HIS Excellency the Governor in Executive Council has been pleased to confirm the following By-laws made by the Council of the Municipality of Menzies.

OCT. BURT,
Under Secretary.

By-Laws of the Menzies Municipal Council.

WHEREAS by "The Municipal Institutions Act, 1895," Section 99, it is enacted that every Council may make, publish, alter, modify, amend, or repeal By-laws: Now therefore, pursuant to the powers contained in the said Act, it is ordered and directed by the Council of the Municipality of Menzies that the following By-laws shall form and be the By-laws of the Menzies Municipal Council.

By Order,
(Sd.) H. GREGORY,

Mayor, Menzies Municipality, Menzies.

Town Council Office,
Menzies, 10th June, 1896.

BY-LAW NO. 1.—INTERPRETATION.

In these By-Laws, unless the context otherwise requires—

1. The word "Council" shall mean the Mayor and Councillors of Menzies.
2. The word "Municipality" shall mean the Town of Menzies.
3. The word "Mayor" shall mean the Mayor of the Municipality.
4. The words "public street" shall mean and include every public street, road, footway, square, thoroughfare, or other place within the Municipality.
5. The word "person" shall include the plural, and also a body corporate.
6. The word "owner" shall apply to every person in possession or receipt either of the whole or of any part of the rents or profits of any house, building, land, or tenement.
7. The word "occupier" shall mean the inhabitant occupier of any land, or if there is no inhabitant occupier, the person entitled to the possession thereof, and shall include leaseholder.
8. The word "Surveyor" shall mean the Surveyor for the Municipality or other officer authorised to act as such for the time being.
9. The words "Town Clerk" shall mean and include the Clerk of the Municipality, or any officer appointed to act as such for the time being.

BY-LAW NO. 2.—STANDING ORDERS—ORDER OF PROCEEDINGS.

1. The business of the Council shall be conducted with open doors.
2. The Council shall commence business so soon after the time stated in the summons as there is a sufficient number of members in attendance to constitute a quorum; but if at the expiration of thirty minutes from the above-mentioned hour there is not a quorum present, no business shall be transacted by the Council at that meeting.
3. Should the Mayor not be present, the meeting shall elect a Chairman from the Councillors present, who shall preside during the absence of the Mayor.
4. At all meetings of the Council when there is not a quorum present, or when the Council is counted out (which counting out shall take place whenever there shall be less than one-third of the members of the Council present, exclusive of the Mayor or Councillor chosen to preside in his absence), such circumstance, together with the names of the members present, shall be recorded in the minute book.
5. At all meetings of the Council the minutes of any preceding meeting, not previously confirmed, shall be read as the first business, in order to their confirmation, and no discussion shall be permitted thereupon except as to their accuracy as a record of the proceedings.
6. Immediately after the confirmation of the minutes the Mayor may make any communication to the Council which he may deem advisable, or bring under consideration any business he may think necessary, and it shall be competent for any member of the Council to ask a question or

questions, but he shall confine himself to the question simply, and no debate shall issue thereon on that time.

7. The ordinary business shall then be proceeded with.

Orders of Debate.

8. Any member proposing a motion or an amendment shall, if the Mayor or other presiding Chairman so desire it, put it in writing and sign and deliver it after it has been duly seconded, and no motion or amendment so made shall be withdrawn without leave of the Council.

9. No member shall speak twice upon the same question, except by way of explanation or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last carried. Nevertheless, any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply. The amendment of the original motion, as the case may be, shall be immediately put to the vote.

10. The Mayor or other presiding Chairman shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same question, unless entitled to reply or in explanation where he has been misrepresented or misunderstood.

11. Any member moving a motion or amendment shall be held to have spoken on that question.

12. No member shall digress from the subject matter of the question under discussion, or impute improper motives to any other member.

13. The Mayor or other presiding Chairman, when called upon to decide a point of order or practice, shall state the rule and precedent applicable to the case, without argument or comment, and his decision shall be final in that particular case.

14. One amendment only shall be discussed at one time; but, if lost, another may be moved before the original question is put to the vote; but, upon any amendment being carried, it shall be competent for any member to move one other amendment thereon, but no more.

15. Upon the adoption of any amendment, such amendment shall be held to have quashed the original motion; and for all purposes of subsequent discussion the amendment so carried shall be acted on as an original motion.

16. No motion, the effect of which, if carried, would be to rescind any motion which has already passed the Council, shall be entertained during the same municipal year, unless by consent of at least four members of the Council.

17. In case of an equality of votes, the Mayor or other presiding Chairman shall give a casting vote, and any reasons stated by him shall be entered in the minutes and proceedings.

18. No By-law shall be finally passed or rescinded at the meeting at which it shall have been first proposed, nor until the next or some subsequent meeting of the Council duly convened.

