RELIGIOUS ESTABLISHMENTS.

HIS Excellency the Governor, with the advice of the Executive Council, has been pleased to establish the following Regulations, under which issues will be made from the Colonial Treasury, in aid of the erection of Churches, Chapels, and Ministers' Dwellings, and toward the payment of Ministers' stipends, under the provisions of the Act of Council 4th Victoria, No. 6:

1. All applications for such aid are to be made to the Governor and Executive Council through the Colonial Secretary.

2. Every application for aid toward the building of a Church, chapel, or Minister's dwelling, under the first clause of the said Act, shall be made in the annexed form (A), and shall set forth the particulars therein required.

3. All applications for stipends toward the support of the Ministers, under the second clause of the Act, shall be made in the form hereunto annexed marked (B), and shall contain all such particulars as are set forth in the said clause.

4. All special applications for Ministers Stipends, under the third clause of the Act, in cases where there are not one hundred adult attendants shall be made in the same form (B) last mentioned, accompanied by an explanatory letter setting forth the particular circumstances of the case for the consideration of the Governor and Council.

5. All applications for increase of Stipends, made under the fourth clause of the said Act, shall contain the several particulars required by the second clause, and set forth in form B. with such alterations only as the case may require.

6. All applications under the fifth clause of the Act, for stipends toward the support of Ministers, where there is no Church or Chapel, must contain the several particulars required by that clause, and be also accompanied by some explanatory letter.

7. Pursuant to the sixth clause of the said Act a statement shall be transmitted in the month of January of every year, for the satisfaction of the Governor and Executive Council, signed by the Government Residents respectively, certifying that each Minister within their districts, in the receipt of a stipend, has, during the past year, or such part thereof as he shall have been employed, faithfully and diligently performed the several duties allotted to him,—which statement shall be deemed sufficient proof of such performance unless a complaint be made in writing to the Governor and Executive Council, which shall render further inquiry necessary; and no stipend will be issued for the current year until such certificate shall have been received, or such inquiry, if instituted, shall have been satisfactorily determined.

8. Previously to the issue of any sum from the Colonial Treasury, under these Regulations, toward the erection of any

Church, Chapel, or Minister's Dwelling, the Trustees thereof will be required to transmit to the Colonial Secretary an account, accompanied by the usual vouchers, of the sums actually expended on the Building. Such account will then be referred to some competent Architect, appointed on behalf of the Government, who will be required to examine the Building and certify that the workmanship and materials are good and sufficient, and conformable to the plan and elevation laid before the Governor and Council, and that he believes the specified sum to have been actually laid out. One half the amount (not being less than fifty pounds) of any sums so expended and certified, will be, from time to time, issued to the Trustees subject to the limitation imposed by the said Act.
