MATERIALS TO BE USED IN REPAIR.

8. If any external wall or enclosure be at any time hereafter taken down or otherwise demolished, for the height of one story or for a space equal to one fourth of the whole surface of such external wall, then every part thereof not built in the manner and of the several materials by these regulations directed for external walls must be taken down; and the same must be rebuilt in such manner and of such materials for, and in all respects as by this By-law directed. For external walls hereinafter to be built according to the class and rate of the building to which such external wall or enclosure shall belong.

MATERIALS FOR MUTUAL, PARTY, OR PARAPET WALLS.

Proper plans of such proposed drainage shall be submitted for the approval of the Surveyor; such plans showing the sizes of pipes, gradients, ventilating pipes, inspection chambers, &c., and the same must in every case be approved of in writing by the Surveyor, before the work or any part of the same is proceeded with.

Drains passing through or under any dwelling, shop, or other tenement, must be constructed in heavy cast iron u.g. pipes or earthenware pipes enclosed in concrete, and all drains must be disconnected from the sewer or other outlet.

BUILDER TO KEEP RESPONSIBLE MAN IN CHARGE.

23. Any builder or any other person erecting any building under those By-laws shall at all times during working hours, during the progress of such work, be himself or keep a responsible man on the scene of such work to take any orders from the Surveyor relative to such building, and the plans and specifications of such building shall at all times be thereon in the custody of such person for production to the Surveyor, and any infringement of this By-law shall subject the person guilty to a penalty not exceeding £5 for every such offence.

MEETINGS AND PROCEEDINGS.

Notice of Meetings.

Notice shall be given by the chairman or secretary of ordinary or special meetings at least seven days before such meeting and also of every meeting adjourned for a term exceeding two days. The chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence or if after being present he shall retire, one of the members of the Board chosen by the ratepayers or members present (as the case may be) shall preside.

Meetings

Meetings of the Board shall be of two kinds, ordinary and special. It shall rest with the chairman and any three members of the Board to exclude the public when in their opinion it is expedient to do so, provided the business before the Board warrants such action being taken.

A special meeting may, on the requisition of three members of the Board, be called at any time and in the manner prescribed by the 9th section of the Act, but the chairman may call a meeting of the Board as often as he may think proper. No business shall be transacted at an ordinary or special meeting unless at least three of the members of the Board, inclusive of the chairman or member of the Board chosen to preside in his absence, shall be present, and no business shall be transacted other than that for which the special meeting was called.

At all meetings of the Board, when there is not a quorum present, or when the Board is counted out, which counting out shall take place whenever there shall be less than a quorum present, such circumstance, together with the names of the members then present, shall be recorded in the minute book.

Order of Business.

The ordinary business at all ordinary meetings shall be as follows, that is to say:—

- (a.) Reading and confirmation of minutes of last ordinary and of special meetings, if any;
- (b.) Consideration of business arising out of minutes;
- (c.) Reading of correspondence (in and out), and taking such immediate action as may be deemed expedient in regard thereto;

- (f.) Consideration of tenders and ratification of contracts;
- (g.) Ordinary business of the Board.

No discussion shall take place upon the minutes except as to their accuracy, or for the rectification of any clerical error.

Immediately after confirmation of the minutes the chairman may make any communication to the Board which he may deem advisable or bring under consideration any business he may think necessary, and it shall be competent for any member of the Board to ask a question or questions, but he shall confine himself to the question simply, and no debate shall ensue thereon at the time.

Voting.

Each member including the chairman shall have one vote, and such chairman shall in case of equality of votes have a casting vote in addition to his ordinary vote, and all questions at such meeting shall be decided by a majority of the votes of the members present.

Minutes of Meeting.

In addition to the minute book prescribed to be kept by the 10th Section of the Act, a rough minute book shall be kept, in which all items of business transacted by the Board at a meeting shall be then and there noted by the secretary, and subsequently entered by him in the manner prescribed by the Act in the minute book.

Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only; and any member presenting a petition or memorial to the Board shall affix his name to the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof, and ascertain that it does not contain language disrespectful to the Board. The nature and prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

Tenders.

