

Table 4 — Subsidiary legislation in force

Last updated: 30 June 2025

Red text where it appears in this electronic version represents text that has been inserted since the last bound volume of the *Western Australian Legislation Information Tables* was published.

Blue text where it appears in this electronic version has been inserted to show that there is an electronic copy of that particular Act or piece of subsidiary legislation in the Western Australian Legislation Database.

This Table lists Acts under which certain subsidiary legislation and certain other statutory instruments have been made. Under each of those Acts, the subsidiary legislation and other statutory instruments, and amendments are shown.

The Table does not list —

- (a) local laws made by or on behalf of local governments;
- (b) town planning schemes;
- (c) certain proclamations, orders, notices, resolutions or other instruments which are of limited or temporary application, or not considered to be of general interest;
- (d) proclamations fixing commencement dates of Acts, or orders or proclamations effecting amendments to Acts (for these see Tables 1 and 2).

If subsidiary legislation has ceased to have effect because of section 42 of the *Interpretation Act 1984* the table has been amended accordingly.
