- (b) deducting from the amount so ascertained an amount determined by the Board having regard to the extent to which freight charges in respect of the export of wheat of that season from this State to places outside Australia are lower than freight charges in respect of the export of wheat of that season from other places in Australia to places outside Australia, but not exceeding an amount calculated at the rate of ninety-two cents per tonne of the wheat of that season exported from this State to places outside Australia;
- (c) ascertaining the share in the remaining amount of each person entitled to payment under this section by apportioning that remaining amount amongst the persons who delivered wheat of that season to the Board in Australia (whether in pursuance

of this Act or otherwise) on the basis of the quantity of wheat so delivered by each such person, with proper allowance for differences in the quality of wheat and for charges by the Board in respect of costs of the transport of wheat to terminal ports from places at which wheat has been delivered to the Board, corn sacks in which wheat was supplied to the Board, additional costs incurred by the Board in the handling and storage of wheat delivered to the Board in corn sacks and other necessary adjustments in particular cases; and

- (d) adding to the share, ascertained under paragraph (c) of this subsection, of each person who delivered to the Board, in this State, wheat of that season grown in this State an amount per tonne of the wheat so delivered by him calculated by dividing the amount deducted under paragraph (b) of this subsection by a number equal to the number of tonnes of wheat of that season grown in this State and delivered to the Board in this State.

(3) The Board is not bound to make a final payment in respect of wheat of a season until it has disposed of the whole of the wheat of that season delivered to it in Australia (whether in pursuance of this Act or otherwise), but the Board may, with the approval of the Commonwealth Minister, make from time to time such advance payments as it considers justified.

(4) Subject to this section and to section 20, the net proceeds of the disposal of wheat of a season shall, for the purposes of this section, be deemed to be the net return from the disposal of that wheat (including corn sacks in which the wheat was sold) after deducting—

- (a) any charge imposed by the Wheat Export Charge Act 1974 of the Parliament of the Commonwealth in relation to wheat of that season; and

(b) costs incurred by the Board, to the extent that they relate wholly to wheat of that season or are reasonably allocated by the Board to wheat of that season and will not be covered by charges referred to in paragraph (c) of subsection (2) of this section.

(5) In ascertaining the net proceeds of the disposal of wheat of a season—

(a) moneys received by the Board under a policy of insurance in respect of wheat of that season, or in respect of a transaction in relation to any such wheat, shall be deemed to be a return from the disposal of that wheat;

(b) amounts paid by the Board in respect of expenses referred to in subsection (3) of section 40 of the Commonwealth Act shall be deemed to be costs referred to in subsection (4) of this section;

(c) there shall be taken into account such of the payments made or received by the Board in accordance with subsection (3) of section 17 of the Commonwealth Act as the Board considers may equitably be related to wheat of that season;

(d) no account shall be taken of moneys to which section 22 or a corresponding provision of the Commonwealth Act, or of an Act of another State, applies or of costs of the Board payable out of those moneys; and

(e) there shall be taken into account payments made to the Board in accordance with subsection (2) of section 18 of the Commonwealth Act in relation to wheat of that season.

(6) The costs referred to in paragraph (b) of subsection (4) of this section include costs paid or reimbursed by the Board in connection with the administration of a law of a State relating to wheat quotas.

(7) The obligation of the Board under this section in respect of any wheat is subject to the operation of section 8 of the Wheat Tax Act 1957-1973 of the Parliament of the Commonwealth.

Quota  
seasons.

16. (1) In relation to a quota season, or a season that is not a quota season but immediately follows a quota season, section 15 has effect as if references in that section to wheat of a season were references to wheat included in the pool for that season in accordance with this section.

