*Colonial Secretary's Office, Perth,
August 6, 1840.*

HIS Excellency the Governor has been pleased to direct it to be notified that a Despatch has been received from Her Majesty's Secretary of State for the Colonies, sanctioning the following modifications of the Regulations for the Sale of Land in this Colony—

1. That applications from individuals for the survey of any particular blocks of land, not already in the course of being surveyed by the Government, will be accepted subject to the regulations existing in the Colony, and on the understanding that the block included within such survey shall be of not less than five square miles,* and shall be put up for sale in the mass.

2. That the land will be put up for sale at the existing minimum price, or at any other general minimum price which may hereafter be established.

3. That some definite time will be limited by the Governor in Council, after the completion of the survey, within which time the land shall be put up for sale.

4. That if the land, when surveyed, is not sold, the applicant will bear the expense of the survey; but, if sold, either to him or any other person, an allowance will be made equal to the amount of charge which would have been incurred by Government if the survey had been made in the ordinary course of settlement. It is to be under-

stood, however, that in the case of special surveys, the government will be responsible only for the expense of ascertaining the exterior boundaries, and not for the expense of running or ascertaining any interior division lines.

5. That if the applicant for a special survey will bind himself to become the purchaser so soon as the survey can be effected, and will either deposit the purchase money, or give adequate security for the payment of it, then his title shall not be defeated by any intervening regulations; but a mere offer, by which the applicant is not bound, cannot be admitted to bind the Government to adhere to the then existing terms of the sale, if the public interest should require a change in those terms.

*By His Excellency's command,
PETER BROWN.*

P. S.—In consequence of the present weak state of the Survey Department, it will be quite impossible to carry into operation any applications which may be sent in, until the arrival of the three Assistant-Surveyors, who may be daily expected from England.
