Town of Fremantle.

BY-LAWS.

IN pursuance of the powers and provisions contained in, under, and by virtue of "The Municipal Institutions Act, 1895," the Council of the Town of Fremantle makes and ordains that the following By-laws for the general regulation of traffic in and through the streets and footways of the Town of Fremantle, and for insuring the safety and cleanliness thereof, and the good rule and government of the Municipality, and the convenience and comfort of the inhabitants thereof be observed and enforced.

STANDING ORDERS FOR REGULATING AND GOVERNING THE PROCEEDINGS OF THE COUNCIL OF THE TOWN OF FREMANTLE.

BY-LAW No. 1.

Council to sit with open doors.

1. The business of the Council shall be conducted on all occasions with open doors.

Withdrawal of Strangers.

A majority of the Council present may require the Council Chamber to be cleared of strangers, and the Mayor, or other presiding chairman, shall immediately give directions to have the order executed.

Commencement of Business.

2. The Council shall commence business as soon after the time stated in the summons as there is a sufficient number of members in attendance to form a quorum, which quorum shall consist of not less than one-third of the members of the Council, exclusive of the Mayor, or councillor chosen to preside in his absence, but if at the expiry of fifteen minutes from the time specified in the summons there is not a quorum present, the Council shall stand adjourned.

When a quorum not present.

3. At all meetings of the Council when there are not one-third of the members of the Council, exclusive of the Mayor, or councillor chosen to preside in his absence, present, or when the Council is counted out, which counting out shall take place whenever there shall be less than a quorum present, such circumstance, together with the names of the members then present, shall be recorded in the minute book.

Minutes to be read and confirmed.

4. The minutes of the preceding meeting having been fairly entered in the minute-book, shall be read aloud previous to their confirmation, unless a majority of the Councillors then present shall resolve "that the minutes be taken as read."

Mayor may make communications.

5. Immediately after confirmation of the minutes the Mayor may make any communication to the Council which he may deem advisable, or bring under consideration any business he may think necessary.

Questions may be asked.

6. It shall be competent for any member of the Council to ask a question or questions, but he shall confine himself to the question simply, and no debate shall ensue thereon at that time.

Notices of Questions shall be given.

7. Notices of questions to be asked at the next ensuing meeting of the Council shall be given to the Town Clerk in writing at least four clear days previous to the meeting at which it is intended to ask the same.

When entered on Council paper.

8. When notices of questions are given, the Town Clerk shall place them on the Council paper at the commencement of the day's business, and the question and replies shall be entered in the minute book of the Council.

Personal explanation.

9. By the indulgence of the Council, a member may explain matters of a personal nature, although there be no question before the Council; but such matters shall not be debated.

LETTERS, PETITIONS, MEMORIALS.

Letters may be read.

10. Letters, petitions, and memorials shall be then read.

Petitions or Memorials to be respectful—Presented by members—Member to affix his name—Member to peruse petition.

11. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Council by a member only; and any member presenting a petition or memorial to the Council shall affix his name at the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof, and ascertain that it does not contain language disrespectful to the Council. The nature and prayer of every petition or memorial shall be stated to the Council by the member presenting the same.

Tenders—When to be opened.

12. Tenders for works shall be opened, considered, and dealt with at the meeting of the Council at any time which the Mayor may appoint.

Orders of the day.

13. "An Order of the Day" shall be taken to mean the report of a committee, a notice of motion, or any matter which the Council may have postponed or directed to be considered at the next or any subsequent meeting of the Council.

Order of business.

14. The orders of the day shall be numbered, brought on, and disposed of in order in which they appear on the paper; reports of committees being numbered as the first orders of the day.

No resolution, motion, or report, involving the expenditure of any portion of the municipal funds exceeding in amount the sum of twenty pounds, shall be adopted by the Council, unless the same shall have been previously submitted on the notice paper to and sanctioned by the Council.

Notices of motion may be brought forward.

15. Any member of the Council may bring forward such business as he may consider advisable in the form of a notice of motion, such notice to be given in writing to the Town Clerk at least four clear days previous to the meeting at which it is intended to consider the same, and the substance of such notice shall be communicated by the Town Clerk to members of Council in the notice paper for such meeting, and all such notices of motion shall be considered orders of the day.

Unbecoming notices of motion.

16. If any notice of motion contains unbecoming expressions, the Council may order that it be expunged from the Council paper.

Orders of the day how called on.

