PETER BROWN, |
F. C. IRWIN, | Members of Council.

Perth, February 6, 1838.

*Colonial Secretary's Office, Perth,
February 17, 1838.*

WHEREAS, by the primary conditions on which Land was assigned by the Crown to individuals in this Colony, the right was reserved to the Crown to impose a fine of 6d. per acre upon all Grants of Land not improved to a certain extent within three years from the date of assignment; and whereas it is expedient, for the protection of bonâ fide settlers, that the said right should now be exercised in respect of all Grants standing in the names of persons who voluntarily have quitted the Settlement, and have withdrawn themselves from taking their share in that outlay and those exertions which have conferred a value upon land in general:—Notice is hereby given to all persons resident in the Colony, or absentees, who claim an interest in any Grants so circumstanced, that they are forthwith to come in and pay the said fines on or before the 31st day of December, 1838, upon pain of having the same levied out of the Lands liable to such payments; and they are further informed, that all Grants of such absentees remaining unimproved for the space of ten years from the date of original assignment, or not improved to the extent required by the original conditions, will lapse to the Crown, and be resumed at the termination of the period for which the title of occupation was in such case given.

*By His Excellency's command,
PETER BROWN,
Colonial Secretary.*
