**H**IS Excellency the Administrator, in Executive Council, has been pleased to approve of the following By-Law passed by the Perth City Council.

By Command,

OCT. BURT,

Acting Colonial Secretary.

## By-Law No. 9.

A By-Law to regulate, by means of Standing Orders, the Proceedings of the Council of the City of Perth.

WHEREAS by "The Municipal Institutions Act, 1876," Section 49, it is enacted that "it shall be lawful for the Council to make, publish, alter, modify, amend, or repeal such By-laws and Regulations as to them shall seem meet for regulating their own proceedings;" And whereas it is expedient to amend certain By-laws of the Council of the City of Perth, and to make additional regulations for conducting the proceedings and business of the said Council: Be it therefore enacted by the Council of the City of Perth, That from and after the date of this By-law coming into operation, the proceedings and business of the said Council shall be conducted according to the following Regulations only, which shall be, and be called the Standing Orders of the said Council:—

## ORDER OF PROCEEDING.

1. The business of the Council shall be conducted on all occasions with open doors.
2. The Council shall commence business so soon after the time stated in the summons as there is a sufficient number of members in attendance to constitute a quorum, which quorum shall consist of not less than four members exclusive of the Mayor or Councillor chosen to preside; but if at the expiration of fifteen minutes from the time specified in the summons there is not a quorum present, the Council shall stand adjourned.
3. Should the Mayor not be present the meeting shall elect a chairman from the Councillors present, who shall preside during the absence of the Mayor.
4. At all meetings of the Council when there are not four members present or when the Council is counted out, which counting out shall take place whenever there shall be less than four members present exclusive of the Mayor or Councillor chosen to preside, such circumstance, together with the names of the members then present, shall be recorded in the minute book.
5. At all meetings of the Council the minutes of any preceding meeting not previously confirmed shall be read as the first business of all meetings of the Council, in order to their confirmation, and no discussion shall be permitted thereupon, except as to their accuracy as a record of the proceedings.
6. Immediately after the confirmation of the minutes, the Mayor may make any communication to the Council which he may deem advisable, or bring under consideration any business he may think necessary, and it shall be competent for any member of the Council to ask a question or questions, but he shall confine himself to the question simply and no debate shall ensue thereon at that time.

## LETTERS, PETITIONS, MEMORIALS.

7. Letters, petitions and memorials shall then be read.
8. Tenders for work shall be considered immediately before the orders of the day are called on, after which reports of committees shall be laid on the table.

## ORDERS OF THE DAY.

9. The orders of the day shall be numbered and disposed of in the order in which they appear on the paper, reports of committees being numbered as the first orders for the day.
10. Any member of the Council may bring forward such business as he may consider advisable in the form of a notice of motion, such notice to be given in writing to the Town Clerk at least four clear days previous to the meeting at which it is intended to consider the same, and the substance of such notice shall be communicated by the Town Clerk to the members of Council in the summons for such meeting, and all such notices of motion shall be considered orders of the day.
11. No order of the day shall be proceeded with when called on unless the member who gave the notice, or some member authorised by him in writing to proceed thereon

be present, but the same shall lapse in the order in which they stand upon the paper.

12. If at any adjournment of the Council any orders of the day on the notice paper have not been called on, such orders of the day shall be set down on the notice paper for the next sitting day at the end of the regular business.

## ORDERS OF DEBATE.

13. Any member desirous of proposing a motion or amendment or of discussing any matter under consideration must rise in his place uncovered and address the Mayor or other presiding officer, and no member when speaking shall be interrupted unless called to order, in which case he shall sit down and the member calling to order shall in the first place name the standing order on the strength of which he rises, and if found to be correct by the Mayor or other presiding chairman shall be heard in preference to any other speaker, and the question of order shall be disposed of before the subject is resumed or any other subject entered upon.

14. Any member proposing a motion or an amendment shall put it in writing and sign and deliver it to the Mayor or other presiding chairman for the time being after it has been duly seconded, and the Mayor or other presiding chairman shall read the same before being discussed, and no motion or amendment so made shall be withdrawn without leave of the Council.

15. Any member may require the enforcement of any standing order of the Council by simply noticing that such order is disobeyed.