17. No order of the day shall be proceeded with when called on unless the member who gave the notice, or some member authorised by him to proceed thereon, be present, but it, as well as any notice of motion on the notice paper not moved when called on, shall lapse.

Adjournment of debate.

18. Any adjourned debate on a motion before the Council, or any motion which the Council may postpone consideration of and direct to be considered at the next meeting or any subsequent meeting of the Council, shall be set down on the notice paper before and have precedence over any other notices of motion set down for that particular day.

Business not disposed of at adjournment.

19. If, at the adjournment of the Council, any orders of the day on the notice paper have not been called on, such orders of the day shall be set down on the notice paper for the next sitting day at the end of the regular business.

MISCELLANEOUS REGULATIONS.

Call of Council for certain purposes.

20. For the consideration of any By-law, or for the raising or appropriating of money, it shall be competent for any member, without previous notice, to move for a call of the whole Council, for the consideration of any such subject at the next or any subsequent meeting; and, upon such motion being carried, due notice thereof shall be given in the notice paper for the day when the order of the day or notice of motion for which such call was made is set down for consideration.

Notices of Motion for Call of the Council.

21. For the objects contemplated in the foregoing section of this By-law, it shall be necessary to lodge with the Town Clerk, at least four clear days previous to the meeting of Council, a notice of motion for a call of the Council to be made at a fixed hour on some subsequent day, and such notice of motion shall appear on the notice paper for the first ordinary meeting of Council as an order of the day for consideration. Any member not in attendance at the voting upon any question, whether of adjournment or otherwise, when a call of the Council is made, shall be liable to a penalty of £1, unless reasonable cause for such absence be shown to the satisfaction of the Council.

Custody and use of Corporation Seal.

22. The Town Clerk shall have charge of the common seal of the Corporation, and shall be responsible for the safe custody and proper use of the same.

Attestations under Corporate Seal.

23. The Town Clerk shall not affix the common seal to any corporate document other than contracts for work to be executed, entered into by, and with the Corporation, without the express orders of the Council; but in case of powers of attorney and other legal instruments not relating to the Corporation, the signatures to which require to be verified by declaration or otherwise before the Mayor, the said seal shall and may be affixed by the Town Clerk to the Mayor's certificate accompanying the same, on receipt by the Treasurer of a fee of half a guinea for each such attestation.

Custody of Records, Journals, &c.

24. The custody of the journals, records, and all documents whatsoever laid before the Council, shall be in the Town Clerk, who shall neither take nor permit to be taken any such journals, records, or documents from the Corporation offices without the express leave or order of the Council.

Passing of By-Laws.

25. No By-law shall be finally passed or adopted at the meeting at which it shall have been first proposed, nor until the next or some subsequent meeting of the Council duly convened.

Interpretation.

26. The word "Mayor" shall mean and include the presiding chairman, whether of the Council or of any committee of the Council, as well as His Worship the Mayor.

SUSPENSION OF STANDING ORDERS.*Suspension of Standing Orders.*

27. In case of urgent necessity, any standing order or orders of the Council may be suspended on motion, duly made and seconded, without notice, provided that such motion has the concurrence of at least five members of the Council.

Suspension of Standing Orders carried by majority.

28. When a motion for the suspension of any standing order or orders appears on the notice papers, such motion may be carried by a majority of the whole Council.

Duration of Standing Orders.

29. The whole of these standing orders shall continue in force until altered, amended, or repealed.

ORDERS OF DEBATE.*Motions and Amendments, how proposed.*

30. Any member desirous of proposing a motion or amendment, or of discussing any matter under consideration, must rise in his place uncovered, and address the Mayor or other presiding chairman; and no member, when speaking, shall be interrupted, unless called to order, in which case he shall sit down, and the member calling to order shall, in the first place, name the standing order on the strength of which he rises, and, if found to be correct by the Mayor or other presiding chairman, shall be heard in preference to any other speaker, and the question of order shall be disposed of before the subject is resumed or any other subject entered upon.

Motions or amendments to be in writing.

31. Any member desirous of proposing a motion or amendment, shall state the nature of such motion or amendment before addressing the Council thereon, and for the purposes of record, shall put it in writing and sign and deliver it to the Town Clerk, who shall add thereto the name of the seconder, and the Mayor or other presiding chairman shall read the same to the Council before being discussed, and no motion or amendment shall be withdrawn without the leave of the Council.

Division of Complicated Question.

32. The Council may order a complicated question to be divided.

Speaking Twice.

