97Department of Mines,
Perth, 11th June, 1897.

IT is hereby notified, for public information, that the previous notice as to Government Assays is cancelled, and that the rates and conditions as set forth hereunder will be imposed.

E. H. WITTENOOM,
Minister for Mines.

Assays, Analyses, and Determinations of any Western Australian Ore or Rock will be made by the Assayer to the Geological Survey, when not unduly interfering with official work, subject to the following conditions:—

1. Each sample must weigh not less than 6oz., nor more than 1½lbs., and the pieces of which it is composed must not be of larger gauge than 3 inches, nor smaller than ¼in.
2. Each sample must be enclosed in a separate canvas bag or strong paper wrapper, with a piece of white paper on which are written the name and postal address of the sender, together with a private mark or number by which it may be readily identified.
3. Address the parcel to:—

The Mineralogist and Assayer,
Geological Survey Branch,
Department of Mines,
Perth.

(N.B.—The rate of postage for mineral samples is 1d. for every 2oz. and under.)

4. Send a letter at the same time to the same address, enclosing the fees and stating for what metals the samples are to be assayed, or other instructions, as the case may be.
 5. Always keep duplicate samples of those sent, and mark them in a similar way.
 6. The scale of fees is as follows:—
- | | £ | s. | d. |

Perth, 14th December, 1897.

Crushings to be shown in Detail.

WITH reference to Regulation 98, Leaseholders are required to show in detail, on Schedule No. 22A, the dates of crushings, with the amount of ore treated, and the yields that make up the quarter's total.

Quarterly Returns.

In preparing these returns, which have to be lodged with the Warden not later than 14 days after the termination of each quarter, with the view of obtaining a definite base-line for the operations of 1898, and to arrive at as accurate an estimate as possible of the gold produced during the year 1897, it is particularly requested that the result of any "clean up" made *after* the 31st December, 1897, but before the date on which the return is compiled, be *not* included in such return.