(2) For the purposes of this section, "quota wheat", in relation to a quota season (in this subsection referred to as "the relevant season") means wheat of the relevant season delivered to the Board in the relevant season, or wheat of an earlier quota season delivered to the Board in the earlier quota season but not included in the pool for that season, or delivered to the Board in the relevant season, being in either case—

- (a) wheat which appears from the records of the Board to be part of a quota allocated, in respect of the relevant season, to the State in which it was delivered under arrangements between the Government of the Commonwealth and the Governments of the States relating to wheat quotas; and
- (b) if, under the law of the State in which the wheat was delivered relating to wheat quotas, quotas have been allocated to individual persons in respect of the relevant season, wheat which appears from the records of the Board to be the whole or a part of a quota applicable in respect of the relevant season to a person under that law,

and, for the purposes of this subsection, the Australian Capital Territory shall be deemed to be part of the State of New South Wales and the Northern Territory shall be deemed to be part of such State as is prescribed by the regulations under the Commonwealth Act.

(3) The pool for a quota season (in this subsection referred to as "the relevant season") consists of the following wheat delivered to the Board (whether in pursuance of this Act or of a law of the Commonwealth or of another State)—

- (a) wheat which is quota wheat in relation to the relevant season;

- (b) any other wheat of the relevant season or of an earlier quota season delivered in the relevant season that is declared by the Board to have been sold by the Board, by way of export sale or sale for export, at a premium on the price of Australian standard white wheat, and paid for in full, during the relevant season; and
- (c) any other wheat, being wheat of an earlier quota season, that—
  - (i) was delivered to the Board before the relevant season;
  - (ii) was not included in the pool for a season before the relevant season; and
  - (iii) is declared by the Board to have been sold by the Board, and paid for in full, before or during the relevant season.

(4) The pool for a season that is not a quota season but immediately follows a quota season consists of the following wheat delivered to the Board (whether in pursuance of this Act or of a law of the Commonwealth or of another State)—

- (a) wheat of that season; and
- (b) wheat of an earlier season, being a quota season, that was not included in the pool for an earlier season.

(5) The Board may, in such manner as it considers equitable, for the purposes of a declaration under paragraph (b) or (c) of subsection (3) of this section, attribute sales of wheat of a particular kind to all or any of the wheat of that particular kind delivered by particular persons.

17. (1) Subject to subsections (4) and (5) of this section and to any other law to which the Board is subject, the amount payable under section

Payment  
by Board.

15 in respect of any wheat, or wheat and corn sacks, is payable to the person who would have been entitled to receive the price of the wheat if the wheat had been lawfully sold to the Board at the time of the delivery of the wheat.

(2) The same rights (if any) exist against the person receiving an amount paid by the Board under section 15 in respect of wheat, or wheat and corn sacks, as would exist if the moneys so paid were the proceeds of a sale or purported sale of the wheat, or wheat and corn sacks, by him, and any such rights may be enforced by action in any court that would have had jurisdiction if the moneys were the proceeds of such a sale or purported sale.

(3) Payment in good faith by the Board of any moneys payable under this Act to the person appearing to the Board to be entitled to receive them discharges the Board from any further liability in respect of those moneys.

(4) Subject to subsection (5) of this section, an assignment of moneys payable by the Board in respect of wheat, or wheat and corn sacks, delivered to the Board (not including a registered crop lien) is void as against the Board.

(5) Where a person has assigned moneys payable to him by the Board in respect of wheat, or wheat and corn sacks, delivered or to be delivered to the Board in payment of, or as security for payment of, an amount payable by that person for corn sacks supplied to him, the Board may pay those moneys to the assignee.

18. (1) For the purposes of this section—

- (a) the final delivery day for the season that commenced on the first day of October, 1973 is the thirtieth day of September, 1974; and

(2) A person who delivers to a licensed receiver, after the final delivery day for a season, wheat harvested in that season, shall, at the time of delivery of the wheat, deliver to the licensed receiver a declaration in writing signed by him correctly stating the season during which the wheat was harvested.

(2) Notwithstanding the repeal of sections 21AA and 21A of the Wheat Industry Stabilization Act, 1968-1973—
