2. Any two members may require the Council Chamber to be cleared of strangers, and the Mayor or other presiding Chairman shall immediately give directions to have the order executed.

Commencement of Business.

3. The Council shall commence business so soon after the time stated in the summons as there is a sufficient number of members in attendance to form a quorum, which quorum shall consist of not less than one-third of the members; but if at the expiry of fifteen minutes from the time specified in the summons there is not a quorum present, the Council shall stand adjourned.

When a Quorum not present.

4. At all meetings of the Council, when there are not one-third of the members present, or when the Council is counted out, which counting out shall take place whenever there shall be less than one-third of the members present, such circumstance, together with the names of the members then present, shall be recorded in the minute book.

Confirmation of Minutes.

5. The minutes of any preceding meeting, not previously confirmed, shall be read as the first business at all meetings of the Council in order to their confirmation, and no discussion shall be permitted thereupon except as to their accuracy as a record of the proceedings.

Mayor may make communications.

6. Immediately after confirmation of the minutes the Mayor may make any communication to the Council he may deem advisable, or bring under consideration any business he may think necessary.

Questions may be asked.

7. It shall be competent for any member of the Council to ask a question or questions, but he shall confine himself to the question simply, and no debate shall ensue thereon at that time.

Notices of Motion.

8. Notices of Motion to be made at the next ensuing meeting of the Council shall be given to the Town Clerk in writing at least three clear days previous to the meeting at which it is proposed to consider the same.

Personal explanation.

The nature and prayer of every petition or memorial shall be stated to the Council by the member presenting the same.

CHAPTER II.—ORDERS OF THE DAY.

Meaning of "Order of the Day."

12. An order of the day shall be taken to mean the report of a committee, a notice of motion, or any matter which the Council may have postponed, or directed to be considered at the next or any subsequent meeting of the Council.

Order of business.

13. The orders of the day shall be numbered, brought on, and disposed of in the order in which they appear on the paper; reports of committees being numbered as the first orders of the day.

Notices of motion may be brought forward.

14. Any member of the Council may bring forward such business as he may consider advisable in the form of a notice of motion, such notice to be given in writing to the Town Clerk at least three clear days previous to the meeting at which it is intended to consider the same, and the substance of such notice shall be communicated by the Town Clerk to the members of the Council in the notice paper for such meeting, and all such notices of motion shall be considered orders of the day.

15. No resolution or motion affecting the expenditure of any portion of the municipal funds exceeding in amount the sum of Ten pounds shall be considered by the Council unless the same shall have been first notified on the notice paper.

Unbecoming Notices of Motion.

16. If any notice of motion contains unbecoming expressions the Council may order that it be expunged from the Council paper.

Orders of the Day, how called on.

17. No order of the day shall be proceeded with when called on unless the member who gave the notice, or some member authorised by him to proceed thereon, be present; but it, as well as any notice of motion on the notice paper not moved when called on, shall lapse.

Adjournment of Debate.

18. Any adjourned debate on a motion before the Council, or any motion of which the Council may postpone consideration and direct to be considered next meeting, or at any subsequent meeting of the Council, shall be set down on the notice paper before, and have precedence over any other notices of motion set down for that particular day.

Business not disposed of at Adjournment.

19. If, at the adjournment of the Council, any orders of the day on the notice paper have not been called on, such orders of the day shall be set down on the notice paper for the next sitting day, and shall take precedence of any subsequent notice of motion.

Call of Council.

20. For the consideration of any By-Law, or for raising or appropriating of money, or for any other purpose, it shall be competent for any member, without previous notice, to move for a call of the whole Council for the consideration of such subject at the next or any subsequent meeting; and upon such motion being carried, due notice thereof shall be given in the notice paper for the day when the order of the day or notice of motion for which such call was made is set down for consideration.

21. The order for calling over the Council on a future day shall be set down as the first order of the day so appointed, after the reports of committees have been read, unless the call shall be made for a fixed time, in which case the call shall be made at such time, or as soon after as the Mayor may appoint.

22. On an order of the day for the call of the Council to be made on some subsequent date being affirmed, the Town Clerk shall, by means of the ordinary notice paper, cause notice thereof to be given to each member of the Council.

23. The order of the day for calling over the Council shall be set down on the notice paper of the day of meeting on which such call is to be made as a *special* order of the day, and at the time fixed in such order the Council shall proceed with such call; any matter or thing then under consideration, and all other business of the Council shall be held to be, and shall remain, in abeyance until after such call and any motion appertaining thereto has been disposed of.

24. On the call of the Council being completed, the motion necessitating such call shall forthwith be considered, and every member present when such call is made will be required to remain until such motion has been affirmed, rejected, or otherwise disposed of.

