Circular.⁷/₈ A.P.D.*Aborigines Department,
Perth, 1st May, 1898.*

THE care and protection of the Aborigines having now devolved upon the Government, it is to be considered part of the public duty of Resident Magistrates, Resident Medical Officers, and Police Officers to assist in every way in promoting the welfare of the Natives and in providing relief to the aged, infirm, and sick, due regard being given to the practice of strict economy.

In cases of sickness Medical Officers are expected to attend Natives as part of their public duties, in the same way as they attend indigent persons.

In order to carry out these measures it is desirable that monthly lists should be furnished to the Aborigines Department, giving as far as possible information as to the names, sex, ages, and condition of the Natives to whom relief has been given, care being taken that, as a general rule, no able-bodied Natives who can provide for their own maintenance should receive rations.

Accounts should be rendered monthly, certified by a Resident Magistrate, a Government Medical Officer, or a Police Officer.

Each application shall be accompanied by an accurate description of the area applied for, and an application fee of £1.

In all applications for exclusive licenses, the length of the licensed area shall not exceed twice its width.

In those parts of Sharks Bay which have been surveyed into blocks each application must comprise one complete block as surveyed. All applications for exclusive licenses shall take priority according to the order of their being lodged with the Inspector. In the event of two or more simultaneous applications for the same area, the priority shall be determined by lot by the Minister.

20. The Inspector shall give notice, by affixing a notice on the notice board of his tent or office for seven days, that an application has been made, and shall hear and report all objections that may be raised to the granting of such exclusive license in open Court. Provided that such notice shall not be necessary in the case of applications for surveyed areas.

21. The Minister shall not be bound to entertain any application, and he may invite tenders for any license or licenses, but shall not be bound to accept the highest or any tender. The Inspector may, in open Court, refuse to recommend the granting of an exclusive license over the area applied for.

Residential Lots.

12074

Department of Lands and Surveys,
Perth, 8th April, 1898.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following Regulations, under Section 44 of the Homesteads Act, to apply to any Town or Suburban Lands situate within the boundaries of any proclaimed Goldfield which may be declared open for selection as Residential Lots:—

1. Application for leases of the natural surface of any lots within the prescribed area to a depth of 20ft. may be made to the Commissioner of Crown Lands through the Warden, by any male person above the age of 18 years, upon the following terms:—

2. The application shall be in the form prescribed, and shall be lodged with the Warden, and shall set forth the number, area, and position of the lot applied for.

3. The rent payable in respect of each lot shall be £1 per annum, which shall, in the first instance, be lodged with the application, and subsequently paid annually on the first day of March, in accordance with the provisions of Clause 101 of the Land Regulations. When paying the annual rent the holder of each lot shall make a statutory declaration that the conditions of residence herein-after set forth have been complied with or fulfilled. A fee of £1, in addition to the first year's rent, shall accompany each application.

4. The Warden shall forward the application, together with his recommendation thereon, to the Commissioner of Crown Lands immediately after receipt thereof, and he may thereupon deliver to the applicant an approval notice in the form hereinafter provided, and the production of such notice shall be sufficient evidence of the right of the holder thereof to occupy the lot therein mentioned under these regulations, pending the decision of the Commissioner of Crown Lands thereon. Should the application be approved, a lease in the form prescribed will be issued to the applicant on the surrender by him of the approval notice, but should the application be refused, notice of such refusal will be gazetted, and the rent paid will be refunded to the applicant on application to the Warden.

5. The lot leased shall be used solely as the habitual abode of the holder or members of his family for at least six months in each year, and for no other purpose whatever.

6. The holder of any lot may surrender the same at any time, and shall at the time of surrender furnish to the Warden a detached list of the nature and value of improvements existing on such lot. The lot so surrendered shall then be thrown open for re-selection, and may be applied for as provided for by these regulations. Any person to whom such lot is granted shall pay to the Warden the value of any improvements then existing on such lot, which value shall thereupon be paid by the Warden to the original holder. Should the person re-applying object to the value set upon the improvements by the original holder, a valuation shall be made by two arbitrators, one appointed by each party, and in accordance with the provisions of "The Arbitration Act, 1895," the Warden being the umpire in case of disagreement, and the cost of such arbitration shall be borne by the original holder or the person re-applying, as the arbitrators may direct.

7. No person who shall have surrendered or forfeited a lot shall be eligible to select another lot within a mile of the lot originally held by him, until six months shall have elapsed from the date of surrender or forfeiture of such lot.

8. The Governor may at any time exempt from the operations of these regulations any portion or portions of any town or suburban lands so set apart, which may be required for mining or other purposes.

9. Any lot or lots or portions thereof that may have been granted as a residential lot may be resumed by the Commissioner of Crown Lands, on the payment to the holder of such lot or lots the fair value of any improvements existing on such lots at the time of resumption, such value to be ascertained in the like manner as prescribed by Clause 6 hereof. The resumption shall take effect upon notice thereof to the holder, in writing under the hand of the Commissioner of Crown Lands, being served on the holder or published in the *Government Gazette*.

10. All leases granted under these regulations shall expire on the 31st day of December following the date of grant, and may be renewed from year to year, at the option of the Commissioner of Crown Lands. The acceptance of rent shall be conclusive evidence of such renewal.

11. No person shall be entitled to hold more than one lot at a time.

12. Lots held under these regulations shall not be transferable.

13. On proof satisfactory to the Warden that any of the conditions contained in the foregoing Regulations have not been complied with, the Warden may declare the lot liable to forfeiture, and in such case he shall report the matter to the Commissioner of Crown Lands, by whom the lot may be declared forfeited. All lots forfeited shall be thrown open for re-selection. All improvements on any forfeited lot shall be the property of the Crown.

Dated the 30th day of March, 1898.
