In order to meet modern requirements, and to fit boys for Colonial life or for mercantile pursuits, it has been decided to make the study of dead languages optional. Parents of boys may however feel not less sure than heretofore of finding thorough classical instruction for their sons. The University Exhibitions, open for competition throughout the Colony, have in each case been awarded to a High School boy.

Fees.

The present scale of fees is as follows:—

For each boy over 12 years of age on the first day of the term, £3 6s. 8d. per term.

For each boy under 12 years of age on the first day of the term, £2 13s. 4d. per term.

In the case of two or more brothers attending the school, a reduction of 10 per cent. will be allowed in the fees for tuition.

The fees for each resident boarder are at the rate of £60 per annum for a boy over 12 years of age, and £50 per annum under 12 years, inclusive of the tuition fee.

Boys are received from the age of eight years and upwards.

Scholarships.

There are two High School Scholarships of the annual value of £50, open to competition by boys from any of the Elementary Schools.

Terms and Vacations.

The year is divided into 3 terms, with vacations of 6 weeks at Christmas; 1 week at Easter, during which it is optional for boarders to remain at the School without additional charge; and 5 weeks at Midwinter.

The School reassembles for the September term this day.
