*Colonial Secretary's Office,
Perth, 15th June, 1878.*

HIS Excellency the Governor directs the following report of the Inspector of Charitable Institutions to be published for general information.

By His Excellency's Command,
ROGER TUCKER D. GOLDSWORTHY,
Colonial Secretary.

*Perth Poor House,
May 16th, 1878.*

SIR,—I beg to state I visited and inspected the Swan Protestant Orphanage for boys on the 9th inst., and have to report upon it as follows :—

There were present 29 Government Inmates, and six maintained by private funds.

The children all looked exceedingly well, and were clean and neatly clothed. Mr. and Mrs. Milward, the late master and matron, have been replaced, since my visit in February last, by Mr. and Mrs. Hubbard—a change, in my opinion, evidently for the better.

I inspected the provisions supplied; they were good in quality and the children are allowed sufficient for their wants.

There has been no sickness amongst the inmates during the past quarter; bad eyes and diarrhoea, which were formerly prevalent, having quite disappeared.

The dormitories were clean and well ventilated,—but at a small expense they might be made more cheerful-looking than they are at present. I would suggest a table and a few forms be added to the furniture in each dormitory and a strong clothes horse in each room for the children to hang their clothes on.

I beg to draw attention to the paragraph in my report of the 14th February, respecting the sleeping accommodation provided for the boys. Nothing has been done to remedy the evil I pointed out. I would respectfully urge an alteration in this respect as soon as possible.

A lavatory is much needed for the boys to wash and bathe in.

I have, &c.,
W. DALE,
Inspector of Charitable Institutions.

The Honorable The Colonial Secretary, &c., &c., &c.

*Crown Lands' Office,
Perth, 17th June, 1878.*

THE Government of Western Australia having established a Sericultural Farm and Mulberry Plantation at Claisebrook, in the City of Perth, and brought it into good working order, desires now to let it on lease, for a term of fourteen years. The contents are about sixteen acres, well and securely fenced, planted with over four thousand mulberry trees, of which one-half are in bearing and should yield during the ensuing season over a ton weight of leaves, and this yield can soon be increased ten-fold by careful culture.

The following varieties will be found in the plantation:—*Morus Alba*, *M. Roseleaf*, *M. Multicaulis*, *M. Japonica*, *M. Tartarica*, *M. Chinese*, and some twelve others.

The buildings consist of a two-roomed cottage, and a magnanerie or worm house, 30ft. by 15ft., well built of concreted material and fitted with trays and other appliances designed and adapted for educating about fifty thousand worms at once.

The value of the silk already produced is too well known to need comment.

Offers will be received up to the 20th August next, conveyed by either letter or telegram, addressed to the Commissioner of Crown Lands.

Immediate occupation can be given, but on the receipt of letter or telegram noting acceptance of offer the agreed rental must be at once paid for the first year, before entry is given, and afterwards for each succeeding year in advance.

The tenant will not be allowed to sub-let any part of the land, and a right of immediate re-entry will be reserved to the Government if it is seen at any time that the tenant is injuring or failing to keep in proper repair and order all the above-mentioned buildings, fences, and plantation.

Further information can be obtained on application to the Commissioner of Crown Lands, Perth, Western Australia.

By Command,

MALCOLM FRASER,
Commissioner of Crown Lands.
