*Colonial Secretary's Office,
Perth, 8th July, 1898.*

HIS Excellency the Governor has been pleased to direct that the following Proclamations, establishing a Branch of the Royal Mint at Perth, be published for general information.

GEO. RANDELL,
Colonial Secretary.

[L.S.] BY THE QUEEN.

A PROCLAMATION.

VICTORIA, R.

We do hereby, by and with the advice of our Privy Council, proclaim, direct, and ordain as follows:—

1. A branch of our Mint shall be established at or near Perth in our Colony of Western Australia, on such site as the Governor of the Colony in Council may approve.

2. Gold coins may be coined at the branch Mint so established, and shall be of the same denominations, designs, weights, and fineness, and subject to the allowance of the same remedy, as gold coins coined at Our Mint in England.

3. The Master of Our Mint shall prepare and transmit dies for the gold coins to be coined at the branch Mint at Perth.

4. The gold coins coined in pursuance of this proclamation at the branch Mint at Perth shall be deemed to have been issued from Our Mint, and shall be current and a legal tender in like manner and to the like extent as if they had been coined and issued in England.

5. (i.) If any person brings to the branch Mint at Perth any gold bullion, the Deputy Master of that branch shall assay coin and deliver out the same to such person upon payment for every ounce Troy of gold of standard fineness, of a charge of three halfpence where the amount brought at one time does not exceed five hundred ounces, and of a penny in any other case, provided that—

(a) where the gold bullion so brought is such that it cannot be brought to the standard fineness of the coin to be coined thereout without refining the whole or some portion of it, the Deputy Master shall demand for assaying and refining the same

such additional charge as the Governor in Council may from time to time fix, and until such charge is paid to him may refuse to receive, assay, or coin such bullion; and

(b) where the bullion brought to the branch Mint for coinage is finer than the standard fineness of the coin to be coined thereout, there shall be delivered to the person bringing the same such additional amount of coin as is proportionate to such superior fineness;

(c) no undue preference shall be shown to any person as respects the bullion brought to the branch Mint, and every person shall have priority according to the time at which he brought it;

(d) the Governor of Western Australia in Council may make regulations for carrying into effect the provisions of this Article with respect to gold bullion, and the bringing, coining, and delivery out thereof, and in particular for regulating the time and conditions at and under which it is to be so brought, assayed, coined, and delivered out, and the minimum amount which may be so brought.

(ii.) The charges under this article for coining, assaying, and refining shall be collected by the Deputy Master in accordance with the said regulations either as a payment in advance or as a deduction from the coin delivered out, or otherwise, and shall be accounted for and paid over in such manner as the Governor in Council directs to the Colonial Treasurer of Western Australia to be by him paid into the Consolidated Revenue Fund of the Colony.

6. Subject to the provisions of this proclamation, the branch Mint at Perth, shall, for the purposes of the coinage of gold coins be deemed to be part of Our Mint, and accordingly

(a.) the Deputy Master shall comply with all directions he may receive from the Master of Our Mint, whether as regards the returns to be made, or the delivery of coin for public use, or the transmission of specimen coins to England or otherwise; and

(b) the said specimen coins shall be subject to the trial of the pyx under Section 12 of "The Coinage Act, 1870," so, however, that they shall be examined separately from the coins coined in England; and

(c) the Deputy Master and other officers and persons for the purpose of carrying on the business of the branch Mint may be appointed, promoted, suspended, and removed, and their duties assigned and salaries awarded, under Section 15 of "The Coinage Act, 1870."

7. The Governor of Western Australia in Council shall cause the store of gold bullion and coin at the branch Mint at Perth to be inspected half-yearly, and cause the persons inspecting the same to report thereon to the Deputy Master of the branch Mint, stating the exact amount of bullion and coin inspected by them; and such report shall be transmitted by the Deputy Master to the Master of Our Mint in London.

8. The Master of Our Mint shall in the execution of this proclamation act in accordance with any regulations made or directions given by the Lords Commissioners of Our Treasury.

9. In this proclamation,—

The expression "Mint" means Our Royal Mint in England;

The expression "Governor" includes the officer for the time being administering the Government of the Colony;

The expression "Deputy Master of the branch Mint" includes any person who lawfully exercises at such branch Mint the authority of Deputy Master of Our Mint.

