Amending Acts

A repealed Act (“**the principal Act**”) may have previously been amended by one or more amending Acts. These amending Acts fall into 2 categories:

- those that have been specifically repealed - these are sometimes listed;
- those that have not been specifically repealed but which, because of the repeal of the principal Act, are taken to have been wholly or partially repealed as a result. (See *Interpretation Act 1918*, s. 14; and *Interpretation Act 1984*, s. 33.) — these are not listed.
