## 1906 By-Laws of the Geraldton Municipal Council.

WHEREAS by "The Municipal Institutions Act, 1895," Section 99, it is enacted that "every Council may make, publish, alter, modify, amend, or repeal By-laws," for the purposes in the said section particularly named; and by the said Act it is further enacted that "such By-laws shall not be inconsistent with or repugnant to any of the provisions of that Act or to any law in force, and when confirmed by the Governor, with the advice of the Executive Council, and published in the *Government Gazette*, but not sooner or otherwise, should have the force of law": Now therefore, pursuant to the powers contained in the said Act, it is ordered and directed by the Council of the Municipality of Geraldton that the following By-laws shall, from and after confirmation and publication as aforesaid, be By-laws of the Geraldton Municipal Council, and all previously existing By-laws be null and void.

By order,

(Sgd.) C. P. REILLY,

Mayor Geraldton Municipality.

Town Council Office, Geraldton,  
25th November, 1895.

### BY-LAW NO. 1.—*Interpretation.*

In these By-laws, unless the context otherwise requires—

1. The word "Council" shall mean the Mayor and Councillors of Geraldton.
2. The word "Municipality" shall mean the town of Geraldton.
3. The word "Mayor" shall mean the Mayor of the Municipality.
4. The words "public street" shall mean and include every public street, road, footway, square, thoroughfare, or other place within the Municipality.
5. The word "person" shall include a body corporate.
6. The word "owner" shall apply to every person in possession or receipt either of the whole or of any part of the rents or profits of any house, building, land, or tenement.

### BY-LAW NO. 2.—STANDING ORDERS.—*Order of Proceedings.*

1. The Council shall meet at the Town Hall on the first Monday in every month, at the hour of eight p.m., for the transaction of their ordinary business, and the business of the Council shall be conducted with open doors.
2. The Council shall commence business so soon after the above-mentioned hour as there is a sufficient number of members in attendance to constitute a quorum; but if at the expiration of thirty minutes from the above-mentioned hour there is not a quorum present, no business shall be transacted by the Council at that meeting.
3. Should the Mayor not be present, the meeting shall elect a Chairman from the councillors present, who shall preside during the absence of the Mayor.
4. At all meetings of the Council when there is not a quorum present, or when the Council is counted out (which counting out shall take place whenever there shall be less than one-third of the members of the Council present, exclusive of the Mayor or Councillor chosen to preside in his absence) such circumstance, together with the names of the members present, shall be recorded in the minute book.
5. At all meetings of the Council the minutes of any preceding meeting, not previously confirmed, shall be read as the first business, in order to their confirmation, and no discussion shall be permitted thereupon except as to their accuracy as a record of the proceedings.
6. Immediately after the confirmation of the minutes the Mayor may make any communication to the Council which he may deem advisable, or bring under consideration any business he may think necessary, and it shall be

competent for any member of the Council to ask a question or questions, but he shall confine himself to the question simply, and no debate shall issue thereon on that time.

7. The ordinary business shall then be proceeded with.

### *Orders of Debate.*

8. Any member proposing a motion or an amendment shall, if the Mayor so desire it, put it in writing, and sign and deliver it to the Mayor or other presiding Chairman for the time being, after it has been duly seconded, and the Mayor or other presiding Chairman shall read the same before being discussed, and no motion or amendment so made shall be withdrawn without leave of the Council.

9. No member shall speak twice upon the same question, except by way of explanation or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last carried. Nevertheless, any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply. The amendment of the original motion, as the case may be, shall be immediately put to the vote.

2. These By-laws shall come into force on the first of March, 1896.

3.