10. This proclamation shall come into force in Our Colony of Western Australia, on the expiration of six months from the date thereof, unless it is sooner promulgated in the Colony, and in that case, on such promulgation.

Given at Our Court at Balmoral the thirteenth day of October, in the year of our Lord One thousand eight hundred and ninety-seven, and in the Sixty-first year of Our Reign.

GOD SAVE THE QUEEN.

By-Law No. 63.—DESIGNATION OF MARKETS.

1. For the purposes of these By-laws the Fremantle Municipal Markets shall consist of all those buildings, sheds, yards, etc., situated at the corner of South Terrace and Henderson Streets, with the rights of way leading to the said buildings, yards, etc., from Henderson and Norfolk Streets, within the Town of Fremantle.

Regulations.

2. The stalls, buildings or erections, yards, etc., together with all other sheds, buildings or erections which may hereafter be built or erected shall be the appointed places where butchers' meat, fish, poultry, eggs, butter, cheese, vegetables and provisions shall be sold or disposed of, and shall be open for the use of growers, producers, and others on Tuesdays, Thursdays, and Saturdays during the year (except when such days shall fall on Christmas Day) and on such other days as the Fremantle Council shall order and determine.

3. That the market, shops, stalls, yards, etc., shall be appropriated for the sale of wares, merchandise, dairy and farm produce, and all other marketable commodities.

4. That any person resisting the Inspector or his assistants in the discharge of his or their duty shall, independently of any other penalty which he or she may incur for assault or otherwise, be guilty of a breach of these By-laws and be punishable accordingly.

5. That the Market shall, except as herein otherwise ordered, be opened at three o'clock in the morning on Tuesdays, Thursdays, and Saturdays, and on Mondays, Wednesdays, and Fridays at sunrise, between the first day of October and the last day of March, both inclusive, in each year, and at four o'clock, a.m., during the rest of the year.

6. That the Market shall, except as herein otherwise ordered, be closed at sunset throughout the year, except on Saturdays and the working day previous to Christmas Day, when it shall remain open until eleven o'clock in the evening.

7. That no person shall sell or expose for sale, or otherwise dispose of, any goods, vegetables, dairy or farm produce, provisions, or other merchantable commodities in the said Market, without first having obtained permission from the Market Inspector to do so, and paid the rent or dues demandable in respect thereof.

8. That any person who shall place any matter or thing in such a place, or in such a way, as to cause any obstruction in the yards, buildings, or enclosures in the said Markets, or occupy any other place than such as shall be appointed therefore by the Market Inspector, and shall neglect or refuse to remove the same on being required so to do by the Inspector, or his assistants, shall be deemed to have committed a breach of these By-laws and be punishable accordingly.

9. That no person shall, except with the consent of the Inspector, place any nail, hook, peg, or anything else whatever, in any part of the wood, stone, brick or ironwork of any shop or stall, or other place, or in any way fit up or enclose any shop or stall or other place; or if any person having done any of the aforementioned things shall neglect or refuse to remove such, when required to do so by the Inspector, shall be deemed to have committed a breach of these By-laws and be punishable accordingly.

10. That any person who shall sweep or cause to be swept any dirt or rubbish into or upon any of the streets, gutters, footways, yards, or other places of the said markets, and allow the same to remain there, shall be deemed to have committed a breach of these By-laws and be punishable accordingly.

11. That the holder of any shop, stall, or stand in the said market who shall fail or neglect to thoroughly cleanse his or her shop, stall, or stand, and the footway, gutter, or yard in front thereof, daily shall be deemed to have committed a breach of these By-laws, and be punishable accordingly.

12. That any person who may be desirous of having his or her name or calling affixed to any shop or stall, or to have the said shop or stall enclosed in any particular way, or to make any alteration thereto, shall apply to the Municipal Council of Fremantle for permission to do so, and the Council may refuse to allow any of the aforesaid things to be done, or may grant permission for them or any of them to be done; and, if permission be granted, then the name, calling, enclosure, or alteration applied for shall be done under the direction of the Market Inspector, and all costs and charges incurred thereby shall be borne and paid by such applicant.

13. That any person who shall have his or her name or calling affixed to any shop or stall, or make any enclosure or alteration of any kind thereto without first having obtained permission for such from the Municipal Council of Fremantle, shall be deemed to have committed a breach of these By-laws, and be punishable accordingly.

