No. 40.] PERTH: TUESDAY, SEPTEMBER 12. [1882.

No. 1257.—C.S.O.

*Colonial Secretary's Office,
Perth, 5th September, 1882.*

HIS Excellency the Governor directs the publication of the following Despatch, with its enclosures, for general information.

By His Excellency's Command,
GIFFORD,
Colonial Secretary.

CIRCULAR.

Downing Street,
8th June, 1882.

SIR,—I have the honor to transmit to you, for information and publication in the Colony under your Government, copies of two Orders of the Queen in Council of the 3rd of May, exempting from re-measurement in this country ships of the Kingdom of Sweden and of Hayti, the measurement whereof has, after the 1st of April, 1882, and the 26th of January, 1882, been ascertained and denoted in the Registers and other National Papers of such ships.

I have, &c.,
The Officer Administering **KIMBERLEY.**
the Government of Western Australia.

AT THE COURT AT WINDSOR,
The 3rd day of May, 1882.

Present,
THE QUEEN'S MOST EXCELLENT MAJESTY
IN COUNCIL.

WHEREAS by "The Merchant Shipping Act Amendment Act, 1862," it is enacted, that whenever it is made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships for the time being in force under the principal Act have been adopted by the Government of any foreign country and are in force in that country, it shall be lawful for Her Majesty, by Order in Council, to direct that the ships of such foreign country shall be deemed to be of the tonnage denoted in their certificates of registry or other national papers, and thereupon it shall no longer be necessary for such ships to be re-measured in any port or place in Her Majesty's dominions, but such ships shall be deemed to be of the tonnage denoted in their certificates of registry or other papers, in the same manner, to the same extent, and for the same purposes in, to, and for which the tonnage denoted in the certificates of registry of British ships is to be deemed the tonnage of such ships:

And whereas it was made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships now in force under "The Merchant Shipping Act, 1854," had been adopted in Sweden by the Government of His Majesty the King of Sweden and Norway, and came into force in Sweden on the 1st day of April, 1875:

And whereas by Order in Council dated the 17th day of March, 1875, Her Majesty was accordingly pleased, by and with the advice of Her Privy Council, to direct that the ships of Sweden, the certificates of Swedish nationality and registry, or the certificates of measurement of which are dated on or after the 1st day of April one thousand eight hundred and seventy-five, should be deemed to be of the tonnage denoted in the said certificates of Swedish nationality and registry, or certificates of measurement:

And whereas a slight difference in the mode of estimating the allowance for engine room in Swedish ships has been introduced into the said rules and the same came into operation on the 1st day of April, 1882:

And whereas it has been made to appear to Her Majesty that the rules concerning the measurement of tonnage of merchant ships now in force under "The Merchant Shipping Act, 1854," adopted by the Government of His Majesty the King of Sweden and Norway, are, with the exception of the said slight difference in the mode of estimating the allowance for engine room, still in force in that country:

HER MAJESTY is pleased, by and with the advice of Her Privy Council, to direct as follows:—

1. As regards sailing ships: that merchant sailing ships of Sweden the measurement whereof, after the said 1st day of April, 1882, has been ascertained and denoted in the registers and other national papers of such sailing ships, testified by the date thereof, shall be deemed to be of the tonnage denoted in such registers and other national papers in the same manner, and to the same extent, and for the same purpose, in, to, and for which the tonnage denoted in the certificate of registry of British sailing ships is deemed to be the tonnage of such ships.
2. As regards steam ships: that merchant ships belonging to Sweden which are propelled by steam, or any other power requiring engine room, the measurement whereof shall, after the said 1st day of April, 1882, have been ascertained and denoted in the registers and other national papers of such steam ships, testified by the dates thereof, shall be deemed to be of the tonnage denoted in

such registers or other national papers in the same manner, and to the same extent, and for the same purpose, in, to, and for which the tonnage denoted in the certificate of registry of British ships is deemed to be the tonnage of such ships; provided nevertheless, that if the owner or master of any such Swedish steam ship desires the deduction for engine room in his ships to be estimated under the rules for engine room measurement and deduction applicable to British ships, instead of under the Swedish rule, the engine room shall be measured and the deduction calculated according to the British rules, and that in the event of the net registered tonnage of such steam ships, estimated under the British rule, being denoted in the said certificate of nationality and registry or measurement of Swedish steam ships, the same shall be deemed to be of the tonnage so denoted therein.

C. L. PEEL.

AT THE COURT AT WINDSOR,

The 3rd day of May, 1882.

Present,

THE QUEEN'S MOST EXCELLENT MAJESTY
IN COUNCIL.

WHEREAS by "The Merchant Shipping Act Amendment Act, 1862," it is enacted that, whenever it is made to appear to Her Majesty that the Rules concerning the measurement of tonnage of merchant ships for the time being in force under the principal Act have been adopted by the Government of any Foreign Country, and are in force in that country, it shall be lawful for Her Majesty by Order in Council to direct that the ships of such foreign country shall be deemed to be of the tonnage denoted in their certificates of registry or other national papers, and thereupon it shall no longer be necessary for such ships to be remeasured in any port or place in Her Majesty's dominions, but such ships shall be deemed to be of the tonnage denoted in their certificates of registry or other papers, in the same manner, to the same extent, and for the same purposes, in, to, and for which the tonnage denoted in the certificates of registry of British ships is to be deemed the tonnage of such ships.

And whereas it has been made to appear to Her Majesty that the rules concerning the measurement of tonnage of Merchant ships now in force under "The Merchant Shipping Act, 1854," have been adopted in Hayti by the Haitian Government.

HER MAJESTY is hereby pleased, by and with the advice of Her Privy Council, to direct that the ships of Hayti, the certificates of the Haitian nationality and registry, or the certificates of measurement, of which, are dated on or after the twenty-sixth day of January, one thousand eight hundred and eighty-two, shall be deemed to be of the tonnage denoted in the said certificates of Haitian nationality and registry or certificates of measurement.

*Land and Survey Office,
Perth, 29th August, 1882.*

A NUMBER of Leases have been issued having for their starting points springs, pools, hills, trees, &c., of which the position cannot accurately be ascertained until survey—consequently the succeeding applications for intermediate areas are difficult to deal with, as their boundaries must be dependent on former uncertainties, which may enlarge, diminish, or entirely alter them. This makes the fixation of new selections on to the later known springs, pools, &c., &c., as starting points, quite impossible; therefore, it is advisable that in future such starting points shall not be considered, and that all fresh selections be made to start from blocks already in existence or from spots at a fixed distance from them.

Applicants themselves should take care that the magnetic bearings and distances they give are nearly true, and the dimensions such as to secure for them, as far as possible, the land wanted.

MALCOLM FRASER,
Commissioner of Crown Lands.

No. 1254.—C.S.O.

Minor Road (44th Victoria, No. 6).

*Colonial Secretary's Office,
Perth, 4th September, 1882.*

HIS Excellency the Governor, on the recommendation of the Swan District Roads Board, has been pleased to declare the following Road to be a Minor Road, viz. :—

An accommodation road in the Swan District, 50 links wide, starting from the West boundary of Swan location 94, extending West along the South side of the South boundary of Swan location 163, thence in a West-North-Westerly direction, the Northern side passing through the South-west corner posts of Swan locations 153 and 154 to the South-west corner post of Swan location 137, thence North along the West boundary of the last named location, the East side of the road being 25 links East from the said West boundary of location 137, then in a Northerly direction to the North-east corner of Swan location 138, and from thence West along the South side of the North boundary of location 138 aforesaid to the Bindoon Road.

By His Excellency's Command,
GIFFORD,
Colonial Secretary.
