97Department of Lands and Surveys,
Perth, 8th April, 1898.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following Regulations, under Section 44 of the Homesteads Act, to apply to any Town or Suburban Lands situate within the boundaries of any proclaimed Goldfield which may be declared open for selection as Residential Lots :—

1. Application for leases of the natural surface of any lots within the prescribed area to a depth of 20ft. may be made to the Commissioner of Crown Lands through the Warden, by any male person above the age of 18 years, upon the following terms :—

2. The application shall be in the form prescribed, and shall be lodged with the Warden, and shall set forth the number, area, and position of the lot applied for.

3. The rent payable in respect of each lot shall be £1 per annum, which shall, in the first instance, be lodged with the application, and subsequently paid annually on the first day of March, in accordance with the provisions of Clause 101 of the Land Regulations. When paying the annual rent the holder of each lot shall make a statutory declaration that the conditions of residence herein-after set forth have been complied with or fulfilled. A fee of £1, in addition to the first year's rent, shall accompany each application.

4. The Warden shall forward the application, together with his recommendation thereon, to the Commissioner of Crown Lands immediately after receipt thereof, and he may thereupon deliver to the applicant an approval notice in the form hereinafter provided, and the production of such notice shall be sufficient evidence of the right of the holder thereof to occupy the lot therein mentioned under these regulations, pending the decision of the Commissioner of Crown Lands thereon. Should the application be approved, a lease in the form prescribed will be issued to the applicant on the surrender by him of the approval notice, but should the application be refused, notice of such refusal will be gazetted, and the rent paid will be refunded to the applicant on application to the Warden.

5. The lot leased shall be used solely as the habitual abode of the holder or members of his family for at least six months in each year, and for no other purpose whatever.

6. The holder of any lot may surrender the same at any time, and shall at the time of surrender furnish to the Warden a detached list of the nature and value of improvements existing on such lot. The lot so surrendered shall then be thrown open for re-selection, and may be applied for as provided for by these regulations. Any person to whom such lot is granted shall pay to the Warden the value of any improvements then existing on such lot, which value shall thereupon be paid by the Warden to the original holder. Should the person re-applying object to the value set upon the improvements by the original holder, a valuation shall be made by two arbitrators, one appointed by each party, and in accordance with the provisions of "The Arbitration Act, 1895," the Warden being the umpire in case of disagreement, and the cost of such arbitration shall be borne by the original holder or the person re-applying, as the arbitrators may direct.

7. No person who shall have surrendered or forfeited a lot shall be eligible to select another lot within a mile of the lot originally held by him, until six months shall have elapsed from the date of surrender or forfeiture of such lot.

8. The Governor may at any time exempt from the operations of these regulations any portion or portions of any town or suburban lands so set apart, which may be required for mining or other purposes.

9. Any lot or lots or portions thereof that may have been granted as a residential lot may be resumed by the Commissioner of Crown Lands, on the payment to the holder of such lot or lots the fair value of any improvements existing on such lots at the time of resumption, such value to be ascertained in the like manner as prescribed by Clause 6 hereof. The resumption shall take effect upon notice thereof to the holder, in writing under the hand of the Commissioner of Crown Lands, being served on the holder or published in the *Government Gazette*.

10. All leases granted under these regulations shall expire on the 31st day of December following the date of grant, and may be renewed from year to year, at the option of the Commissioner of Crown Lands. The acceptance of rent shall be conclusive evidence of such renewal.

11. No person shall be entitled to hold more than one lot at a time.

12. Lots held under these regulations shall not be transferable.

13. On proof satisfactory to the Warden that any of the conditions contained in the foregoing Regulations have not been complied with, the Warden may declare the lot liable to forfeiture, and in such case he shall report the matter to the Commissioner of Crown Lands, by whom the lot may be declared forfeited. All lots forfeited shall be thrown open for re-selection. All improvements on any forfeited lot shall be the property of the Crown.

The chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence or after being present he shall retire, one of the members of the Board chosen by the ratepayers or members present (as the case may be) shall preside. (Act, Sec. 11.)

Meetings.

