AND WHEREAS the said Board have, under the provisions of the said Act, power to make By-laws and Regulations as therein mentioned: Now THEREFORE the said Board, with the approval of the Governor, do make the following Rules and Regulations, that is to say:—

PROCEEDINGS OF THE BOARD.

1. The Board of Management shall meet at the Hospital on every alternate Friday, at 5 p.m., or at such other day, place, or hour as may be fixed at any meeting of the Board; five members to form a quorum.

2. If a quorum be not present at fifteen minutes after the hour appointed for the meeting, those present may fix a day and hour to which the Board meeting shall stand adjourned, otherwise the meeting shall stand adjourned to the next day of meeting.

3. A Chairman and Vice-Chairman shall be elected annually by the Board, at the last meeting of the Board in the month of January in every year, and if neither be present at the time a meeting is constituted, any other member may be chosen to act as Chairman of such meeting by a majority of the members then present. The Chairman shall have a casting vote only. The Chairman shall sign all important correspondence, and shall be the medium of communication between the Board and the Government. He shall be empowered to explain any resolutions arrived at by the Board, and to give advice and instructions to the officials of the Hospital between the meetings of the Board. A vacancy occurring in the office of Chairman or Vice-Chairman shall be filled up at the next meeting of the Board after such vacancy has been declared, previous notice being given in the circulars convening the meeting. The Vice-Chairman shall act as Chairman during the absence of the Chairman.

4. At every meeting the minutes of the previous meeting of the Board shall be read and, if approved, confirmed, and the business proceeded with in the following order:—

- i. Business arising from the minutes read.
- ii. Business arising out of correspondence and reports.
- iii. Business of which notice has been given, and other such business as may require immediate attention.

5. At all meetings voting shall be by show of hands, unless in any case a ballot be called for by any three members present: *Provided* that the election of a Chairman or Vice-Chairman shall be by ballot only.

6. Special meetings may be convened at any time on 48 hours' written notice to the members, either at the request of the Chairman or of any three members of the Board.

7. No resolution arrived at, or act, matter, or thing done or authorised by or at any meeting shall be rescinded or amended at any subsequent meeting unless notice of such intended rescission or amendment be given in the notice convening the meeting at which such rescission or amendment is proposed.

8. The conduct of every meeting shall be in the hands of the Chairman, whose decision on all points of order or as to procedure shall be final.

9. The Board may, from time to time, appoint a sub-committee or sub-committees of any number, with such powers, rights, and privileges, and subject to such conditions and restrictions as the Board may at such appointment or thereafter determine.

VOTES OF CONTRIBUTORS AND CONDUCT OF ELECTIONS OF MEMBERS OF THE BOARD.

10. Every annual contributor of £1, or a life contributor of £10, shall have one vote. Every annual contributor of £5, or a life contributor of £30, shall have two votes. Every annual contributor of £10 and upwards, or a life contributor of £100 and upwards, shall have three votes.

11. The annual meeting of the contributors to the Hospital shall take place on the first Friday in January of every year, when the election of members of the Board shall take place.

12. The proposer of each candidate may act as scrutineer.

13. Any person proposing a candidate shall produce such candidate's written consent to serve if elected.

14. The poll shall be taken by receipt of papers, per post or otherwise, containing the names of the candidates voted for, and the signature of the contributor voting. Any voter may vote for any one or more of the candidates.

15. The secretary, in conjunction with the scrutineer of each candidate, shall take charge of the voting papers, and at the close of the poll shall draw up a minute of the result, which, when countersigned by the chairman, shall be entered in the minute book, and shall not be subject to any after dispute or inquiry, except as next mentioned.

16. If the validity of any election is disputed, all questions in dispute shall, within seven days of the election, be referred to and settled by the remaining members of the Board, or, in case of the first election, by the Colonial Secretary.

17. Special meetings can be called by the chairman or any three members of the Board. Due notice must be given of all elections.

18. The last preceding eight rules shall not come into force until the provisions of Section five of the said Act have been complied with.

ADMISSION AND DISCHARGE OF PATIENTS.

19. Every contributor of £1 annually shall have the privilege of recommending one in-door patient; of £5 annually, three in-door patients; and of £10 annually shall have the privilege of always having one patient in the Hospital. Life contributors shall have the same privilege in proportion; their donations being estimated as annual contributions of one-tenth. It is to be distinctly understood that these recommendations are only to be given to persons who, on account of their poverty, and who are proper subjects for Hospital treatment in the opinion of the House Surgeon; and will have to be renewed at the expiration of six weeks from the admission of the patient.