16. The members in speaking shall designate each other by their respective titles of Mayor or Councillor as the case may be, the Mayor or other presiding chairman shall decide which is entitled to pre-audience.

17. No member shall speak twice upon the same question except by way of explanation or in reply upon any original motion of which he may have been the mover or as the mover of the amendment last carried, nevertheless any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply; the amendment or the original motion as the case may be shall be immediately put to the vote.

18. The Mayor or other presiding chairman shall without waiting for the interposition of the Council call to order any member proceeding to speak a second time on the same question, unless entitled to reply or in explanation where he has been misrepresented or misunderstood.

19. Any member moving a motion of amendment shall be held to have spoken on that question, but any member who may have signed the proposition paper either as proposer or seconder to enable the reports of the committee of Council to be put to the vote for adoption or otherwise by the Council shall not be held to have spoken thereon by such act, but may address the Council on matters contained in such reports.

20. Any member moving a suspension of the Standing Orders or any of them shall be entitled simply to state the grounds of such motion and the nature and objects of the motion which he may seek to make thereon, but no discussion shall take place upon any such motion.

21. No member shall digress from the subject matter of the question under discussion nor impute improper motives to any other member, and all personal reflections upon any member shall be considered highly disorderly.

22. Any member may require the Town Clerk to take down any particular words used by a member immediately upon the same being used.

23. The Mayor or other presiding chairman when called upon to decide a point of order or practice shall state the rule or precedent applicable to the case, without argument or comment, and his decision shall be final in that particular case.

24. Any member who shall use any expression capable, in the opinion of the Mayor or other presiding chairman, of being applied offensively to any other member, shall if required by the Council withdraw such expression, and make a satisfactory apology to the Council.

25. No member shall converse aloud except to call to order, or make any noise or disturbance whilst any member is speaking or whilst any other matter is being read or opened, and in case of such noise or disturbance being persisted in after the Mayor or chairman has called to order, the Mayor or chairman shall call upon the members making such disturbance by name, and every such person will incur the displeasure and censure of the Council.

26. When the Mayor or chairman is putting a question no member shall walk out of or across the Chamber, nor when a member is speaking shall any member hold dis-

course to interrupt him except to order, nor pass between him and the Chair.

27. Any member may of right require the production of any of the documents of the Corporation relating to the question or matter under discussion.

28. One amendment only shall be discussed at one time, but if lost another may be moved before the original question is put to the vote; but upon any amendment being carried it shall be competent for any member to move one other amendment thereon but no more.

29. Upon the adoption of any amendment such amendment shall be held to have quashed the original motion, and for all purposes of subsequent discussion the amendment so carried shall be acted upon as an original motion.

30. The Mayor or other presiding chairman shall in taking the vote on any motion or amendment put the question first in the affirmative, and then in the negative, and he may do so as often as it is necessary to enable him to form and declare his opinion from the show of hands as to which party has the majority.

31. The Council shall vote by a show of hands but any member of the Council may call for a division upon any question, in which case the members voting in the affirmative shall until the vote is recorded stand up and those in the negative retain their seats; all division lists shall be entered on the minutes.

32. No member shall reflect upon any vote of the Council except for the purpose of moving such vote to be rescinded.

33. No discussion shall be allowed on any motion for adjournment of the Council, but if on the question being put the motion be negatived the subject then under consideration or the next on the notice paper shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained.

34. No motion, the effect of which if carried would be to rescind any motion which has already passed the Council, shall be entertained during the same municipal year unless a call of the whole Council has been duly made for the purpose, and no motion for rescinding any resolution of the Council which shall have been negatived by the Council shall again be entertained during the same municipal year unless by consent of at least eight members of the Council.

35. A debate may be adjourned on motion without any previous notice of motion duly seconded and without discussion, either to a later hour of the same day or to any other day.

36. The member upon whose motion any debate shall be adjourned by the Council shall be entitled to pre-audience on the resumption of the debate.

37. If a debate on any motion moved and seconded be interrupted by the Council being counted out, such debate may be resumed at the point where it was so interrupted, on motion with notice.

