MEMORANDUM.

HIS Excellency the Governor desires to express the pleasure and satisfaction he derived from his visit to the Camp of Exercise for the Local Forces at Karrakatta on Easter Monday, the 6th inst.

2. Having due regard to the fact that this is the first occasion on which the formation of any camp has been attempted on so large a scale or on a strictly military basis, His Excellency is of opinion that the attendance was very satisfactory, and that the cleanliness of the camp, and the drill and discipline of the force while under arms, or off duty, reflected credit on the Commandant, the Staff Adjutant, and the Officers, Non-Commissioned Officers, and men of all ranks alike.

3. His Excellency trusts that in future years still larger numbers may take advantage of the formation of the camp, to confirm and enlarge the instruction they receive in their local corps and districts.

4. His Excellency will have pleasure, by his presence at future camps, in giving to the Local Forces the encouragement which lies in his power, in the best interests of the Colony and the Empire.

CIRCULAR.

SIR,

*Downing Street,
17th February, 1896.*

With reference to my predecessor's Circular despatch of the 31st December, 1894, I have the honour to transmit to you, for publication in the Colony under your Government, a copy of a Convention between Great Britain and Japan, signed at Tôkiô, July 16, 1895, supplementary to the Treaty of Commerce and Navigation between the two countries of July 16, 1894.

I have, &c.,
J. CHAMBERLAIN.

The Officer Administering
the Government of

SUPPLEMENTARY CONVENTION BETWEEN GREAT BRITAIN AND JAPAN RESPECTING THE DUTIES TO BE CHARGED ON BRITISH GOODS IMPORTED INTO JAPAN.

Signed at Tôkiô, July 16, 1895.

[Ratifications exchanged at Tôkiô, November 21, 1895.]

WHEREAS, by the Protocol signed at London on the 16th of July, 1894, it was agreed between the Government of Her Britannic Majesty and the Government of His Majesty the Emperor of Japan that the *ad valorem* duties of the Tariff annexed to the aforesaid Protocol should, so far as might be deemed practicable, be converted into specific duties by means of a Supplementary Convention, to be concluded between the two Governments within six months from the date of that Protocol; and

Whereas this period was extended by subsequent arrangement:

The High Contracting Parties have appointed as their Plenipotentiaries to conclude a Convention for this purpose, that is to say:

Her Britannic Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, Gerard Augustus Lowther, Her Britannic Majesty's Chargé d'Affaires;

And His Majesty the Emperor of Japan, Marquis Saionji Kimmochi, Junii, first class of the Order of the Sacred Treasure, His Imperial Majesty's Minister of State for Education, and Acting Minister of State for Foreign Affairs;

Who, having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following Articles:—

1. The Tariff annexed to this Convention shall be substituted for the *ad valorem* Tariff annexed to the aforesaid Protocol of the 16th of July, 1894; it shall be subject to all the stipulations contained in Article I of that Protocol, in so far as these are applicable, and it shall come into force one month after the exchange of the ratifications of this Convention.

2. The specific duties established by this Convention shall be subject to triennial readjustment. Such readjustment shall be based on the

difference between the average of the two quarterly rates of exchange adopted by the Japanese Customs during the six months ending June 30th, 1894, and the average of the rates of exchange adopted by the Japanese Customs for the four quarters preceding that in which each successive period of three years expires.

The Schedule of readjusted duties shall be published by the Japanese Government three months in advance, and shall take effect immediately upon the expiration of the said period.

It is understood between the High Contracting Parties that the operation of this stipulation shall be subject to the acceptance of a similar arrangement by the other Powers with whom Conventional Tariffs are now being negotiated by Japan.

3. The quarterly rates of exchange mentioned in the preceding Article are the rates determining the comparative values, as entered in the quarterly Tables published by the Japanese Department of Finance, of the present Japanese silver yen on the one hand, and of the English pound sterling on the other.

4. The present Convention shall have the same duration as the Treaty and Protocol concluded on the 16th of July, 1894, of which it is a complement.

5. The present Convention shall be ratified, and the ratifications shall be exchanged at Tôkiô as soon as possible, and not later than six months from the present date.

Done at Tôkiô, in duplicate, this 16th day of July, 1895.

(Signed) (L.S.) GERARD AUGUSTUS LOWTHER.
(L.S.) MARQUIS SAIONJI.
