HIS Excellency The Governor in Council has been pleased to direct the publication of the following Regulations for the conduct and management of elections of District Boards of Education in the several Districts of the Colony.

1. Until such time as the Central Board of Education shall designate and define any locality to be an educational district, every Resident Magistrate's District in the Colony shall be an "Educational District."

2. The election of members of District Boards of Education shall be held at such times and places as The Governor in Council may direct.

3. Every person who shall have attained the age of twenty-one years, being a natural-born subject or a naturalised subject of Her Majesty, and who in no part of the British Dominions hath been con-

6. All persons who have resided in the Colony for a period of at least six months and whose names are on the electoral roll for the election of members of the Legislative Council, subject always to the restriction in the next preceding rule, shall be entitled to vote at any district election.—(Sec. 10.)

7. In the event of an education rate or tax being hereafter imposed in the Colony, all persons paying such rate shall be entitled to vote in the district wherein such tax is paid; subject always to the restriction in Rule 5; and the names of such persons shall be inserted in an educational electoral roll for such district on the presentation to the Resident Magistrate of the district of a certificate from a Collector of Taxes, countersigned by a Justice of the Peace, setting forth the due payment of such rate or tax.—(Sec. 10.)

10. The Polling at every such election shall commence at noon on the day fixed, and the poll shall be closed at four o'clock on the same day.

11. Every voter shall be entitled to five votes, such being equal to the number of the members of a District Board. Not more than one vote can be given in favor of any one person.

12. Votes may be given personally, by voting papers, as at elections of Members of the Legislative Council, or by proxy. Voting papers for personal delivery, or proxy papers, may be had on application at the office of the Resident Magistrate in any district.

The Resident Magistrate in each District shall make an additional electoral roll, to be called "The Educational Electoral Roll," and shall insert therein all the names of those persons who may under Section 10 of the "Elementary Education Act, 1871," be entitled to vote at an election of Members of a District Board of Education.

15. Such roll shall be retained by the Resident Magistrate of each district, shall be open to inspection at all reasonable hours, and shall be subject to revision in the same manner as the electoral lists for election of Members of the Legislative Council, as provided in Sections 9, 10, and 11 of the Ordinance 33rd Victoria, No. 13.

The Resident Magistrate in each District having charge of the Electoral Roll for the Election of Members of the Legislative Council, shall add a column to such roll, and in such column shall insert against the name of each elector on such roll the words "resident" or "non-resident," as the case may be.

17. Nothing in these Regulations shall prevent any female duly qualified under Section 13 of "The Elementary Education Act, 1871," from being elected or from serving as a member of a District Board of Education.
