The road will be one chain wide, commencing at south end of South Terrace, Fremantle, and extending southerly, as already surveyed and laid out, to location 101, where it joins another surveyed branch extending southerly from Fremantle through locations 7, 38, 128, 113, 126, 87, 101, 85, and 102. From south boundary of 102 the road will take a southerly direction through locations 13 and 14 near Brown Hill, then pass southerly outside the west boundary of location 129, and thence to the north-west corners of locations 121, 137 and 64, and to the east boundary of location 130. Thence entering location 16, and passing through it southerly between Lakes Coolungup and Walyungup, and near Stake Hill, the road will cross the bridge over the Serpentine, and 8 miles further S.E. by S. that over the Dandalup; whence, in 2³/₄ further South, it will reach the bridge over the Murray at Pinjarra.

The above road will pass as near as may be found desirable along the tracks at present in use; and parties are warned against fencing across or otherwise obstructing these tracks, until the permanent lines may be finally laid out and cleared.