20. Except in urgent cases applicants for admission to the Hospital, who desire to be attended free of charge, shall make a statutory declaration, in the form provided for that purpose, that they are unable to pay for medical attendance, and that they are not entitled to medical attendance from any benefit society or lodge. Any person making a false declaration will be liable to prosecution for perjury, and also to be proceeded against under Section 66, Sub-section two, of "The Police Act, 1892."

21. Except in cases of poverty every patient entering the Hospital shall be liable to pay 3s. per day for his maintenance, and shall as soon as possible after his admission sign a written agreement to pay such charge. The House Surgeon shall be at liberty (whether such agreement be signed or not) to deduct the amount due by any patient for maintenance, from any money belonging to the patient in the hands of the Board.

22. Every legally qualified medical practitioner, and every member of the Board of Management, may likewise recommend patients for admission. Severe accidents and cases of emergency may be admitted at all times by the House Surgeon.

23. The House Surgeon shall not, nor shall any other person admit as an in-patient—except in urgent cases:

- I. Any pregnant female for the purpose of confinement.
- II. Any person suffering from an incurable disease.
- III. Any person who has disorders for the cure of which other establishments are provided, as lunatics, etc.
- IV. Any person who, requiring food and not medicine is more properly an object for a benevolent institution.
- V. Any person whose admission might endanger the other patients.
- VI. Any prisoner from the gaol, except an urgent case recommended by the principal Government Medical Officer.
- VII. Any infant on account of the condition of the mother alone.

Provided that any case recommended by a medical officer may be admitted, whether such case be or be not within the above terms; but the House Surgeon shall forthwith report any admission to the Board.

24. The proper hours for patients to present their recommendations for admission to the Hospital are from 10 a.m. to 12 noon, except in cases of emergency, accident, and such like.

25. No patient shall be discharged from the Hospital without the consent of the Medical Officer in charge of the case, except when ordered by the Board, or in cases of misconduct or on the expiration of the term of their admission order.

26. Any case suitable for admission, in his opinion, may be admitted by the House Surgeon at any time.

MORAL AND RELIGIOUS INSTRUCTION.

27. Patients are at liberty to receive the visits of ministers of, or members of any sisterhood in connection with, the religious denominations to which they respectively belong, and the professed religion of every patient shall be entered in the admission book on admission; ministers and such other persons as aforesaid, however, will not be allowed to remain in the wards (except in cases of the greatest emergency) during the professional visits of the medical officers; and they shall retire from the ward during such time as may be necessary for the medical officers to discharge their duties. It is also to be insisted upon that ministers of religion and such other persons as aforesaid, visiting the Hospital for the purpose of administering religious instruction to the patients, shall visit the patients of their denomination only, and shall so conduct their services as not to interfere with the repose and quiet of other patients in the near vicinity.

28. Any patient wishing any particular minister, sister, or friend to give religious counsel in case of dangerous illness, or apprehension of the approach of death, may signify the same to the nurse, who shall at once communicate with the House Surgeon or with the Secretary, who shall obtain the presence and services of the minister, sister, or person required, if possible.

29. It is not allowable to conduct public religious services in the sick wards of the Hospital.

30. A room in the Hospital shall, when practicable, be available for public worship among the convalescents of each religious persuasion.

VISITORS.

31. Any friends, not exceeding two at any one time or on any one day, unless prohibited by the resident medical officer, will be admitted to the wards to visit patients on Wednesdays, Saturdays, and Sundays, between the hours of two and four p.m., and shall leave the wards punctually at the latter hour. A bell will be rung five minutes before the hour for departure. Exceptions to the above rule will only be allowed by special permission of the House Surgeon, or, in his absence, the Secretary, in favour of near relations or friends of patients in a dangerous state, or to persons residing at long distances and who may be otherwise unable to visit their friends at the regular visiting hours. Visitors are strictly forbidden to introduce food, drink, or refreshment of any kind whatever, without the sanction of the House Surgeon; and to ensure the perfect observance of this rule, all parcels, &c., must be opened in the presence of the nurse on duty in the ward. Visitors must remain at the bedside of the patient they are visiting. Children in arms will not be admitted. Any person found on the Hospital premises, without special permission, at other times than those set apart for the reception of visitors, is liable to be prosecuted in terms of Clause 16 of "The Hospitals Act, 1894."