Meetings of the Board shall be of two kinds, ordinary and special. It shall rest with the chairman and any three members of the Board to exclude the public when in their opinion it is expedient to do so, providing the business before the Board warrants such action being taken.

A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the 9th Section of the Act, but a chairman may call a meeting of the Board as often as he may think proper. No business shall be transacted at any ordinary or special meeting unless at three of the members of the Board, inclusive of the chairman or member of the Board chosen to preside in his absence, shall be present, that no business shall be transacted other than for which the special meeting now called. (52 Vict., Sec. 9.)

Any three members may require the Board room to be cleared of strangers, and the Chairman, or other presiding chairman, shall immediately give directions to have the order executed.

At all meetings of the Board, when there is not a quorum present, or when the Board is counted out, which counting out shall take place whenever there shall be less than a quorum present, such circumstance, together with the names of the members then present, shall be recorded in the minute book.

As the first business at all meetings of the Board, the minutes of the preceding meeting shall be read aloud with a view to their confirmation.

Immediately after confirmation of the minutes the chairman may make any communication to the Board which he may deem advisable, or bring under consideration any business he may think necessary, and it shall be competent for any member of the Board to ask a question or questions, but he shall confine himself to the question simply, and no debate shall ensue thereon at any time.

Voting.

Each member, including the chairman, shall have one vote, and such chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meeting shall be decided by a majority of the votes of the members present.

Minutes of Meeting.

In addition to the minute book prescribed to be kept by the 10th Section of the Act, a rough minute book shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the secretary, and subsequently re-entered by him in the manner prescribed by the Act in the minute book.

Minutes of special or ordinary meetings shall be confirmed at the next ordinary subsequent meeting.

Order of Business.

The order of business at all ordinary meetings shall be as follows, that is to say:—

- (f.) Consideration of tenders and ratification of contracts.

Petitions.

Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only; and any member presenting a petition or memorial to the Board shall affix his name to the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof, and ascertain that it does not contain language disrespectful to the Board. The nature and prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

Tenders for work shall be opened and dealt with when the subject matters of the tenders come on to be considered at the meeting of the Board or by a committee appointed for the purpose.

Speaker must not digress.

A member having audience shall not digress from the subject of debate.

Motions and Amendments.

A motion once moved at a meeting cannot be withdrawn unless by the consent of the Board.

One or more amendments may be proposed on a motion before the Board. When more than one amendment is moved, the question shall be first put on the last amendments, then on the next in succession, and then on the original motion, in the reverse order in which they are moved.

A motion or amendment not seconded cannot be discussed by any member except the mover, nor put by the chairman.

In submitting a motion or amendment, the chairman must put the question, first in the affirmative, and then in the negative.

When an amendment is carried, the motion as amended thereby becomes a substantive motion, upon which a further amendment may be moved before it is finally dealt with.

APPOINTMENT OF COMMITTEE.

The Board may at any meeting appoint three or more members as a committee to inquire into any matter, and make a report and recommendation thereon, but no committee shall incur any financial liability, or in any way commit the Board to any responsibility whatever without express and specific authority conferred by the By-laws or by a resolution of the Board.

The quorum of a committee of three shall comprise two members.

FINANCE ACCOUNTS.

All accounts, bills and vouchers shall be submitted to the Board by the chairman at the ordinary meetings, and after being certified as correct shall be paid by cheque.

An account shall be opened with such bank as the Board may direct, and all money received from whatever source (with the exception of money granted by the Government) shall be paid into such bank to the credit of the Board, and no account shall be paid except by cheque signed by the chairman, and one or more members of the Board, together with the signatures of the secretary.

All moneys shall, within two days after they have come into the hands of the Board or of any officers, servants, or clerks, for the use of the Board, be paid into such bank.

Money granted by Government shall be paid to Board's credit at Treasury, and shall only be operated upon to pay actual creditors for work executed on the specific object for which money was granted.

URGENT WORK.

The chairman with one member may, in case of urgency, authorise the expenditure of a sum not exceeding £5, but shall in every case report the same at the next meeting of the Board.

UNAUTHORISED EXPENDITURE.

Every item of expenditure and every liability incurred by any committee or member of the Board, otherwise than under the authority of the Act or these By-laws, shall be deemed unlawful expenditure.
