AUDITORS' REPORT.

We have examined the annexed Balance Sheet, made up to the 30th September, 1890, and report that we find the several items therein stated to conform to the Balances in the General Ledger, and the Balance Sheets of the respective Branches and Agencies of the Bank collectively.

We have counted the Cash Balance, and examined the Bills and other Securities held by the Bank at the Head Office, in Sydney, on the 30th September last, and hereby certify that we have found them correct.

The Cash, Bills, and other Securities held at the Branches and Agencies in New South Wales, Victoria, and South Australia, on the 30th September, in New Zealand and Western Australia on the 1st September, in Queensland on the customary dates, and at London on the 30th June last, have been certified to as being correct by the usual documents.

Bank of New South Wales,

Commissioner of Crown Lands.

NOTICE TO MARINERS.

Chief Harbor Master's Office,
Fremantle, 11th November, 1890.

A BEACON has been erected on Hummock Island, near the Pelsart Group of Houtman's Abrolhos, on the same site as the former beacon. It is of wood, colored black, and is 16 feet high, of pyramid shape—probably visible from a ship's deck about eight miles. For vessels proceeding through the Geelvink Channel, and getting too much to the Westward, this is a good mark.

From the danger called "Mid Reef," which is about half-a-mile long, East and West, and two cables wide, and of which the Eastern portion is nearly awash—Moore Point Lighthouse bears E. $\frac{3}{4}$ S., distant 22 $\frac{1}{2}$ miles, and Hummock Island beacon W.S.W., distant 5 $\frac{1}{2}$ miles.

C. R. RUSSELL,
Chief Harbor Master.

- Sir T. COCKBURN-CAMPBELL, Bart., M.L.C. (1888)
- E. SCOTT, M.L.C. (1890)
- J. W. HACKETT, M.A., Dublin; late Sub Warden, Melbourne University (1890)

In order to meet modern requirements, and to fit boys for Colonial life or for mercantile pursuits, it has been decided to make the study of dead languages optional. Parents of boys may however feel not less sure than heretofore of finding thorough classical instruction for their sons. The University Exhibitions, open for competition throughout the Colony, have in each case been awarded to a High School boy.

Scriptural instruction is given, out of school hours, to boys whose parents or guardians wish them to receive it.

Fees.

The present scale of fees is as follows:—

For each boy over 12 years of age on the first day of the term, £3 6s. 8d. per term.

For each boy under 12 years of age on the first day of the term, £2 13s. 4d. per term.

In the case of two or more brothers attending the school, a reduction of 10 per cent. will be allowed in the fees for tuition.

The fees for each resident boarder are at the rate of £60 per annum for a boy over 12 years of age, and £50 per annum under 12 years, inclusive of the tuition fee.

Boys are received from the age of eight years and upwards.

Scholarships.

There are two High School Scholarships of the annual value of £50, open to competition by boys from any of the Elementary Schools.

Terms and Vacations.

The year is divided into 3 terms, with vacations of 6 weeks at Christmas; 1 week at Easter, during which it is optional for boarders to remain at the School without additional charge; and 5 weeks at Midwinter.

The School reassembles for the September term this day.

Further particulars may be obtained of
