authority considers to be significant.
- (4) Before deciding whether to grant any special export licence, the Authority is to consider the effect, if any, that granting the licence would be likely to have on the State's reputation as a grain exporter and on the State's grain industry generally.

 - (c) how grain bought or exported under the licence may be described.
- (3) The Authority may, by notice in writing to the holder of a special export licence, vary or revoke any condition of the licence or impose any new condition.
- (4) A power given by subsection (3) may be exercised by the Authority, at any time, at the request of the licence holder or of its own motion.

34. Matters to be specified in special export licence

A special export licence is to specify, in addition to the grain and the market that are required by section 29 to be specified —

- (2) The notice of cancellation is to specify the time when the cancellation takes effect and the reasons for cancellation.
- (3) The main export licence cannot be cancelled except as directed by the Minister.
- (4) Unless the decision to cancel the licence is reversed under section 40 or its effect is postponed by that section, the cancellation has effect from the time specified in the notice.

38. Licence fees

- (1) If the Authority decides to grant a licence, before it does so the person to whom it is to be granted is required to pay to the

Authority the fee prescribed by the regulations for the grant of the licence.

- (2) Subsection (1) does not apply to the first main export licence referred to in section 27.
- (3) The holder of a licence must pay to the Authority any other relevant licence fee prescribed by the regulations.
- (4) An employee of the Department authorised in writing by the executive officer of the Authority may recover any outstanding licence fee in a court of competent jurisdiction as a debt due from the holder of the licence to the State.

- (2) A person who is aggrieved by a licensing decision may, within 30 days after receiving notice of the decision, appeal to the Minister against the decision by giving the Minister a notice of appeal in accordance with subsection (3).
- (3) The notice of appeal is to be in writing and set out the grounds of appeal and any representations that the appellant wishes to make in support of the appeal.

- (4) If the appeal is against the cancellation of a licence, the time when the cancellation has effect is postponed until the appeal is dealt with or withdrawn, and the time specified in the notice of cancellation may be varied when dealing with the appeal.
- (5) The Minister may determine the appeal by confirming, varying, or reversing the decision of the Authority.
- (6) The Minister's determination is final and the Authority is to give effect to that determination.
- (7) The Minister shall, as far as is practical, make his determination on the appeal within 30 days of having received a notice of appeal in accordance with subsection (3).
- (8) The Minister is to cause notice of his or her determination, together with reasons for it, to be given to the appellant within 7 days after it is made.
