20553

*Department of Lands and Surveys,
Perth, 12th May, 1898.*

HIS Excellency the Governor in Council, under the powers conferred upon him by "The Sharks Bay Pearl Shell Fishery Act" (55 Vict., No. 9), has been pleased to repeal the Regulations approved on the 7th day of June, 1893, 13th December, 1893, and 19th June, 1896, respectively, and to make the following Regulations for the Control and Management of the Sharks Bay Pearl Shell Fishery in lieu thereof:—

1. The rent for a General License shall be at the rate of £4 per annum per boat, payable in advance at the date of application, and the term shall be for any period not less than three months and not exceeding one year. All licenses shall expire on the 31st December.

2. The rent for an Exclusive License shall be at the rate of not less than Sixpence per acre per annum, and shall be payable in advance on the 1st day of October in each year, and if not paid within fourteen days from date thereof it shall be lawful for the Inspector to cancel such license. Provided that, in respect of Exclusive Licenses over any blocks surveyed and set apart for such licenses, the rent shall be £10 per block irrespective of the area.

3. The term of an Exclusive License shall be computed from the first day of January preceding the date of approval of the application, and shall be for any period not exceeding fourteen years.

4. Licenses applied for during the year will be charged rent proportionate, calculated from the first day of January, April, July, or October last immediately preceding the date of approval of application, as the case may be.

5. Applications for general licenses shall be made to the Inspector, as the authorised agent of the Minister, and the applicant shall give the name of the owner and the name of the boat, provided that the Inspector may, in any case in which any boat is disabled or unable to work, allow another boat to be substituted for the boat so disabled or unable to work.

6. No person shall destroy or preventably permit to perish any immature pearl shell, nor shall collect, remove, or have in his possession such immature pearl shells, excepting under the conditions covered by Clause 13; and no person shall open any pearl shells except at such places as shall have been approved of by the Inspector.

7. The holder of a general license shall only be entitled to have two men at work in each boat; but if more are required, the permission of the Inspector in writing shall be necessary; and, if obtained, an additional fee of 5s. per month for each additional man so employed in such boat shall be paid in advance.

8. All boats licensed shall have a distinguishing number painted on the bow above the water line, and the licensee shall maintain such figures in a clear and legible manner during the currency of the license.

9. The owner or the agent of the owner of any licensed boat, before proceeding to work on any of the waters of Sharks Bay, shall bring the crew of such boat before the Inspector, who shall explain to such crew the regulations under which they are to work.

10. The Inspector may, in his discretion, prohibit the use of a dredge on any portion of Sharks Bay, whether held under exclusive license or not, and this prohibition shall be absolute and continuous on all shallow or so-called "Pick-up banks."

11. It shall be lawful for the Inspector to at any time absolutely prohibit the obtaining of pearls and pearl shells, either by dredging, collecting by hand, or otherwise, from any portion of Sharks Bay, whether held under exclusive license or not, when in his opinion the working is likely to detrimentally exhaust the ground.

12. It shall be lawful for the Inspector, by notice in writing to the holders of general or exclusive licenses, to prohibit the collection and removal of pearl shell from any of the waters of Sharks Bay during the principal spawning season of the year; the exact dates to be named in such notice.

13. No person shall retain any young or immature shell, and shall at once return them to the water, unless they are required for planting areas held under exclusive licenses, in which case they shall be so dealt with as not to be allowed to perish.

14. The Inspector or other Officer may seize and remove any young or immature shell found in the possession of any person.

15. No person shall have or carry on board any boat or use a dredge without the permission of the Inspector, and the Inspector or other Officer may seize and remove any dredge found on board any boat or used contrary to this regulation.

16. The Inspector may authorise persons to collect mature shell on any portion of the waters of Sharks Bay which shall have been closed under the provisions of Section 12 of the said Act, but such shall not be collected except in deep water and by means of diving apparatus.

17. The Minister may set apart any portions of Sharks Bay as reserves for the growth and breeding of the pearl or other oyster; and no person shall dredge or otherwise obtain shell from any such reserve.

The Inspector may seize and remove any shell so obtained, and any other shell that may be found in possession of any person who may be found collecting shell by dredging or otherwise from any Government Reserve, and any person so found shall be liable to a penalty not exceeding £50.

18. No person shall trespass, or sail over, or anchor on any Government reserve, or other locality set apart by the Minister for the growth and breeding of any oyster; and no person, except the Inspector or licensee, shall trespass, sail over, or anchor upon any sections held under exclusive license.

19. Applications for exclusive licenses shall be made to the Inspector, as the authorised agent of the Minister, of areas of from 10 acres upwards, but shall not exceed two square miles. Each application shall be accompanied by an accurate description of the area applied for, and an application fee of £1.

In all applications for exclusive licenses, the length of the licensed area shall not exceed twice its width.

In those parts of Sharks Bay which have been surveyed into blocks each application must comprise one complete block as surveyed. All applications for exclusive licenses shall take priority according to the order of their being lodged with the Inspector. In the event of two or more simultaneous applications for the same area, the priority shall be determined by lot by the Minister.

