At the Government House, at Wellington, this eighteenth day of November, 1878.

Present:

HIS EXCELLENCY THE GOVERNOR IN COUNCIL.

**W**HEREAS by the eleventh section of "The Diseased Cattle Act, 1871" hereinafter called "the said Act"), it is, amongst other things, enacted that it shall be lawful for the Governor, by Order in Council, at any time after the coming into operation of the said Act, to make general regulations with respect to all cattle whatsoever, and whether imported cattle or not, for all or any of the purposes in the section now in recital mentioned: And, amongst other things, it is provided in the said section that regulations may be made respecting the duties of masters of ships or vessels in respect to imported cattle, and generally to make such provisions as shall seem best calculated to prevent the introduction or spread of disease in the Colony: And whereas the said Act was, by a Proclamation made by the Governor thereunder, and published in the *New Zealand Gazette*, proclaimed to come into force in the said Colony on the fourteenth day of August, one thousand eight hundred and seventy-two: And whereas by the said Act it is further enacted that, in and by any regulations made thereunder, it shall be lawful for the Governor to prescribe penalties for the breach thereof, as in the said Act mentioned: And whereas by the third section of the said Act it is enacted, among other things, that the term "cattle" shall for the purposes of the said Act mean "any bull, cow, ox, heifer, and calf," and "any hide, horn, hoof, hair, offal, or other parts of such cattle:" And whereas by "The Diseased Cattle Act Amendment

Act, 1873" (hereinafter called "the Amendment Act"), it is enacted that the term "cattle" in the said Act mentioned shall, for the purposes thereof and of the Act now in recital, extend to and include as well the animals in the said Act mentioned, as also horses, sheep, goats, swine, and such other animals as the Governor in Council shall from time to time declare subject to the said Act and the Act now in recital: And whereas it is expedient that regulations should be made for the purposes herein-after mentioned:

Now, therefore, His Excellency the Governor of the Colony of New Zealand, with the advice and consent of the Executive Council, in pursuance and exercise of the power and authority conferred by the said Act, and of all other powers and authorities enabling him in this behalf, doth hereby make the following general regulations, and doth order and declare that the regulations hereby made shall take effect from the first day of January next, on which day the same shall come into force.

#### REGULATIONS.

1. No master of any ship or vessel, or other person whomsoever, shall in any river, port, or harbor in New Zealand, or elsewhere in New Zealand waters, transfer or attempt to transfer, cause or permit to be transferred or to be attempted to be transferred, assist in transferring or in attempting to transfer, any imported cattle from any one ship or vessel to any other ship or vessel, without the written authority of the Cattle Inspector of the district, defined under the said Act at or near to which such ships or vessels or either of them, may be. The term "imported cattle," shall have the meaning given thereto in the said Act as amended by the Amendment Act hereinbefore recited.
