53. Objection having been taken to the ruling of the Mayor, the councillor so objecting may forthwith move that the ruling on the point then raised is not in accordance with the Standing Orders, specifying the number of such Standing Order or Orders. Should the motion not be seconded, then the business shall be proceeded with at the point where it was interrupted; but if the motion be seconded, it shall be put to the vote, and the result of the vote, whether in support of the ruling or otherwise, shall guide the Council.

Councillors not to converse aloud.

54. Member not in his seat.

60. No member when absent from his seat shall be permitted to vote on any question when being put to the vote by the Mayor or other presiding Chairman.

68. No discussion shall be allowed on any motion for adjournment of the Council; but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice paper, shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained.

11. If by any unavoidable account any vehicle or omnibus shall become unfit for use, and also during such reasonable time as any such vehicle or omnibus may be undergoing repair, it shall be lawful for the owner, subject to the approval of the Licensing Officer, to use a spare vehicle or omnibus, but the same shall in all respects, except as to license, be subject to these By-laws in the same manner as if a license had been granted for the same; and the person using such spare vehicle or omnibus shall be liable in the same manner for any non-compliance with these By-laws in respect thereof as if the same had been licensed. Before using such spare vehicle or omnibus the owner shall give notice thereof, in writing, at the office of the Licensing Officer, stating the true cause of the vehicle or omnibus being disused, and the period during which such spare vehicle or omnibus will be required to be used, and no such spare vehicle or omnibus shall be used until it has been inspected and approved of by the Licensing Officer, nor for a longer period than that stated in the certificate to be signed by the Licensing Officer and delivered to the owner; but any vehicle or omnibus may be used for the purpose of finishing a journey which may have been interrupted by an accident.

12. Outside every omnibus shall be provided, satisfactory to the Licensing Officer, with suitable aprons for the reasonable convenience of outside passengers.

13. Every omnibus shall be provided with proper means of ventilation without opening the said windows.

14. And so on, in the same proportion, for any greater number of persons.

15. The name of the owner, the name of the licensing body, the number of the license, and the number of persons to be carried, shall be painted on the right or off-side of every vehicle in letters and figures of not less than 2 inches in length, and of proportionate breadth, in such position as the Licensing Officer may direct, and such letters and numbers shall be kept legible during all the time the vehicle shall ply or be used for hire; and any person offending against this regulation, shall, on conviction, forfeit and pay a sum not exceeding (40s.) forty shillings.

19. No proprietor shall be at liberty to lend his license to any person, and any proprietor parting with his licensed vehicle shall see that the name of the purchaser is registered in the books of the Licensing Officer, and on the license granted for such vehicle, and any proprietor who shall part with his vehicle without such registry shall still be deemed the proprietor thereof, and subject, as such, to all the provisions of this By-law, as fully as if no change of ownership had taken place; and the purchaser of such vehicle, who shall allow the same to be used, or ply for hire without such registry, shall be subject to the same penalty as is imposed by this By-law on a person for plying without a license; and the person or persons in whose name or names a license shall appear to have been obtained shall be deemed the owner of the vehicle in respect of which the same shall have been taken out until the transfer shall have been duly made.

Commissioner of Crown Lands.

Regulations.

Free Areas, Kalgoorlie and Boulder.

NOTICE is hereby given that His Excellency the Governor in Executive Council has been pleased to approve of the following regulations, to apply to any Town or Suburban Lands situate within the boundaries of any proclaimed Goldfield which may be declared open for selection as Free Areas:—

1. Application for leases of the natural surface of any lots within the prescribed area to a depth of 20ft. may be made to the Commissioner of Crown Lands through the Warden by any person above the age of 18 years, upon the following terms:—

2. The application shall be in the form prescribed, and shall be lodged with the Warden, and shall set forth the number, area, and position of the lot applied for.

3. The rent payable in respect of each lot shall be £1 per annum, which shall, in the first instance, be lodged with the application, and subsequently paid annually on the first day of March, in accordance with the provisions of Clause 101 of the Land Regulations. When paying the annual rent the holder of each lot shall make a statutory declaration that the conditions of residence herein-after set forth have been complied with or fulfilled. A fee of £1, in addition to the first year's rent, shall accompany each application.

4. The Warden shall forward the application, together with his recommendation thereon, to the Commissioner of Crown Lands, immediately after receipt thereof, and he may thereupon deliver to the applicant an approval notice in the form hereinafter provided, and the production of such notice shall be sufficient evidence of the right of the holder thereof to occupy the lot therein mentioned under these regulations, pending the decision of the Governor in Executive Council thereon. Should the application be approved, a lease in the form prescribed will be issued to the applicant on the surrender by him of the approval notice, but should the application be refused, notice of such refusal will be gazetted, and the rent paid will be refunded to the applicant on application to the Warden.

5. The area leased shall be used solely as the habitual abode of the holder or members of his family for at least six months in each year, and for no other purpose whatever. On proof satisfactory to the Warden that this condition has not been complied with, the Warden may declare the lot liable to forfeiture; and in such case he shall report the matter to the Commissioner of Crown Lands, by whom the lot may be declared forfeited. All lots forfeited shall be thrown open for re-selection. All improvements on any such lot shall become the property of the Government.

6. The holder of any lot may surrender the same at any time, and shall at the time of surrender furnish to the Warden a detached list of the nature and value of improvements existing on such lot. The lot so surrendered shall then be thrown open for re-selection, and may be applied for as provided for by these regulations. Any person to whom such lot is granted shall pay to the Warden the value of any improvements then existing on such lot, which value shall thereupon be paid by the Warden to the original holder. Should the person re-applying object to the value set upon the improvements by the original holder, a valuation shall be made by two arbitrators, one appointed by each party, and in

accordance with the provisions of "The Arbitration Act, 1895," the Warden being the umpire in case of disagreement, and the cost of such arbitration shall be borne by the original holder or the person re-applying, as the arbitrators may direct.

7. No person who shall have surrendered or forfeited a free area shall be eligible to select another free area within a mile of the lot originally held by him, until six months shall have elapsed from the date of surrender or forfeiture of such lot.

8. The Governor may at any time exempt from the operations of these regulations any portion or portions of any town or suburban lands so set apart, which may be required for mining or other purposes.

9. Any lot or lots or portions thereof that may have been granted as a free area may be resumed by the Commissioner of Crown Lands, on the payment to the holder of such lot or lots the fair value of any improvements existing on such lots at the time of resumption, such value to be ascertained in the like manner as prescribed by Clause 6 hereof. The resumption shall take effect upon notice thereof to the holder, in writing under the hand of the Commissioner of Crown Lands, being served on the holder or published in the *Government Gazette*.

10. All leases granted under these regulations shall expire on the 31st day of December following the date of grant from year to year, and may be renewed at the option of the Commissioner of Crown Lands. The acceptance of rent shall be conclusive evidence of such renewal.