25. When the order of the day for calling over the Council is read, unless the same be postponed or discharged, the names of the councillors shall be called over by the Town Clerk.

26. The names of any councillors who do not answer when called shall be put down by the Town Clerk and recorded in the minutes of the proceedings of the day.

CHAPTER III.—ORDERS OF DEBATE.

Motions and Amendments.—How proposed.

27. Any member desirous of proposing a motion or amendment, or of discussing any matter under consideration, must rise in his place, uncovered, and address the Mayor or other presiding Chairman; and no member when speaking shall be interrupted, unless called to order, in which case he shall sit down, and the member calling to order shall, in the first place, name the standing order on the strength of which he rises, and, if found to be correct by the Mayor or other presiding Chairman, shall be heard in preference to any other speaker, and the question of order shall be disposed of before the subject is resumed or any other subject entered upon.

To be in writing.

28. Any member desirous of proposing a motion shall state the nature of such motion before addressing the Council thereon, and for the purposes of record shall put it in writing and sign and deliver it to the Town Clerk, who shall add thereto the name of the seconder, and the Mayor or other presiding Chairman shall read the same to the Council before being discussed, and no motion shall be withdrawn without leave of the Council.

Division of complicated question.

29. The Council may order a complicated question to be divided.

Speaking twice.

30. No member shall speak twice on the same question, except by way of explanation or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last carried; nevertheless, any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply, but not after; and after the reply the amendment or the original motion, as the case may be, shall immediately be put to the vote.

Amendments.

31. Whenever an amendment is moved upon an original proposition no second amendment shall be taken into consideration until the first amendment has been disposed of. If the first amendment be carried, it shall displace the original question and become itself the question. If the first amendment be negatived, then a second amendment may be moved upon the original question under consideration; but only one amendment shall be submitted to the Council for discussion at one time.

32. On an amendment being moved, no member of the Council who has spoken to the original question shall speak again (except in explanation, or as the mover of the original question in reply) until the amendment has been put, and has become the amended proposition before the Council.

33. Any member moving or seconding a motion or amendment in the terms, "I move," &c., or, "I second," &c., as the case may be, shall be held to have spoken on that question.

Committees' Reports—Members signing reports of Committees as proposer or seconder, may address Council on such reports.

34. Any member who may have signed the proposition paper, either as proposer or seconder, to enable the reports of the Committees of Council to be put to the vote for adoption or otherwise by the Council, shall not be held to have spoken thereon by such act, but may address the Council on matters contained in such reports.

Suspension of Standing Orders.

35. Any one or more of the Standing Orders of the Council may be suspended *pro tempore* in case of emergency provided that five members at least be present, and the majority shall then decide whether such suspension is necessary.

36. By special indulgence of the Council a member unable conveniently to stand, by reason of sickness or infirmity, will be permitted to speak sitting and uncovered.

37. Any member may require the enforcement of any standing order of the Council by simply noticing that such order is disobeyed.

38. The members in speaking shall designate each other by their respective titles of Mayor or Councillor, as the case may be.

Pre-audience.

39. If two or more members rise to speak at the same time, the Mayor, or other presiding Chairman, shall decide which is entitled to pre-audience.

Mayor to call to Order.

40. The Mayor, or other presiding Chairman, shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same question, unless entitled to reply, or in explanation where he has been misrepresented or misunderstood.

Digression, Imputation of Motives, &c.

41. No member shall digress from the subject-matter under discussion—nor impute improper motives to any other member; and all personal reflections upon any member shall be considered highly disorderly; any member may require the Town Clerk to take down any particular word or words used by a member immediately upon the same being used, provided that every such demand shall be made at the time when such word or words are used, and not after any other member has spoken.

Offensive Expressions.

42. Any member who shall use any expression capable of being applied offensively to any other member shall, if required by the Council, withdraw such expression and make a satisfactory apology to the Council; and any member having used objectionable words and not retracting the same and offering suitable apologies for the use thereof to the satisfaction of the Council, shall be fined not less than One pound or more than Ten pounds; and any member called to order shall sit down, unless permitted to explain.

Member to withdraw when his conduct is under debate.

43. When, in consequence of disorderly conduct, the Mayor shall call upon any member by name, such member shall withdraw as soon as he has been heard in explanation, and after such member's withdrawal the Council shall at once take the case into consideration.

Members disobedient, &c.

44. Any member who shall wilfully disobey any call to order, or who shall wilfully or vexatiously interrupt the orderly conduct of the business of the Council, shall be deemed to be guilty of disorderly conduct, and on passing of a motion censuring such member, he shall be fined not less than One pound nor more than Ten pounds.