19. No person (except the caretaker and his family) shall be allowed to sleep within the said market during the time it is closed without first having obtained the consent of the Fremantle Municipal Council, and any person doing so shall be guilty of a breach of these By-laws.

20. Any person affixing any name, sign, signboard, or in any way write any figures, device, mark, or deface any of the walls or buildings, or post any bill, notice, paper, or any other matter on any of the walls, frames, flooring, doors,

windows, or any other place within the said markets without first having obtained permission for that purpose from the Fremantle Municipal Council shall be guilty of a breach of these By-laws.

21. That any person wishing to use the weighing machine within the said markets must do so under the superintendence of the Inspector, and to pay to the Inspector the dues or tolls for the use of the weighbridge; any infringement of this rule will be deemed a breach of these By-laws.

8. All boats licensed shall have a distinguishing number painted on the bow above the water line, and the licensee shall maintain such figures in a clear and legible manner during the currency of the license.

9. The owner or the agent of the owner of any licensed boat, before proceeding to work on any of the waters of Sharks Bay, shall bring the crew of such boat before the Inspector, who shall explain to such crew the regulations under which they are to work.

10. The Inspector may, in his discretion, prohibit the use of a dredge on any portion of Sharks Bay, whether held under exclusive license or not, and this prohibition shall be absolute and continuous on all shallow or so-called "Pick-up banks."

11. It shall be lawful for the Inspector to at any time absolutely prohibit the obtaining of pearls and pearl shells, either by dredging, collecting by hand, or otherwise, from any portion of Sharks Bay, whether held under exclusive license or not, when in his opinion the working is likely to detrimentally exhaust the ground.

12. It shall be lawful for the Inspector, by notice in writing to the holders of general or exclusive licenses, to prohibit the collection and removal of pearl shell from any of the waters of Sharks Bay during the principal spawning season of the year the exact dates to be named in such notice.

13. No person shall retain any young or immature shell, and shall at once return them to the water, unless they are required for planting areas held under exclusive licenses, in which case they shall be so dealt with as not to be allowed to perish.

14. The Inspector or other Officer may seize and remove any young or immature shell found in the possession of any person.

15. No person shall have or carry on board any boat or use a dredge without the permission of the Inspector, and the Inspector or other Officer may seize and remove any dredge found on board any boat or used contrary to this regulation.

16. The Inspector may authorise persons to collect mature shell on any portion of the waters of Sharks Bay which shall have been closed under the provisions of Section 12 of the said Act, but such shall not be collected except in deep water and by means of diving apparatus.

17. The Minister may set apart any portions of Sharks Bay as reserves for the growth and breeding of the pearl or other oyster; and no person shall dredge or otherwise obtain shell from any such reserve.

The Inspector may seize and remove any shell so obtained, and any other shell that may be found in possession of any person who may be found collecting shell by dredging or otherwise from any Government Reserve, and any person so found shall be liable to a penalty not exceeding £50.

18. No person shall trespass, or sail over, or anchor on any Government reserve, or other locality set apart by the Minister for the growth and breeding of any oyster; and no person, except the Inspector or licensee, shall trespass, sail over, or anchor upon any sections held under exclusive license.

19. Applications for exclusive licenses shall be made to the Inspector, as the authorised agent of the Minister, of areas of from 10 acres upwards, but shall not exceed two square miles. Each application shall be accompanied by an accurate description of the area applied for, and an application fee of £1.

In all applications for exclusive licenses, the length of the licensed area shall not exceed twice its width.

In those parts of Sharks Bay which have been surveyed into blocks each application must comprise one complete block as surveyed. All applications for exclusive licenses shall take priority according to the order of their being lodged with the Inspector. In the event of two or more simultaneous applications for the same area, the priority shall be determined by lot by the Minister.

20. The Inspector shall give notice, by affixing a notice on the notice board of his tent or office for seven days, that an application has been made, and shall hear and report all objections that may be raised to the granting of such exclusive license in open Court. Provided that such notice shall not be necessary in the case of applications for surveyed areas.

21. The Minister shall not be bound to entertain any application, and he may invite tenders for any license or licenses, but shall not be bound to accept the highest or any tender. The Inspector may, in open Court, refuse to recommend the granting of an exclusive license over the area applied for.

22. All holders of exclusive licenses shall cultivate the areas held by them in a *bonâ fide* manner, to the satisfaction of the Inspector, by planting, and protecting the oysters on the area; and the holders of exclusive licenses shall be subject to the Regulations in the same manner as the holders of general licenses.

