HIS Excellency the Governor directs the following Report of the Inspector of Charitable Institutions to be published for general information.

By His Excellency's Command,
ROGER TUCKERD. GOLDSWORTHY,
Colonial Secretary.

*Perth Poor House,
May 10th, 1879.*

SIR,—I have the honor to report having on the 3rd of March, visited and inspected the Native and Half-caste Mission at Perth. The inmates were 12 girls and 8 boys, who were clean, healthy looking, and well clothed.

Inspected the Dormitories; they were clean, and well ventilated; also the food supplied to the children, which was good in quality, and sufficient allowed them for their wants.

There has been no sickness in the Institution during the past quarter.

April 19th, visited and inspected the Swan Protestant Orphanage for Boys (35), 4 of whom are maintained from private funds. The boys were clean, neatly dressed, and appeared healthy, and well fed; there has been no sickness amongst the boys during the past quarter. The Dormitories were clean and well ventilated. The new cots for the children have been received, and are a great improvement upon the bedsteads formerly in use. I examined the provisions, they were good in quality, and the children are allowed sufficient for their wants.

A temporary Printing Press is now set up, at which two of the boys are being instructed by Mr. Kenworthy, who is engaged for that purpose, and are making good progress.

A good substantial building is in course of erection, intended for a Printing Office, the principal part of the work having been done by the Orphanage boys, under the direction of the master, Mr. Hubbard.

The manager, the Rev. Mr. Brown, informed me he had a new Albion Press coming out shortly from England, and also that none of the expenses connected with the Printing Office are borne by the Orphanage Funds.

April 30th, visited and inspected the Perth Protestant Orphanage for Girls. No. of inmates 30. There has been no sickness during the past quarter. The Matron, Miss Duffield, informed me the conduct of the children has been good.

I examined the provisions; they were good in quality, and the children are allowed sufficient for their wants.

The Dormitories were clean and well ventilated. The education of the children is well looked after, a school at which all the children attend being established upon the premises. The children were clean, healthy looking, and neatly clothed; everything connected with the Institution appeared in a satisfactory state.

The same day I visited and inspected the R. C. Orphanage for Girls, under the management of the Sisters of Mercy. No. of Girls 55, who were present; they were clean, neatly dressed, and appeared healthy and well fed. The Dormitories were clean and well ventilated. I examined the provisions; they were good in quality and the children are not stinted. The children are educated in the schools attached to the Orphanage, and are also trained to habits of industry.

May 1st, visited and inspected the R. C. Orphanage for Boys at Subiaco. No. of inmates (Government) 39, who were present; they were clean, neatly dressed, and appeared healthy and well fed. The provisions supplied are good in quality, and the children are allowed sufficient for their wants. The Dormitories were clean and well ventilated. During a heavy thunderstorm which occurred on the 23rd of April, the lightning struck the roof at the east end of the building, tearing off a large strip of shingles, and passed through nearly every room, doing more or less damage in each; the chapel was greatly injured. It is impossible to estimate the damage done until the place has been thoroughly examined, but I am sorry to say it is very considerable.

The electric fluid in its passage through the building struck a fine promising boy named Francis Burns, killing him dead. A great many of the boys were thrown down, but after a short time they recovered.

I have, &c.,

W. DALE,

Inspector Charitable Institutions.

The Honorable the Colonial Secretary.
