1. The rent for a General License shall be at the rate of £4 per annum per boat, payable in advance at the date of application, and the term shall be for any period not less than three months and not exceeding one year. All licenses shall expire on the 31st December.

2. The rent for an Exclusive License shall be at the rate of not less than Sixpence per acre per annum, and shall be payable in advance on the 1st day of October in each year, and if not paid within fourteen days from date thereof it shall be lawful for the Inspector to cancel such license. Provided that, in respect of Exclusive Licenses over any blocks surveyed and set apart for such licenses, the rent shall be £10 per block irrespective of the area.

5. Applications for general licenses shall be made to the Inspector, as the authorised agent of the Minister, and the applicant shall give the name of the owner and the name of the boat, provided that the Inspector may, in any case in which any boat is disabled or unable to work, allow another boat to be substituted for the boat so disabled or unable to work.

6. No person shall destroy or preventably permit to perish any immature pearl shell, nor shall collect, remove, or have in his possession such immature pearl shells, excepting under the conditions covered by Clause 13; and no person shall open any pearl shells except at such places as shall have been approved of by the Inspector.

11. Each application shall be accompanied by an accurate description of the area applied for, and an application fee of £1.

In all applications for exclusive licenses, the length of the licensed area shall not exceed twice its width.

In those parts of Sharks Bay which have been surveyed into blocks each application must comprise one complete block as surveyed. All applications for exclusive licenses shall take priority according to the order of their being lodged with the Inspector. In the event of two or more simultaneous applications for the same area, the priority shall be determined by lot by the Minister.

20. The Inspector shall give notice, by affixing a notice on the notice board of his tent or office for seven days, that an application has been made, and shall hear and report all objections that may be raised to the granting of such exclusive license in open Court. Provided that such notice shall not be necessary in the case of applications for surveyed areas.

21. The Minister shall not be bound to entertain any application, and he may invite tenders for any license or licenses, but shall not be bound to accept the highest or any tender. The Inspector may, in open Court, refuse to recommend the granting of an exclusive license over the area applied for.

22. All holders of exclusive licenses shall cultivate the areas held by them in a *bonâ fide* manner, to the satisfaction of the Inspector, by planting, and protecting the oysters on the area; and the holders of exclusive licenses shall be subject to the Regulations in the same manner as the holders of general licenses.

23. The holder of an exclusive license neglecting or offending against these Regulations shall, upon conviction, in addition to the penalties provided by these Regulations, render his license liable to forfeiture by the Governor in Council.

24. The Inspector may visit, inspect, and report on all portions of Sharks Bay, whether reserved, held under exclusive license, or otherwise.