19. Any member of the Council may bring forward such business as he may consider advisable in the form of a notice of motion, such notice to be given, in writing, to the Town Clerk at least three clear days previous to the meeting at which it is intended to consider the same, and the substance of such notice shall be communicated by the Town Clerk to the members of the Council in the notice paper for such meeting.

20. No resolution or motion affecting the receipt or expenditure of any portion of the municipal funds exceeding in amount the sum of £20 shall be considered by the Council, unless the same shall have been first notified on the notice paper.

BY-LAW NO. 3.—SUSPENSION OF STANDING ORDERS.

In cases of urgent necessity any standing order or orders of the Council may be suspended on motion duly made and seconded without notice, provided that such motion has the concurrence of at least four members of the Council.

BY-LAW NO. 4.—ELECTION OF OFFICERS.

1. When any office is at the disposal of the Council, at least fourteen clear days' notice shall be given by advertisement in one or more of the local newspapers of the intention of the Council to fill such vacancy, and the same notice shall invite applications for the office to be sent in to the next meeting of the Council.

2. The salary or allowance attached to all offices at the disposal of the Council shall be fixed for the municipal year, and in all cases before proceeding to the election.

3. At the next meeting of the Council, after the notice as before mentioned has been given, all letters of application for the office shall be opened, and the names read aloud, and the appointment may then be made.

4. All elections for offices at the disposal of the Council shall be effected by voting by ballot, and it shall be a general rule that the two candidates polling the largest number of votes be again put to the ballot until one of such candidates shall have polled the majority of the votes of the members present, every member present being required to record his vote.

5. No member of the Council, nor any Auditor of the Municipality, nor any officer thereof, shall be received as surety for any officer appointed by the Council, or for any work to be done for the Council; and in all cases in which security for the due and faithful performance of any duty or contract is required, the expense of preparing such security shall be borne by the Council.

BY-LAW NO. 5.—MUNICIPAL RATES.

All municipal rates shall be payable half-yearly, and the Collector for the time being duly appointed by the Council shall, at the commencement of each half-year, leave with the person liable to pay the same, or at his residence, or post to his last known address, or affix upon the property rated, a notice of the amount due by such person, and requiring payment thereof within fourteen days, and if the amount be not paid at the expiration of fourteen days the Council may take legal proceedings for its recovery.

BY-LAW NO. 6.—OFFICERS OF THE COUNCIL.

The Collector.

1. The Collector for the time being duly appointed by the Council shall demand, collect, and receive all rates, assessments, license fees, fines, forfeitures, rents, tolls, and other sums due to the Council, and his receipt shall be a full and sufficient discharge for any sums paid to him; and all sums so received by the Collector shall by him be paid to the Clerk of the Council weekly.

The Clerk of the Council.

2. The Clerk of the Council shall keep the books of the Council, and shall duly keep and enter in a proper minute-book minutes of all proceedings of the Council. He shall attend all meetings of the Council, issue notices of all meetings, and shall prepare for the Council or Mayor thereof, and in due time, the voters lists for the Municipality, and cause them to be affixed as by "The Municipal Institutions Act, 1895," required, and shall supply copies thereof as by the said Act required; and shall make up and complete, under the direction of the Council, the rate book; and shall, under the like direction, prepare the annual estimates as by the said Act required. 3. The custody of the journals, and all documents whatsoever (except such documents as are hereinafter expressed to be kept by the Mayor) laid before the Council shall be in the care of the Clerk, who shall neither take, nor permit to be taken, any such journals or documents from the Mayor's or Council office, without the express leave or order of the Council.

A REQUEST to be allowed to amend the under-mentioned specification of Letters Patent has been received, and is open to public inspection at this Office. Any person may, at any time within one month from the date of this "Notice," give me notice in writing, in duplicate, of opposition to the amendment, stating in such notice the particular grounds of objection:—

Application No. 1099, P. $\frac{9}{141}$.—JOSEPH GEORGE NASH, of Hindmarsh Square, Adelaide, in the Province of South Australia, Engineer, "*Improvements in and relating to Apparatus for purifying Water or other liquids.*"

The nature of the proposed amendments is as follows, viz.:—[Reference being had to amended copy of specification lodged in Patent Office, Perth.]

Page 3, line 19.

To insert after words "cut-off or" "threeway."

Page 4, line 6.

To strike out "check valve E³," and insert "threeway cock E²."

Page 4, line 10.

To strike out "to," also the whole of lines 11 and 12, and insert: "*in the loop or pipe of the injector above the threeway cock E², this is opened and the liquid then automatically passed by the check-valve into the boiler for further use. The air which has accumulated in the loop through the starting and stopping of the apparatus is then blown out through the cock E; (when at an angle of 90°), and this cock then returned to permit of the passage of the steam as before.*"
