LAND REGULATIONS.

*Free Grants of Land to Immigrants.*

1. Notwithstanding anything to the contrary in the existing Land Regulations contained, each adult Immigrant of the laboring classes introduced into the Colony with the sanction, or wholly or partially at the expense of the Imperial or Colonial Government, after two years' residence therein, may, with the permission of the Governor or Officer Administering the Government, select from any unimproved Rural Crown Lands open to selection, a lot not exceeding fifty acres; and, subject to the same conditions, each such immigrant between the ages of sixteen and twenty-one may select a lot not exceeding twenty-five acres of such land; Provided that no greater quantity of land than 150 acres in all be allotted under these Regulations to any one family.

2. Such lots, when selected, are to be allotted in the first instance to such immigrants by Occupation Certificates, which may be exchanged for grants in fee simple at the expiration of three years from the date of such Certificate respectively, on proof to the satisfaction of the Commissioner of Crown Lands that the whole of the land so allotted shall then have been properly fenced in, and that at least one-fourth of it is under cultivation. Provided that if at the end of the said term of three years the above conditions, or any of them, be not fulfilled, the lot in

respect of which default shall have been made shall revert to the Crown, with any improvements that may be thereon.

*Licenses to cut Timber.*

3. In order to promote the introduction and establishment of new industries, and commercial undertakings of public utility, it shall be lawful for the Governor or Officer Administering the Government, with the advice of the Executive Council, to grant Special Licenses to cut and remove timber from the waste lands of the Crown for any period not exceeding 14 years, anything to the contrary notwithstanding in the existing Land Regulations contained; and such licenses shall be subject to such rents, fees, conditions, and reservations as the Governor in Council may prescribe, but shall not entitle the licensees to any right of renewal at the expiration of the term.

4. Any Timber License already granted, or agreed to be granted, for a longer period than 12 months, with a right of renewal, and otherwise not in conformity with the existing Land Regulations, shall not on that account be held to be invalid, but may be held and renewed according and subject to the terms and stipulations on which the license was granted, or agreed to be granted.