33. No member shall speak twice on the same question, except by way of explanation or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last carried; nevertheless any member who may have been misrepresented or misunderstood shall be allowed to explain immediately before the mover rises to reply, but not before; and after the reply the amendment or the original motion, as the case may be, shall immediately be put to the vote.

Amendments.

34. Whenever an amendment is moved upon an original proposition, no second amendment shall be taken into consideration until the first amendment has been disposed of. If the first amendment be carried, it shall displace the original question, and become itself the question, whereupon only one further amendment may be moved. If the first amendment be negatived, then a second amendment may be moved upon the original question under consideration; but only one amendment shall be submitted to the Council for discussion at one time.

Regulations as to speaking on Amendments.

35. On an amendment being moved, no member of the Council who has spoken to the original question shall speak again (except in explanation, or as the mover of the original question in reply) until the amendment has been put, and has become the amended proposition before the Council.

Moving or seconding of Motions or Amendments.

36. Any member moving or seconding a motion or amendment shall be held to have spoken on that question; but any member who may have signed the proposition paper, either as proposer or seconder, to enable the reports of the committees of Council to be put to the vote for adoption, or otherwise, by the Council, shall not be held to have spoken thereon by such act, but may address the Council on matters contained in such reports.

Motion for suspension of Standing Orders.

37. Any member moving a suspension of the Standing Orders, or any of them, shall be required simply to state the grounds of such motion and the nature and the objects of the motion which he may seek to make thereon, but no discussion shall take place upon any such motion.

Indulgence to Members not able to stand.

38. By the special indulgence of the Council, a member unable conveniently to stand, by reason of sickness or infirmity, will be permitted to speak sitting and uncovered.

Enforcement of Standing Orders.

39. Any member may require the enforcement of any Standing Order of the Council, by simply noticing that such order is disobeyed.

Members to be addressed by Titles.

40. The members in speaking shall designate each other by their respective titles of Mayor or Councillor, as the case may be.

Pre-audience.

41. If two or more members rise to speak at the same time, the Mayor or other presiding chairman shall decide which is entitled to pre-audience.

Mayor to call to order in certain cases.

42. The Mayor or other presiding chairman shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same question, unless entitled to reply or in explanation where he has been misrepresented or misunderstood.

Digression, Imputation of Motives, etc.

43. No member shall digress from the subject matter under discussion, nor impute improper motives to any other member; and all personal reflections upon any member shall be considered highly disorderly; any member may require the Town Clerk to take down any particular word or words used by a member immediately upon the same being used, provided that every such demand shall be made at the time such word or words are used, and not after any other member has spoken.

Offensive Expressions: Member not explaining or retracting.

44. Any member who shall use any expression capable of being applied offensively to any other member, shall, if required by the Council, withdraw such expression, and make a satisfactory apology to the Council; and any member having used objectionable words and not retracting the same, and offering suitable apologies for the use thereof to the satisfaction of the Council, shall be censured and fined not less than £1 or more than £10, and any member called to order shall forthwith sit down unless permitted to explain.

Member to withdraw when his conduct is under debate.

45. When in consequence of disorderly conduct the Mayor shall call upon any member by name, such member shall withdraw as soon as he has been heard in explanation, and after such member's withdrawal the Council shall at once take the case into consideration.

Member disobedient or interrupting business guilty of disorderly conduct.

46. Any member who shall wilfully disobey any call to order or who shall wilfully or vexatiously interrupt the orderly conduct of the business of the Council, shall be deemed to be guilty of disorderly conduct, and on the passing of a motion censuring such Councillor he shall be fined not less than £1 nor more than £10.

Member not paying fine ceases to act as Councillor.

47. Should any member upon whom a fine has been inflicted neglect or refuse to pay the fine so imposed before the rising of the Council or Committee then sitting, such member shall cease to have any status or position at any meeting of the Council or Committees, neither shall he be allowed to sit at the Council table or at the Committee table, or take any act or part in any of the proceedings of the Council or Committee unless and until the said fine, with all costs, charges, and expenses connected therewith are fully paid and discharged.

Member obstructing business may be removed from Council.

48. Any member of the Council who shall wilfully and without just cause obstruct or impede the transaction of business at any meeting of the said Council, or of any committee appointed by the said Council, shall (if it be resolved by three-fourths of the members present at such meeting that such member has wilfully and without just cause obstructed or impeded the transaction of business thereat) be deemed to have failed duly and faithfully to fulfil the duties of his office according to the best of his judgment and ability, and thereupon it shall be lawful for the Mayor to summon a special meeting of the whole Council, and to give notice to the said member to show cause at such meeting why he should not be removed from his office; and unless cause sufficient be shown to such meeting, such member may be removed by a resolution of the members attending such meeting; and after such removal such member shall cease to be a member of the said Council, and his office shall be deemed to have become and shall be vacant.

