GEORGE SHENTON,  
Colonial Secretary.

### By-Laws of the Northam Municipal Council.

WHEREAS by "The Municipal Institutions Act, 1876," Section 49, it is enacted that it shall be lawful for the Council to make, publish, alter, modify, amend, or repeal such by-laws and regulations as to them shall seem meet for regulating their own proceedings, and for certain other purposes in the said section particularly mentioned; and by the said Act it is further enacted that such by-laws should not be inconsistent with, or repugnant to any of the provisions of that Act or to any law in force, and when confirmed by the Governor, with the advice of the Executive Council, and published in the *Government Gazette*, but

not sooner or otherwise, should have the force of law: Now, therefore, pursuant to the powers contained in the said Act, it is ordered and directed by the Council of the Town of Northam that the following by-laws shall, from and after confirmation and publication as aforesaid, be by-laws of the said Northam Municipal Council, and all previously existing by-laws be null and void.

## BY-LAW No. 1.—INTERPRETATION.

In these by laws unless the context otherwise requires:—

1. The word "Council" shall mean the Mayor and Councillors of Northam.
2. The word "Municipality" shall mean the Town of Northam.
3. The word "Mayor" shall mean the Mayor of the Municipality.
4. The words "public streets" shall mean and include every public street, road, footway, square, thoroughfare or other public place within the Municipality.
5. The word "person" shall include a body corporate.
6. The word "owner" shall apply to every person in possession or receipt either of the whole or of any part of the rents or profits of any house, building, land, or tenement.

## BY-LAW No. 2.—STANDING ORDERS.

*Order of Proceedings.*

1. The Council shall meet at the Hall of the Mechanics' Institute, or such other place as the Council may from time to time determine, on the second Thursday in every month at the hour of 8, or oftener if necessary, for the transaction of their ordinary business.
2. The Council shall commence business so soon after the above-mentioned hour as there is a sufficient number of members in attendance to constitute a quorum; but if at the expiration of thirty minutes from the above-mentioned hour there is not a quorum present, no business shall be transacted by the Council at that meeting.
3. Should the Mayor not be present, the meeting shall elect a Chairman from the Councillors present, who shall preside during the absence of the Mayor.
4. At all meetings of the Council when there is not a quorum present, or when the Council is counted out (which counting out shall take place whenever there shall be less than one-third of the members of the Council present, exclusive of the Mayor or Councillor chosen to preside in his absence), such circumstance, together with the names of the members present, shall be recorded in the minute book.
5. At all meetings of the Council the minutes of any preceding meeting not previously confirmed shall be read as the first business in order to their confirmation, and no discussion shall be permitted thereupon, except as to their accuracy as a record of the proceedings.
6. Immediately after the confirmation of the minutes the Mayor may make any communication to the Council which he may deem advisable, or bring under consideration any business he may think necessary; and it shall be competent for any member of the Council to ask a question or questions, but he shall confine himself to the question simply, and no debate shall ensue thereon at that time.
7. The ordinary business shall then be proceeded with.

*Orders of Debate.*

8. Any member proposing a motion or an amendment shall, if the Mayor or other chairman so desire it, put it in writing and sign and deliver it to the Mayor or other presiding chairman for the time being, after it has been duly seconded, and the Mayor or other presiding chairman shall read the same before being discussed, and no motion or amendment so made shall be withdrawn without leave of the Council.
9. No member shall speak twice upon the same question, except by way of explanation or in reply, upon any original motion of which he may have been the mover, or as the mover of the amendment last carried. Nevertheless, any member, who may have been misrepresented or misunderstood, shall be allowed to explain immediately before the mover rises to reply. The amendment or the original motion, as the case may be, shall be immediately put to the vote.
10. The Mayor or other presiding chairman shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same question unless entitled to reply, or in explanation when he has been misrepresented or misunderstood.
11. Any member moving a motion or amendment shall be held to have spoken on that question.

12. No member shall digress from the subject matter of the question under discussion, or impute improper motives to any other member.

13. The Mayor or other presiding chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case without argument or comment, and his decision shall be final in that particular case.

14. One amendment only shall be discussed at one time, but if lost another may be moved before the original question is put to the vote, but upon any amendment being carried it shall be competent for any member to move one other amendment thereon but no more.

15. Upon the adoption of any amendment such amendment shall be held to have quashed the original motion, and for all purposes of subsequent discussion the amendment so carried shall be acted on as an original motion.

16. No motion, the effect of which, if carried, would be to rescind any motion which has already passed the Council, shall be entertained during the same municipal year, unless a call of the whole of the Council has been duly made for the purpose, and no motion for rescinding any resolution of the Council, which shall have been negatived by the Council, shall again be entertained during the same municipal year unless by consent of at least four members of the Council.

17. In case of an equality of votes the Mayor, or other presiding chairman shall give a casting vote, and any reasons given by him shall be entered in the minutes of the proceedings.

18. No by-law shall be finally passed and rescinded at the meeting at which it shall have been first proposed, nor until the next or some subsequent meeting of the Council duly convened.

In cases of urgent necessity any standing order or orders of the Council may be suspended on motion duly made and seconded, without notice. Provided that such motion has the concurrence of at least four members of the Council.

The same notice shall invite applications for the office to be sent in to the next meeting of the Council.

2. The salary or allowance attached to all offices at the disposal of the Council shall be fixed for the Municipal year, and in all cases before proceeding to the election.

3. At the next meeting of the Council after the notice as before mentioned has been given, all letters of application for the office shall be opened and the names read aloud, and an appointment may then be made.

4. All elections for offices at the disposal of the Council shall be effected by voting by ballot, and it shall be a general rule that the two candidates polling the largest number of votes be again put to the ballot until one of such candidates shall have polled the majority of the votes of the members present, every member present being required to record his vote.

5. No member of the Council, nor any Auditor of the Municipality, nor any officer thereof, shall be received as security for any officer appointed by the Council or for any work to be done for the Council; and in all cases in which security for the due and faithful performance of any duty or contract is required, the expense of preparing such security shall be borne by the Council.
