1. Application for leases of the natural surface of any lots within the prescribed area to a depth of 20ft. may be made to the Commissioner of Crown Lands. through the Warden, by any male person above the age of 18 years, upon the following terms:—

2. The application shall be in the form prescribed, and shall be lodged with the Warden, and shall set forth the number, area, and position of the lot applied for.

3. The rent payable in respect of each lot shall be £1 per annum, which shall, in the first instance, be lodged with the application, and subsequently paid annually on the first day of March, in accordance with the provisions of Clause 101 of the Land Regulations. When paying the annual rent the holder of each lot shall make a statutory declaration that the conditions of residence hereinafter set forth have been complied with or fulfilled. A fee of £1, in addition to the first year's rent, shall accompany each application.

4. The Warden shall forward the application, together with his recommendation thereon, to the Commissioner of Crown Lands immediately after receipt thereof, and he may thereupon deliver to the applicant an approval notice in the form hereinafter provided, and the production of such notice shall be sufficient evidence of the right of the holder thereof to occupy the lot therein mentioned under these regulations, pending the decision of the Commissioner of Crown Lands thereon. Should the application be approved, a lease in the form prescribed will be issued to the applicant on the surrender by him of the approval notice, but should the application be refused, notice of such refusal will be gazetted, and the rent paid will be refunded to the applicant on application to the Warden.

5. The lot leased shall be used solely as the habitual abode of the holder or members of his family for at least six months in each year, and for no other purpose whatever.

The lot so surrendered shall then be thrown open for re-selection, and may be applied for as provided for by these regulations. Any person to whom such lot is granted shall pay to the Warden the value of any improvements then existing on such lot, which value shall thereupon be paid by the Warden to the original holder. Should the person re-applying object to the value set upon the improvements by the original holder, a valuation shall be made by two arbitrators, one appointed by each party, and in accordance with the provisions of "The Arbitration Act, 1895," the Warden being the umpire in case of disagreement, and the cost of such arbitration shall be borne by the original holder or the person re-applying, as the arbitrators may direct.

7. No person who shall have surrendered or forfeited a lot shall be eligible to select another lot within a mile of the lot originally held by him, until six months shall have elapsed from the date of surrender or forfeiture of such lot.

8. The Governor may at any time exempt from the operations of these regulations any portion or portions of any town or suburban lands so set apart, which may be required for mining or other purposes.

9. Any lot or lots or portions thereof that may have been granted as a residential lot may be resumed by the Commissioner of Crown Lands, on the payment to the holder of such lot or lots the fair value of any improvements existing on such lots at the time of resumption, such value to be ascertained in the like manner as prescribed by Clause 6 hereof. The resumption shall take effect upon notice thereof to the holder, in writing under the hand of the Commissioner of Crown Lands, being served on the holder or published in the *Government Gazette*.

10. All leases granted under these regulations shall expire on the 31st day of December following the date of grant, and may be renewed from year to year, at the option of the Commissioner of Crown Lands. The acceptance of rent shall be conclusive evidence of such renewal.

11. No person shall be entitled to hold more than one lot at a time.

12. Lots held under these regulations shall not be transferable.

13. On proof satisfactory to the Warden that any of the conditions contained in the foregoing Regulations have not been complied with, the Warden may declare the lot liable to forfeiture, and in such case he shall report the matter to the Commissioner of Crown Lands, by whom the lot may be declared forfeited.