To whom fine, charges, etc., are to be paid.

49. Any fine inflicted on any member of the Council for any breach of this By-law, together with all other costs, charges, and expenses incidental thereto, shall forthwith be paid to the Treasurer in aid of the Corporation fund.

Decision on points of order.

50. The Mayor or other presiding chairman, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case, without argument or comment, and his decision shall be final in that particular case.

Objection to the ruling of the Mayor.

51. If any objection be taken to the ruling of the Mayor, such objection must be taken at once.

Motions as to the Mayor's ruling to be seconded.

52. Objection having been taken to the ruling of the Mayor, the Councillor so objecting may forthwith move that the ruling on the point then raised is not in accordance with the Standing Orders specifying the number of such Standing Order or Orders. Should the motion not be seconded, then the business shall be proceeded with at the point where it was interrupted; but if the motion be seconded, it shall be put to the vote, and the result of the vote, whether in support of the ruling or otherwise, shall guide the Council.

Councillor not to converse aloud.

53. No member shall converse aloud, except to call to order, or to make any noise or disturbance whilst any member is speaking, or any matter is being considered; and in case of such noise or disturbance being persisted in after the Mayor has called to order, the Mayor shall call upon the member making such disturbance by name, and every such member will incur the displeasure and censure of the Council.

Interruption not allowed.

54. When a question is being put to the vote, or when the Mayor is speaking, or any member is addressing the chair, no member shall walk out of or across the chamber so as to interrupt him, nor shall any member interrupt another whilst speaking, except

- (1.) To request that his words be taken down;
- (2.) To call attention to a point of order; or
- (3.) To call attention to the want of a quorum.

Speaking "to Order."

55. Any member may rise to speak "to Order" upon a matter suddenly arising.

Precedents to question of order.

56. All questions of order at any time arising shall, until decided, suspend the consideration and decision of every other question.

Production of documents.

57. Any member may of right require the production of any of the documents of the Corporation relating to the question or matter under discussion.

Vote—how taken.

58. The Council shall vote by a show of hands, and the Mayor or other presiding chairman, shall, in taking the vote on any motion or amendment, put the question—first in the affirmative and then in the negative; and he may do so as often as it is necessary to enable him to form and declare his opinion from the show of hands as to which party has the majority; and every member present shall be required to vote thereon.

Members may "pair-off."

59. Two members of the Council who intend to vote on opposite sides on any matter before the Council may "pair-off," provided that a note signed by such members having so "pair-off" shall be lodged with the Town Clerk and recorded by him.

Voting on division.

60. No member shall speak to any question after the same has been put by the Mayor, except to call for a division upon the question, in which case the members voting in the affirmative shall, until the vote is recorded, stand up, and those in the negative retain their seats.

Motion for division shall have precedence.

61. A motion "That the Council do now divide," moved and seconded, shall take precedence of all other business, and shall be put by the Mayor without any discussion taking place. Provided that no such motion shall be made so as to interrupt a member while speaking.

Motion for division—if lost, debate to be resumed.

62. If the motion to divide be lost, the discussion on the original question shall be resumed where it was interrupted, and no motion to divide on the same subject shall be again entertained until one or more members at least have addressed the chair upon the question.

Division bell to be rung.

63. So soon as a division shall have been demanded, the Town Clerk shall cause the division bell to be rung, turn a two-minute sand-glass, kept on the table for that purpose, and after the lapse of two minutes as indicated by such sand-glass, the doors shall be closed, and no Councillor shall enter or leave the Council Chamber until after the division has been recorded.

Members calling for a division.

64. A member calling for a division shall not leave the Council Chamber until the division has taken place, and he shall vote with those who, in the opinion of the Mayor, were in a minority.

Reflecting upon vote of Council.

65. No member shall reflect upon any vote of the Council except for purpose of moving that such votes be rescinded.

Adjournment.

66. No discussion shall be allowed on any motion for adjournment of the Council; but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained.

67. No discussion shall be allowed on a motion for leave to be given to withdraw a motion or amendment then before the Council.

Restrictions on further motions of adjournment.

68. Should a motion for adjournment of the Council be negatived, no motion for such adjournment shall be again entertained until one or more members at least have addressed the chair.

Resolutions—how rescinded.