MAINTENANCE OF ORDER AND DISCIPLINE.

32. Patients, when able, and when so desired, shall help the nurses in the needful duties of the wards, and shall attend upon other patients whose weakness and wants are greater than their own, and do such light work as the House Surgeon may direct.

33. Patients admitted suffering from syphilitic or venereal disease must, if required, sign an engagement to remain until discharged by the Medical Officer in charge of the case, and the infraction of this rule will prevent the patient being admitted at any future time. Patients in the ward in which such cases are treated are not allowed to receive visitors, except by permission of the House Surgeon.

34. Any patient found gambling or using profane or indecent language, or being intoxicated, or committing any breach of any Rule or By-law or any order of the Board or of any Medical Officer, or refusing to obey any request as by the last preceding Rule mentioned, shall be liable to instant dismissal by the House Surgeon, who may exercise that power, and afterwards report the case to the House Committee. The House Surgeon shall at the same time inform such patient of the day of the next meeting of the Committee.

35. Patients are not allowed to leave the precincts of the Hospital without the special permission of the House Surgeon, given by "pass," which must be left with the porter; and all parcels brought back by patients on their return shall be examined by the nurse.

36. Patients are to take their meals at the ward table, except in cases of necessity. They are to keep their beds neat and tidy, the bedclothes properly arranged, and attend scrupulously to personal cleanliness. They shall also observe a quiet and respectful demeanour towards the officers of the Hospital, the nurses, and each other. Any patient having cause of complaint shall submit the same to the House Surgeon, or Matron, or to a member of the House Committee.

37. On the admission of any patient into the Hospital, his address, and that of his immediate relatives, and the name of the professed religion of the patient, shall be taken by the Secretary. The effects of the patient shall be taken charge of by the nurse, who shall hand them to the custody of the Matron; but it must be distinctly understood that, though the Board give positive instructions that every care shall be taken of effects so given in charge, they will not be responsible for any loss or deficiency arising from errors of quantity or description, or from any other cause whatever.

38. On no account shall any officer, servant, or patient be allowed to keep a dog within the precincts of the Hospital.

39. Patients shall observe all Rules, By-laws, or Orders made from time to time by the Board.

40. No smoking to be allowed in the Hospital wards.

HOUSE COMMITTEE.

41. The Board shall elect a House Committee, which shall consist of the Chairman of the Board, as an *ex officio* member, and three others, to be elected annually.

42. The Committee shall meet at the Hospital at least once in every fourteen days; two members to form a quorum, but with power to one member, if no more be present, to inspect the Hospital, and convene another meeting at such time as may appear to him needful to consider any matter requiring immediate attention.

43. The Committee shall regulate the several departments of the Hospital in accordance with the Regulations or any By-laws or directions of the Board, and more particularly in reference to all sanitary affairs, and shall take immediate steps to rectify any defects that may require prompt attention, subject in all cases to the same being reported to the Board.

44. The Committee may suspend, upon sufficient cause, any salaried officer or servant other than the House Surgeon, until the decision of the Board can be obtained; with power in the meantime to employ some other properly qualified person to officiate in the place of the officer or servant so suspended.

45. The Committee may order any repairs or alterations which they consider require immediate attention.

46. The Committee shall hear all complaints that may be made by patients, officers, or servants, and take such action as they may deem necessary in the matter, until the decision of the Board can be obtained, and shall see that the various duties are performed by all the salaried officers and servants of the Hospital.

47. The Committee shall keep a book recording the visits of the members, and in which a note shall be made of all matters in connection with their office.

48. The Committee shall examine and pass all accounts and may pay any account of less than £5, which requires immediate payment.

49. The Committee may nominate all necessary officers or servants whose nominations are not required to be made by the Board, and may fix the remuneration and term of service.

50. The members of the Committee shall hold office for one year only, and be appointed at the last meeting of the Board held in January in each year. The Board may remove any member of the Committee, and fill any vacancy caused by death, resignation, removal, or otherwise.

51. The Board may, at any time, enlarge, add to, modify, rescind, or restrict any or all of the powers or duties of the Committee, or any orders given, or acts done by the Committee.

PUBLICATION OF ACCOUNTS.

