## RAILWAY SURVEYS.

*Colonial Secretary's Office,  
Perth, 6th September, 1872.*

**T**ENDERS (endorsed "Tender for Railway Surveys,") will be received at this Office until the Sixteenth day of November, 1872, from duly qualified Railway Engineers and Surveyors, for the following Works:—

1. An Engineering Survey of a proposed line of Railway (to be of a gauge of 42 inches) between Geraldton, Champion Bay, and Northampton, a distance of about thirty-two miles. The work to comprise all surveying, levelling, planning, and specifying necessary for the setting the whole work by Contract.

The Survey to be tendered for at per mile, and Tenders to state whether bridges and culverts are included therein, or separately offered at per foot.

2. A preliminary Survey for a similar line of Railway from Guildford to York, a distance somewhat in excess of eighty miles, the general route of which has already been determined on.

To include a properly benched Survey, with longitudinal section of the whole line, to show generally the measurement of all bridges and culverts, but not detail drawings or specifications.

Tenders for the above Services to include all instruments, plant, and labor; and the work in each case to be completed and plans furnished on or before the first day of June, 1873.

The work to be subject to the general supervision and direction of such person as may be appointed by the Local Government for that purpose, on whose certificate, that the same has been properly performed, payment will be made.

Each tender must be accompanied with testimonials, showing the capability of the person tendering to execute the work he may desire to undertake, and his previous experience in Railway Engineering.

The Government do not bind themselves to accept the lowest or any tender.

By Command,  
FRED. P. BARLEE,  
Colonial Secretary.