Tenders for work shall be opened and dealt with when the subject matters of the tenders come on to be considered at the meeting of the Board, or by a committee appointed for the purpose.

Speaker must not Digress.

A member having audience shall not digress from the subject of debate.

Motions and Amendments.

A motion once moved at a meeting cannot be withdrawn unless by the consent of the Board.

One or more amendments may be proposed on a motion before the Board. When more than one amendment is moved, the question shall be first put on the last amendment, then on the next in succession, and then on the original motion, in the reverse order in which they are moved.

A motion or amendment not seconded cannot be discussed by any member except the mover nor put by the chairman.

In submitting a motion or amendment, the chairman must put the question first in the affirmative and then in the negative.

When an amendment is carried, the motion as amended thereby becomes a substantive motion, upon which a further amendment may be moved before it is finally dealt with.

APPOINTMENT OF COMMITTEES.

The Board may at any meeting appoint three or more members as a committee to inquire into any matter, and make a report and recommendation thereon, but no committee shall incur any financial liability or in any way commit the Board to any responsibility whatever without express and specific authority conferred by the By-laws or by a resolution of the Board.

The quorum of a committee shall comprise two members.

FINANCE ACCOUNTS.

All accounts, bills, and vouchers shall be submitted to the Board by the chairman at the ordinary meetings, and after being certified as correct shall be so initialled by him and paid by cheque.

An account shall be opened with such bank as the Board may direct, and all money received from whatever source (with the exception of money granted by Government) shall be paid into such bank to the credit of the Board, and no account shall be paid except by cheque signed by the chairman and countersigned by another member of the Board or by the secretary.

All moneys shall, within two days after they have come into the hands of the Board or of any officers, servants, or clerks, for the use of the Board, be paid into such bank.

Money granted by Government shall be paid to Board's credit at the Treasury, and shall only be operated upon to pay actual creditors for work executed on the specific object for which the money was granted.

URGENT WORK.

The chairman with one member may, in case of urgency, authorise the expenditure of a sum not exceeding £5, but shall in every case report the same at the next meeting of the Board.

Residential Lots.

12074

Department of Lands and Surveys,
Perth, 8th April, 1898.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following Regulations, under Section 44 of the Homesteads Act, to apply to any Town or Suburban Lands situate within the boundaries of any proclaimed Goldfield which may be declared open for selection as Residential Lots:—

1. Application for leases of the natural surface of any lots within the prescribed area to a depth of 20ft. may be made to the Commissioner of Crown Lands through the Warden, by any male person above the age of 18 years, upon the following terms:—

2. The application shall be in the form prescribed, and shall be lodged with the Warden, and shall set forth the number, area, and position of the lot applied for.

3. The rent payable in respect of each lot shall be £1 per annum, which shall, in the first instance, be lodged with the application, and subsequently paid annually on the first day of March, in accordance with the provisions of Clause 101 of the Land Regulations. When paying the annual rent the holder of each lot shall make a statutory declaration that the conditions of residence herein-after set forth have been complied with or fulfilled. A fee of £1, in addition to the first year's rent, shall accompany each application.

4. The Warden shall forward the application, together with his recommendation thereon, to the Commissioner of Crown Lands immediately after receipt thereof, and he may thereupon deliver to the applicant an approval notice in the form hereinafter provided, and the production of such notice shall be sufficient evidence of the right of the holder thereof to occupy the lot therein mentioned under these regulations, pending the decision of the Commissioner of Crown Lands thereon. Should the application be approved, a lease in the form prescribed will be issued to the applicant on the surrender by him of the approval notice, but should the application be refused, notice of such refusal will be gazetted, and the rent paid will be refunded to the applicant on application to the Warden.

5. The lot leased shall be used solely as the habitual abode of the holder or members of his family for at least six months in each year, and for no other purpose whatever.

6. The holder of any lot may surrender the same at any time, and shall at the time of surrender furnish to the Warden a detached list of the nature and value of improvements existing on such lot. The lot so surrendered shall then be thrown open for re-selection, and may be applied for as provided for by these regulations.