20. The Inspector shall give notice, by affixing a notice on the notice board of his tent or office for seven days, that an application has been made, and shall hear and report all objections that may be raised to the granting of such exclusive license in open Court. Provided that such notice shall not be necessary in the case of applications for surveyed areas.

21. The Minister shall not be bound to entertain any application, and he may invite tenders for any license or licenses, but shall not be bound to accept the highest or any tender. The Inspector may, in open Court, refuse to recommend the granting of an exclusive license over the area applied for.

22. All holders of exclusive licenses shall cultivate the areas held by them in a *bond fide* manner, to the satisfaction of the Inspector, by planting, and protecting the oysters on the area; and the holders of exclusive licenses shall be subject to the Regulations in the same manner as the holders of general licenses.

23. The holder of an exclusive license neglecting or offending against these Regulations shall, upon conviction, in addition to the penalties provided by these Regulations, render his license liable to forfeiture by the Governor in Council.

24. The Inspector may visit, inspect, and report on all portions of Sharks Bay, whether reserved, held under exclusive license, or otherwise.

25. It shall be lawful for any person who thinks himself aggrieved by any act or decision of the Inspector to appeal against such act or decision to the Minister, whose decision in all cases shall be final.

PENALTIES.

26. Any person offending against the provisions of these Regulations shall be liable, on conviction, to a penalty not exceeding the sum of £50.

97*Department of Lands and Surveys,
Perth, 8th April, 1898.*

HIS Excellency the Governor in Executive Council has been pleased to approve of the following Regulations, under Section 44 of the Homesteads Act, to apply to any Town or Suburban Lands situate within the boundaries of any proclaimed Goldfield which may be declared open for selection as Residential Lots:—

1. Application for leases of the natural surface of any lots within the prescribed area to a depth of 20ft. may be made to the Commissioner of Crown Lands through the Warden, by any male person above the age of 18 years, upon the following terms:—

2. The application shall be in the form prescribed, and shall be lodged with the Warden, and shall set forth the number, area, and position of the lot applied for.

3. The rent payable in respect of each lot shall be £1 per annum, which shall, in the first instance, be lodged with the application, and subsequently paid annually on the first day of March, in accordance with the provisions of Clause 101 of the Land Regulations. When paying the annual rent the holder of each lot shall make a statutory declaration that the conditions of residence herein-after set forth have been complied with or fulfilled. A fee of £1, in addition to the first year's rent, shall accompany each application.

4. The Warden shall forward the application, together with his recommendation thereon, to the Commissioner of Crown Lands immediately after receipt thereof, and he may thereupon deliver to the applicant an approval notice in the form hereinafter provided, and the production of such notice shall be sufficient evidence of the right of the holder thereof to occupy the lot therein mentioned under these regulations, pending the decision of the Commissioner of Crown Lands thereon. Should the application be approved, a lease in the form prescribed will be issued to the applicant on the surrender by him of the approval notice, but should the application be refused, notice of such refusal will be gazetted, and the rent paid will be refunded to the applicant on application to the Warden.

5. The lot leased shall be used solely as the habitual abode of the holder or members of his family for at least six months in each year, and for no other purpose whatever.

6. The holder of any lot may surrender the same at any time, and shall at the time of surrender furnish to the Warden a detached list of the nature and value of improvements existing on such lot. The lot so surrendered shall then be thrown open for re-selection, and may be applied for as provided for by these regulations. Any person to whom such lot is granted shall pay to the Warden the value of any improvements then existing on such lot, which value shall thereupon be paid by the Warden to the original holder. Should the person re-applying object to the value set upon the improvements by the original holder, a valuation shall be made by two arbitrators, one appointed by each party, and in accordance with the provisions of "The Arbitration Act, 1895," the Warden being the umpire in case of disagreement, and the cost of such arbitration shall be borne by the original holder or the person re-applying, as the arbitrators may direct.

7. No person who shall have surrendered or forfeited a lot shall be eligible to select another lot within a mile of the lot originally held by him, until six months shall have elapsed from the date of surrender or forfeiture of such lot.

8. The Governor may at any time exempt from the operations of these regulations any portion or portions of any town or suburban lands so set apart, which may be required for mining or other purposes.

9. Any lot or lots or portions thereof that may have been granted as a residential lot may be resumed by the Commissioner of Crown Lands, on the payment to the holder of such lot or lots the fair value of any improvements existing on such lots at the time of resumption, such value to be ascertained in the like manner as prescribed by Clause 6 hereof. The resumption shall take effect upon notice thereof to the holder, in writing under the hand of the Commissioner of Crown Lands, being served on the holder or published in the *Government Gazette*.

10. All leases granted under these regulations shall expire on the 31st day of December following the date of grant, and may be renewed from year to year, at the option of the Commissioner of Crown Lands. The acceptance of rent shall be conclusive evidence of such renewal.

11. No person shall be entitled to hold more than one lot at a time.

12. Lots held under these regulations shall not be transferable.

13. On proof satisfactory to the Warden that any of the conditions contained in the foregoing Regulations have not been complied with, the Warden may declare the lot liable to forfeiture, and in such case he shall report the matter to the Commissioner of Crown Lands, by whom the lot may be declared forfeited.