38. Every member present in the Council when the question is then put will be required to remain and vote.

39. In case of an equality of votes the Chairman shall give a casting vote, and any reasons stated by him shall be entered in the minutes and proceedings.

#### SUSPENSION OF STANDING ORDERS.

40. In cases of urgent necessity any standing order or orders of the Council may be suspended on motion duly made and seconded without notice, provided that such motion has the concurrence of at least six members of the Council.

41. Every member of the Council who shall commit a breach of any section of this "part" of these By-Laws, or who shall move or attempt to move any motion or amendment embodying any matter as to which the Council has no legal jurisdiction, or who shall in any other way raise or attempt to raise any question, or shall address or attempt to address the Council on any subject which the said Council has no legal right to entertain or discuss, or who shall use any other language which according to the common usage of gentlemen would be held disorderly, or who shall say or do anything calculated to bring the Council into contempt, shall be deemed to be out of order.

42. The Mayor may, without the interposition of any other member of the Council, call any Councillor to order whenever in the opinion of such Mayor there shall be a necessity for so doing.

43. Every member of the Council shall have the right of calling the attention of the Mayor to any motion, amendment, statement, argument, or observation, moved, raised, or made by any other member which such first named member may consider out of order.

44. A Councillor called to order shall withdraw while the question of order is being discussed and decided on, unless specially permitted to offer an explanation, retraction or apology; but on obtaining such special permission such Councillor may explain, retract or apologise for the matter or remark alleged to have been out of order. And if such explanation, retraction or apology be deemed satisfactory, no further discussion on the question of order shall be permitted.

45. If any Councillor on being called to order shall ask such permission to explain, retract or apologise as aforesaid, the Mayor may of his own authority grant or refuse such permission as he may think fit, unless any Councillor shall require the sense of the Council to be taken on this question. In such case it shall be the duty of the Mayor to take the sense of the Council at once, without discussion as to whether such permission shall be granted. And when any such explanation, retraction or apology shall have been made or offered by permission of the Mayor, the latter shall in like manner decide, or if required so to do shall take the sense of the Council as to whether such explanation, retraction or apology is considered sufficient. If such permission be refused, or if such explanation, retraction or apology be considered insufficient, the question of order shall be considered and decided before any further business is proceeded with. Provided that if such Mayor shall have decided the question of order, before any Councillor shall have required the sense of the Council to be taken in reference thereto, such question of order shall not be re-opened. And provided further that nothing herein contained shall be held to affect the right of such Mayor to decide finally as hereinbefore provided upon any such point of order after the same shall have been discussed.

46. The Mayor when called upon to decide points of order or practice shall state the provision, rule or practice which he shall deem applicable to the case, without discussing or commenting upon the same.

47. Whenever it shall have been decided as aforesaid that any motion, amendment or other matter before the Council is out of order the same shall be rejected; and whenever anything said or done in Council by any Councillor shall be similarly decided to be out of order, such Councillor shall be called upon by the Mayor to make such explanation, retraction or apology as the case may require.

48. Any Councillor who shall have been called to order and who after having been twice directed to withdraw as aforesaid shall refuse to do so, or who shall persist in any line of conduct or argument or of observations which shall have been decided as aforesaid to be disorderly, or who shall refuse to make such explanation, retraction or apology as aforesaid when required so to do, or who shall be guilty of any other act of disorder as defined in section 41 of this part of these By-Laws shall refuse to make such explanation, retraction, or apology as a majority of the Councillors then present shall consider satisfactory, shall be liable, on conviction before two Justices of the Peace, for the first offence to a penalty of not less than Ten shillings nor more than Five pounds; and on second conviction for the like offence he shall be liable to a penalty of not less than One pound nor more than Ten pounds; and on a third conviction and for every further conviction for the like offence he shall be liable to a penalty of not less than Two pounds nor more than Twenty pounds.

49. Whenever any Councillor shall have committed an offence under this By-Law, the Mayor or, in case of his absence, the chairman presiding at the meeting when such offence was committed, shall forthwith lay or cause to be laid an information before a Justice of the Peace, for the purpose of summoning the offending Councillor, and shall afterwards appear and prosecute the charge.
