No. 282.—C.S.O.

*Colonial Secretary's Office,
Perth, 10th February, 1879.*

HIS Excellency the Governor has been pleased to direct the publication, for general information, of the Finding of the Court held under the provisions of the 28th Victoria, No. 2, on the 2nd day of January, 1879, for the purpose of enquiring into the circumstances connected with the wreck of the barque "Mariano," in Butcher's Inlet, on the 23rd December, 1878.

By His Excellency's Command,
ROGER TUCKER^D. GOLDSWORTHY,
Colonial Secretary.

FINDING.

AFTER careful consideration of the evidence of the Master and Mate of the British Barque "Mariano," of 589 tons registered tonnage, commanded by William James McDonnell, whose Certificate of Competency was lost at Melbourne;

We find that Captain McDonnell was justified in altering his course, on the 6th December, 1878, and making for the nearest Port instead of continuing his voyage to Melbourne.

We also find, that for the safety of crew and cargo, Captain McDonnell was justified in attempting,

at high spring tides, to take his vessel into Butcher's Inlet, under the pilotage of Captain Walcott, commanding Her Majesty's Colonial Revenue Cutter "Gertrude."

And we consider that no blame attaches to Captain McDonnell or his Officers for the loss of the barque "Mariano."

ROBT. J. SHOLL, J.P.
Sub-Collector of Customs.
CHARLES S. BOMPAS, J.P.

I concur with the above finding, and I beg to add, when I passed the barque "Mariano," on the 22nd December, I found 18 feet water in the channel of Butcher's Inlet.

WM. WARDEN MILES,
Master of Schooner C. Packet.
Nautical Assessor.

I confirm the foregoing Finding.

H. ST. GEORGE ORD,
Governor.