23. The holder of an exclusive license neglecting or offending against these Regulations shall, upon conviction, in addition to the penalties provided by these Regulations, render his license liable to forfeiture by the Governor in Council.

24. The Inspector may visit, inspect, and report on all portions of Sharks Bay, whether reserved, held under exclusive license, or otherwise.

25. It shall be lawful for any person who thinks himself aggrieved by any act or decision of the Inspector to appeal against such act or decision to the Minister, whose decision in all cases shall be final.

PENALTIES.

26. Any person offending against the provisions of these Regulations shall be liable, on conviction, to a penalty not exceeding the sum of £50.

The mean isobar map for the month is of the usual winter type, showing high pressure in the upper Coolgardie Fields and the Murchison. This probably extends across to the centre of the continent, and is the cause of our normal N. and N.E. winds at this time of year. The isotherms show that the coldest regions of the Colony last month, both by day and night, were inland, between Katanning and the Goldfields, the lowest mean night minimum being 40°·3 at Southern Cross. In Perth the temperature was considerably lower than usual; the day temperature mean maximum (61°·6 in the Gardens) was in fact the lowest ever recorded, and the mean of the month 54°·1 was 1°·9 below the average for the previous 22 years, and lower than any other June since 1887. Severe frosts were experienced on several nights in country districts.

The rainfall throughout the Colony was, on the whole, above normal, except on the Goldfields, where it was the heaviest yet recorded, the records extending back for ten years at Southern Cross and six at Coolgardie; the Goldfields not only participating, perhaps more than usual, in the storms which always sweep along on their Easterly course South of the coast line, but in addition were favoured with a fall of a somewhat unusual character on Saturday and Sunday, the 5th and 6th inst. In this case the rain apparently came down from the N.W. coast and passed Southwards to Esperance and Albany, Western districts receiving none. Unfortunately meteorological stations are very thinly scattered in the desert regions of the Eastern interior, and it is difficult therefore to trace the cause of this downpour, but that it is of tropical origin there can be but little doubt, and still less that it was heartily appreciated.

In coastal districts the usual winter storms brought copious rains with occasional destructive gales and rough seas.

1. All By-laws heretofore made in connection with any matter contained herein are hereby repealed, and this By-law shall have operation in all parts of the City of Perth.

2. He shall not construct such privy within the distance of 15 feet of any well from which any water is supplied for use, or is used or likely to be used by man for drinking or domestic purposes, or for manufacturing drinks for the use of man, or otherwise in such a position as to endanger the pollution of any such water.

4. He shall construct such privy in such a manner and in such a position as to afford ready means of access to such privy for the purpose of cleansing such privy, and of removing filth therefrom, and in such a manner and in such a position as to admit of all filth being removed from such privy, and from the premises to which such privy may belong, without being carried through any dwelling-house or public building or any building in which any person may be, or may be intended to be, employed in any manufacture, trade, or business.

5. He shall provide such privy with a sufficient opening for ventilation, as near the top as practicable, and communicating directly with the external air.

8. He shall construct the seat of such privy, the aperture in such seat, and the space beneath such seat, of such dimensions as to admit of a movable receptacle for filth of dimensions as follows:—Height, 15 inches; diameter, 14 inches; being placed and fitted beneath such seat in such a manner and in such a position as may effectually prevent the deposit upon the floor or sides of the space beneath such seat or elsewhere than in such receptacle, of any filth which may from time to time fall or be cast through the aperture in such seat.

9. He shall construct the seat of such privy so that the whole of such seat, or a sufficient part thereof, may be readily removed or adjusted in such a manner as to afford adequate access to the space beneath such seat for the purpose of cleansing such space, or of removing therefrom or placing and fitting therein the regulation receptacle for filth.

10. Every privy shall be so placed and constructed that the same, when finished, shall be properly covered in and screened from the view of the public and the occupiers of adjoining properties.

11. Any person who contravenes or does not comply with any of the provisions of this By-law shall be deemed guilty of an offence against this By-law, and for every such offence shall be liable to a penalty not exceeding Ten pounds for every breach of such By-law, or a penalty not exceeding Five pounds for each day during which such breach shall be committed or continued; but the Justice before whom any penalty imposed hereby is sought to be recovered, may order the whole or part only (not being less than Five shillings) of such penalty to be paid.