Should any member upon whom a fine has been inflicted neglect or refuse to pay the fine so imposed before the next meeting of the Council or committees, such member shall cease to have any status or position at any meeting of the Council or committees; nor shall he be allowed to sit at the Council table or any committee table, or take part in any of the proceedings of the Council or committees, unless and until after the said fine and all costs, charges, and expenses connected therewith are fully paid and discharged.

Fines, charges, &c.

45. Any fine inflicted on any member of the Council for any breach of this by-law, together with all costs, charges, and expenses incidental thereto, shall be forthwith paid to the Town Clerk, to become corporation funds.

Decision on points of order.

46. The Mayor or other presiding Chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case without argument or comment, and his decision shall be final in that particular case.

Objection to the ruling of Mayor.

47. If any objection be taken to the ruling of the Mayor, such objection must be taken at once.

Motions as to Mayor's ruling.

48. Objection having been taken to the ruling of the Mayor, the member so objecting may forthwith move that the ruling on the point then raised is not in accordance with the standing orders, specifying the number of such standing order or orders. Should the motion not be seconded, then the business shall be proceeded with at the point where it was interrupted; but if the motion be seconded, it shall be put to the vote, and the result of the vote, whether in support of the ruling or otherwise, shall guide the Council.

Members not to converse aloud.

49. No member shall converse aloud except to call to order, or make any noise or disturbance whilst any member is speaking or any matter is being considered; and in case of such noise or disturbance being persisted in after the Mayor has called to order, the Mayor shall call upon the member making such disturbance, by name, and every such member will incur the displeasure and censure of the Council.

Interruption not allowed.

50. When a question is being put to the vote, or when the Mayor is speaking, or any member is addressing the chair, no member shall walk out of or across the chamber so as to interrupt him, nor shall any member interrupt another whilst speaking, except—(1.) To request that his words be taken down; (2.) To call attention to a point of order; or (3.) To call attention to the want of a quorum.

Speaking "to order."

51. Any member may rise to speak "to order" upon a matter suddenly arising.

Precedence to question of Order.

52. All questions of order at any time arising shall, until decided, suspend the consideration and decision of every other question.

Production of documents.

53. Any member may of right require the production of any of the documents of the corporation relating to the question or matter under discussion.

Vote, how taken.

54. The Council shall vote by a show of hands, and the Mayor, or other presiding Chairman shall, in taking the vote on any motion or amendment, put the question—first in the affirmative, then in the negative; and he may do so as often as it is necessary to enable him to form and declare his opinion from the show of hands as to which party has the majority, and every member present shall, at the call of the Mayor or Chairman, vote thereon.

Member not in his seat.

55. No member when absent from his seat shall be permitted to vote on any question when being put to the vote by the Mayor or Chairman.

Members may "pair off."

56. Two members of the Council who intend to vote on opposite sides on the matter before the Council may "pair off," provided that a note signed by such members having so "paired off" shall be lodged with the Town Clerk and recorded by him prior to the meeting.

Voting on division.

57. No member shall speak to any question after the same has been put by the Mayor, except to call for a division on the question, in which case the members voting in the affirmative shall, until the vote is recorded, stand up, and those in the negative retain their seats.

Motion for division shall have precedence.

58. A motion "that the Council do now divide," moved and seconded, shall take precedence of all other business, and shall be put by the Mayor without any discussion taking place. Provided that no such motion shall be made so as to interrupt a member while speaking.

Motion for division if lost, &c.

59. If the motion to divide be lost the discussion on the original question shall be resumed where it was interrupted, and no motion to divide on the same subject shall be again entertained until one or more members at least have addressed the chair upon the question. A member moving a motion for a division shall not leave the Council Chamber until the division has taken place, and he shall vote on the question before the Council.

Reflecting on Vote of Council.

60. No member shall reflect upon any vote of the Council except for the purpose of moving that such vote be rescinded.

Adjournment of Council.

61. No discussion shall be allowed on any motion for adjournment of the Council; but if, on the question being put, the motion be negatived no further motion for such adjournment shall be entertained until one or more members shall have addressed the chair on the subject then under consideration, or the next on the notice paper, or any other that may be allowed precedence.

Withdrawal of Motion, &c.

62. No discussion shall be allowed on a motion for leave to be given to withdraw a motion or amendment then before the Council.

Resolutions, how rescinded.

63. No motion, the effect of which, if carried, would be to rescind any motion which has already passed the Council, shall be entertained during the same municipal year unless a call of the whole Council has been duly made expressly to consider such motion.

64. No motion to rescind shall be deemed to be carried unless upon a division. At least four members of the Council shall record their votes in the affirmative.

Adjournment of Debate.

65. A debate may be adjourned on motion, without any previous notice of motion, duly seconded, and without discussion, either to a later hour of the same day, or to another day.