52. Immediately after the second Friday in each year, the Secretary shall prepare and cause to be published in the *Government Gazette*, and to be forwarded by circular to all contributors, a statement of account, to be countersigned by the Chairman, by order of the Board, showing:—

- i. The amount of annual contributions, including 10 per cent. of all life contributors' donations.
- ii. The average annual expenditure of the Hospital for the three preceding years.
- iii. The number of elected members of the Board to be chosen by the contributors.
- iv. The number of attendances during the year of each member of the Board of Management.

MEDICAL STAFF.

53. The Medical Staff of the Hospital shall be nominated by the Board, and shall consist of five medical officers and a House Surgeon, and in case of a vacancy occurring on the staff, a two years' residency in Fremantle will be necessary before a candidate can be eligible for election, unless by the unanimous wish of the Board.

54. All nominations to vacancies occurring in the staff shall be made by the Board at a subsequent meeting to that at which the vacancy is declared.

55. Medical officers shall take cases in fixed rotation until the beds are filled.

56. The Board may nominate for appointment, as Honorary Consultant, any member of the medical profession who is the principal Medical Officer of the Government for the time being, or who has heretofore held, or may hereafter hold, office as a Medical Officer to the Hospital for a period of ten years. Such consultant shall attend at the Hospital when summoned for consultations or operations.

57. The Medical Staff shall hold office during the pleasure of the Board.

RULES OF THE MEDICAL STAFF.

58. The Committee shall have power to recover at law payment from any patient who in their belief is capable of paying, or who belongs to a benefit society.

59. It shall be the duty of the staff to see and prescribe for the in-patients, as hereinafter mentioned.

60. No patient who has been in the Hospital under the treatment of one of the staff shall be placed in the bed of another for treatment for the same disease, except by mutual arrangement.

61. Each member of the staff shall visit his wards at least twice a week, and shall, as far as possible, adhere to the appointed days and hours.

62. The days and hours of attendance of the Medical Officers shall be decided upon at a meeting of the Officers, held every year in the month of March, and the days and hours shall be selected by the Officers according to seniority.

63. In the unavoidable temporary absence of any member of the staff it shall be his duty to arrange for the discharge of his duty by a member of the staff.

64. All capital operations to be performed on a day fixed by a majority of the staff.

65. Any member of the staff present in the Hospital shall attend any emergency case.

66. The staff respectively, or, subject to their control, the House Surgeon, shall, from time to time, order in writing on the diet card the particular diet to be supplied to each patient, and no diet except what is ordered on the diet card shall be issued.

67. When a consultation is called, or an operation about to be performed, the House Surgeon shall instruct the Secretary to send notices of the same to the members of the Medical Staff and to the Medical Members of the Board.

68. No important operation shall be performed without the previous consent of the patient, if in a position to give it, nor without a consultation by the staff.

The result of each consultation shall be entered in the Consultation Book, to which all the officers present shall attach their signatures.

69. There shall be a book called the "Medical Officers' Attendance Book," which shall show the actual attendance of each Medical Officer.

70. The Honorary Dental Surgeon shall attend at the Hospital for services at a time to be fixed by the Board.

RESIDENT MEDICAL OFFICER.

71. The House Surgeon shall be appointed by the Governor, on the recommendation of the Board, and be a duly qualified practitioner, resident in the Hospital, and unmarried, and shall be Resident Head of the Hospital.

72. He shall be responsible for the general supervision of the Hospital, and shall have the entire control of all patients and of all salaried officers and servants of the Hospital.

73. He shall have power to suspend any officer or servant, subject to immediate report to the Chairman of the House Committee.

74. In the absence of the Medical Officers he shall be the principal Medical Officer of the Hospital, with full powers to interpose in the treatment of patients in cases in which urgent circumstances appear to him to render his interference necessary.

75. He shall have the sole charge of the Operating Book, and shall keep an accurate record of all operations performed, with results.

76. He shall have the charge of, and be responsible for, the surgical instruments and apparatus, and may cause ordinary repairs to be effected thereto, and on taking office shall sign the inventory in proof of the correctness thereof. No new instruments shall be ordered, and no alteration or additions to any instrument or apparatus shall be made, except on his written direction, or that of one or more of the Medical Staff, subject to the approval of the Board.

77. He shall immediately summon the police to take charge of any case of attempted suicide or criminal violence, and shall not be responsible for the detention of the patient.

78. He shall not, unless required by these Rules, or by the Board, or a Medical Officer, undertake any routine medical or surgical work in the wards; but by general supervision see that all officers and servants strictly perform their respective duties, and carry out the instructions of the staff, and also keep a thorough and complete record of all cases treated in the Hospital.

