The word "Tent" shall mean and include pavilion, shed, and other structure of calico, canvas, and other inflammable material.

No tent shall be erected or re-erected, or allowed to remain if already erected, by any person or persons within the limits of the Municipality of North Fremantle without obtaining the consent thereto of the Council, by its Town Clerk, for such time and upon such terms as the Council may decide; and any person offending against this By-law shall, upon conviction of every such offence, forfeit and pay a sum of not more than Two pounds: Provided that nothing herein contained shall be construed to prevent the erection by the Council on the public lands of the Municipality, or by the Government on any Government reserve, for temporary purposes, of any such tent, pavilion, shed, or structure aforesaid.

The owner or occupier of any land within the Municipality of North Fremantle may obtain permission to erect a tent on his land situated within that portion of the Municipality set apart by the Council for that purpose, upon the following conditions:—

Adjournment of Debate.

16. Any adjourned debate on a motion before the Council, or any motion of which the Council may postpone consideration and direct to be considered next meeting, or at any subsequent meeting of the Council, shall be set down on the notice paper before, and have precedence over, any other notices of motion set down for that particular day.

Division of Complicated Question.

25. The Council may order a complicated question to be divided.

Speaking Twice.

26. No member shall speak twice on the same question, except by way of explanation or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last carried; nevertheless, any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply, but not after; and after the reply the amendment or the original motion, as the case may be, shall immediately be put to the vote.

Amendments.

27. Whenever an amendment is moved upon an original proposition, no second amendment shall be taken into consideration until the first amendment has been disposed of. If the first amendment be carried, it shall displace the original question and become itself the question. If the first amendment be negatived, then a second amendment may be moved upon the original question under consideration; but only one amendment shall be submitted to the Council for discussion at one time.

28. On an amendment being moved, no member of the Council who has spoken to the original question shall speak again (except in explanation, or as the mover of the original question in reply) until the amendment has been put, and has become the amended proposition before the Council.

29. Any member moving or seconding a motion or amendment in the terms, "I move," &c., or "I second," &c., as the case may be, shall be held to have spoken on that question.

Committees' Reports.—Members signing reports of Committees as Proposer or Second, may address Council on such reports.

30.