Resumption of Debate.

66. The member upon whose motion any debate shall be adjourned by the Council shall be entitled to pre-audience on the resumption of the debate.

Interruption of Debate.

67. If any debate on any motion, moved and seconded, be interrupted by the Council being counted out, such debate may be resumed at the point where it was so interrupted.

Usage of Houses of Parliament to be observed.

68. In all cases not herein provided for, resort shall be had to the rules, forms, and practice of the West Australian Houses of Parliament, which shall be followed as far as they can be applied to the proceedings of the Council.

Records of Attendance.

69. The Town Clerk shall keep a record of the attendance of the members at the Council and at each committee meeting and special and sub-committee meetings, and such record shall be presented to the Council at the first Council meeting held in the months of June and December.

CHAPTER IV.—COMMITTEES.

Appointment of Committees.

70. There shall be two permanent committees of the Council, to be called the "Finance and Public Works" and the "Health and By-Laws" committees, which shall be annually appointed. Such committees shall respectively consist of the Mayor and four Councillors, and the quorum of each committee shall be three.

Chairman of Committees.

71. The Mayor shall be Chairman of all committees or sub-committees, and in the event of his absence the committee may appoint one of their own members Chairman.

72. On the acceptance by the Council of a final report from a special committee, the said committee shall be considered discharged.

Attendance at Committees.

73. No person, except a member of the committee, shall be admitted to any meeting of such committee without the consent of the members then present.

Mayor, Special Committees, etc.

74. The Mayor, or a special committee, or any number of the members of the Council, may be appointed to inquire into and report to the next or any subsequent meeting of the Council on any matter referred to the Mayor or such committee; and it shall be competent for the Council to authorise the Mayor or such special committee to act and deal finally in any or all cases remitted to him or them prior to his or their report being presented to the Council. Provided that no Councillor shall, of his own motion, take any action by speaking, writing, or otherwise, outside of the Council upon any matter or thing concerning the proceedings or business of the Mayor or the Council, and any Councillor so offending shall incur the displeasure and censure of the Council.

Permanent Committees authorised to act.

75. Any one or more of the permanent committees, acting severally or jointly, to which questions may be referred by the Council for consideration, may be authorised to act in and deal finally with such questions prior to the report of such committee or committees thereon being presented to the Council.

76. The Town Clerk shall convene each committee meeting whenever there is business to report or to act upon, and also when requested by the Mayor or any two members of the committee.

Standing Orders to be observed.

77. The standing orders of the Council shall be observed in committees, except the rule limiting the number of times of speaking, but no member shall be permitted to speak more than twice on any subject; except the rule as to divisions, which shall not be taken in committees unless of the whole Council; and except as to the business of committees being conducted with open doors.

CHAPTER V.—ELECTION TO OFFICES.

Election of Officers.

78. All elections for offices at the disposal of the Council shall be effected by voting by ballot, and it shall be a general rule that the three, if not three, then that the two, candidates polling the largest number of votes be again put to the ballot (except one of such candidates shall poll a majority of the votes of the members present on their first going to the vote) until one of such candidates shall have polled the majority of votes of the members present, every member present being required to record his vote.

Notice of Election.

79. When any office is at the disposal of the Council, five clear days' notice shall be given by advertisement in one or more of the local newspapers of the intention of the Council to fill such vacancy, and the same notice shall invite applications for the office, to be sent in to the next meeting of the Council.

Fixing Salary.

80. The salary or allowance attached to the office under the consideration of the Council shall be fixed in all cases before proceeding to the election, unless otherwise decided by a resolution of the Council, and the salary of any officer when fixed shall not at any time be considered with a view to its reduction or increase, unless specially sanctioned by and at a meeting of the Council at which two-thirds at least of the members are present.

Applications opened.

81. At the next meeting of the Council after the notice as before mentioned has been given, all letters of application for the office shall be opened, and the names read aloud.

Applications to lie on the Table.

82. The letters of application, together with any testimonials accompanying the letters of application, shall lie on the Council table until the next meeting of the Council, when the appointment may be made or otherwise determined.

83. No member of the Council, nor any auditor for the Municipality, nor any officer of the corporation, shall be received as surety for any officer appointed by the Council, and in all cases in which security for the due and faithful performance of any duty or contract is required, the expense of preparing such security shall be borne by the Council.

CHAPTER VI.—SUSPENSION OF STANDING ORDERS.

84. In case of urgent necessity any standing order or orders of the Council may be suspended on motion, duly made and seconded, without notice, provided that such motion has the concurrence of at least four members of the Council.

85. When a motion for the suspension of the standing order or orders appears on the notice paper, such motion may be carried by a majority of the whole Council.