79. He shall have full power to admit or refuse to admit the friends of any patient, as he may think fit, and may, at his discretion, prevent the admission of visitors to a ward at any time.

80. On the death of any patient he shall intimate the same to the Medical Officer under whose care the patient shall have been, and on receiving intimation of the time at which a *post mortem* will be convenient, he shall communicate with the Staff.

81. He shall visit the wards, if desired, every morning and evening, he shall accompany the Members of the Staff during their visits to the wards on their appointed days and hours, and see that the orders of the Medical Officers are carried out, that the medicines are of proper quality and properly administered, and shall give particular attention to the temperature and ventilation of the wards.

82. He shall sign all certificates awarded to nurses who may have gone through a course of training in the Hospital, which must be countersigned by the Chairman of the Board.

83. He shall devote his entire time to the service of the Hospital, and shall not engage in private practice.

84. He shall afford the Board and House Committee every information, and furnish them with reports on all matters within his control as may to him seem necessary.

85. In all correspondence on Hospital business, except such as occurs directly with the Staff, the House Surgeon shall transmit the same through the office, so that a permanent record may be kept.

86. He shall conduct all correspondence with the outside public in reference to the condition of patients, and no communication shall be made except with his consent or on his directions.

87. It shall be his duty to make all necessary communications to the Press touching cases of accident or assault admitted to the Hospital at his discretion.

88. He shall be responsible for, and, with the assistance of the Medical Staff and Secretary, shall prepare the Annual Report, in so far as the medical portion is concerned.

89. He shall always be on duty on the days of the Board or House Committee meetings, and also during the hours of attendance of the Medical Officers, except by special permission of the Chairman of the House Committee.

1. Application for leases of the natural surface of any lots within the prescribed area to a depth of 20ft. may be made to the Commissioner of Crown Lands through the Warden by any person above the age of 18 years, upon the following terms:—

2. The application shall be in the form prescribed, and shall be lodged with the Warden, and shall set forth the number, area, and position of the lot applied for.

3. The rent payable in respect of each lot shall be £1 per annum, which shall, in the first instance, be lodged with the application, and subsequently paid annually on the first day of March, in accordance with the provisions of Clause 101 of the Land Regulations. When paying the annual rent the holder of each lot shall make a statutory declaration that the conditions of residence hereinafter set forth have been complied with or fulfilled. A fee of £1, in addition to the first year's rent, shall accompany each application.

4. The Warden shall forward the application, together with his recommendation thereon, to the Commissioner of Crown Lands, immediately after receipt thereof, and he may thereupon deliver to the applicant an approval notice in the form hereinafter provided, and the production of such notice shall be sufficient evidence of the right of the holder thereof to occupy the lot therein mentioned under these regulations, pending the decision of the Governor in Executive Council thereon. Should the application be approved, a lease in the form prescribed will be issued to the applicant on the surrender by him of the approval notice, but should the application be refused, notice of such refusal will be gazetted, and the rent paid will be refunded to the applicant on application to the Warden.

5. The area leased shall be used solely as the habitual abode of the holder or members of his family for at least six months in each year, and for no other purpose whatever. All lots forfeited shall be thrown open for re-selection. All improvements on any such lot shall become the property of the Government.

6. The holder of any lot may surrender the same at any time, and shall at the time of surrender furnish to the Warden a detached list of the nature and value of improvements existing on such lot. The lot so surrendered shall then be thrown open for re-selection, and may be applied for as provided for by these regulations. Any person to whom such lot is granted shall pay to the Warden the value of any improvements then existing on such lot, which value shall thereupon be paid by the Warden to the original holder. Should the person re-applying object to the value set upon the improvements by the original holder, a valuation shall be made by two arbitrators, one appointed by each party, and in

accordance with the provisions of "The Arbitration Act, 1895," the Warden being the umpire in case of disagreement, and the cost of such arbitration shall be borne by the original holder or the person re-applying, as the arbitrators may direct.

7. No person who shall have surrendered or forfeited a free area shall be eligible to select another free area within a mile of the lot originally held by him, until six months shall have elapsed from the date of surrender or forfeiture of such lot.

8. The Governor may at any time exempt from the operations of these regulations any portion or portions of any town or suburban lands so set apart, which may be required for mining or other purposes.

9.
