HIS Excellency the Administrator directs the publication of the following Circular Despatch, with its enclosure, for general information.

By Command,
OCT. BURT,
Acting Colonial Secretary.

CIRCULAR. (1)

Downing Street,
19th November, 1889.

SIR,

I have the honour to transmit to you, for publication in the Colony under your Government, a copy of a Declaration between the Government of the United Kingdom of Great Britain and Ireland and the Government of the French Republic, signed at Paris on the 23rd of October, 1889, with reference to the disposal of the proceeds of wrecks on their respective coasts.

I have to call your attention to Article VI. of the Declaration, from which you will observe that, if it is desired that the stipulations of the Declaration should be made applicable to the Colony under your Government, notice to that effect must be given by Her Britannic Majesty's Representative to the French Republic within one year from the 23rd of October the date of the signature of the Declaration.

I have, therefore, to request that you will be good enough to acquaint me as soon as possible of the wishes of your Government in the matter.

I have, &c.,
KNUTSFORD.

The Officer Administering the Government of
Western Australia.

Declaration between the Government of the United Kingdom of Great Britain and Ireland, and the Government of the French Republic, with reference to the Disposal of the Proceeds of Wrecks on their respective Coasts.

THE Government of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and the Government of the French Republic, desiring to regulate by a new Agreement questions relative to the disposal of the proceeds of wrecks on the coasts of the two States, have agreed to replace the Declaration signed at London on the 16th June, 1879, by the following arrangements:—

ARTICLE I.

When any ship belonging to the subjects of one of the two Contracting States is wrecked or stranded on the coast of the other, the competent local authorities shall, with as little delay as possible, bring the fact to the knowledge of the Consul-General, Consul, Vice-Consul, or Consular Agent nearest to the spot where the wreck or stranding has taken place.

ARTICLE II.

All operations relative to the salvage of British ships which may be wrecked or stranded on the coasts of France shall be directed by the Consuls-General, Consuls, Vice-Consuls, or Consular Agents of Great Britain, and, reciprocally, the French Consuls-General, Consuls, Vice-Consuls, and Consular Agents shall direct all operations relative to the salvage of ships of their nation wrecked or stranded on the coasts of Great Britain.

ARTICLE III.

If the owners of the ship and cargo, or their duly authorized representatives, shall be present and shall claim it, the Consuls-General, Consuls, Vice-Consuls, and Consular Agents shall hand over to them the conduct of the salvage operations after requiring the deposit of the ship's papers, as well as the reimbursement of the expenses already defrayed, and a sufficient guarantee for those incurred before the operations were handed over, and which may not have been already settled.

ARTICLE IV.

The intervention of the local authorities shall only take place in the two countries for the purpose of assisting the Consular authority, of maintaining order, of securing the interests of the salvors if they are strangers to the shipwrecked crews, and of assuring the due execution of the arrangements to be carried out for the entry and departure of the merchandize saved.

In the absence, and until the arrival of the Consuls-General, Consuls, Vice-Consuls, or Consular Agents, the local authorities shall, moreover, take all necessary measures for the protection of the persons, and for the preservation of the articles which shall have been saved from the wreck.

This intervention shall not give rise to any charges, with the exception of those which the salvage operations and the protection of the articles saved shall have rendered necessary, and those to which national ships would, under similar circumstances, be liable. These charges shall be paid according to the circumstances of the case, either by the agents of the Consular service, or by their owners or their proxies.

In case absence, sickness, or any other cause should prevent the Agents of the Consular service from seeing to the operations and the management of the salvage, the local authorities who may be charged with the operations and management in question shall be bound to remit to the aforesaid Agents the ship's papers and the net proceeds of the ship and the cargo.

ARTICLE V.

The merchandize and articles saved shall not be liable to any customs duties, unless they are intended for home consumption, in which case they shall pay the same duties as they would have had to pay if they had been imported in national vessels.

ARTICLE VI.

The stipulations of the present Declaration shall be applicable to all the Colonies and foreign possessions of Her Britannic Majesty, excepting to those hereinafter named, that is to say, except to:—

India.
The Dominion of Canada.
Newfoundland.
The Cape.
Natal.
New South Wales.
Victoria.
Queensland.
Tasmania.
South Australia.
Western Australia.
New Zealand.

Provided always that the stipulations of the present Declaration shall be made applicable to any of the above-named Colonies or foreign possessions on whose behalf notice to that effect shall have been given by Her Britannic Majesty's Representative to the French Republic within one year from the date of the signature of the present Declaration.

The stipulations of the present Declaration shall be applicable to all the Colonies and foreign possessions of France.

ARTICLE VII.

The present Declaration shall come into operation three months after the date of its signature, and shall remain in force until the expiration of one year from the day on which either Party may give notice of its intention to terminate it.

In witness whereof, the Undersigned Plenipotentiaries, his Excellency the Earl of Lytton, Ambassador of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and his Excellency M. Eugene Spuller, Minister for Foreign Affairs, have signed the present Declaration, and have affixed thereto their seals.

Done at Paris, this twenty-third day of October, 1889.
