GEO. RANDELL,
Colonial Secretary.

[L.S.]

BY THE QUEEN.

A PROCLAMATION.

VICTORIA, R.

We do hereby, by and with the advice of our Privy Council, proclaim, direct, and ordain as follows:—

1. A branch of our Mint shall be established at or near Perth in our Colony of Western Australia, on such site as the Governor of the Colony in Council may approve.

2. Gold coins may be coined at the branch Mint so established, and shall be of the same denominations, designs, weights, and fineness, and subject to the allowance of the same remedy, as gold coins coined at Our Mint in England.

3. The Master of Our Mint shall prepare and transmit dies for the gold coins to be coined at the branch Mint at Perth.

4. The gold coins coined in pursuance of this proclamation at the branch Mint at Perth shall be deemed to have been issued from Our Mint, and shall be current and a legal tender in like manner and to the like extent as if they had been coined and issued in England.

5. (i.) If any person brings to the branch Mint at Perth any gold bullion, the Deputy Master of that branch shall assay coin and deliver out the same to such person upon payment for every ounce Troy of gold of standard fineness, of a charge of three halfpence where the amount brought at one time does not exceed five hundred ounces, and of a penny in any other case, provided that—

(a) where the gold bullion so brought is such that it cannot be brought to the standard fineness of the coin to be coined thereout without refining the whole or some portion of it, the Deputy Master shall demand for assaying and refining the same such additional charge as the Governor in Council may from time to time fix, and until such charge is paid to him may refuse to receive, assay, or coin such bullion; and

- (b) where the bullion brought to the branch Mint for coinage is finer than the standard fineness of the coin to be coined thereout, there shall be delivered to the person bringing the same such additional amount of coin as is proportionate to such superior fineness;
- (c) no undue preference shall be shown to any person as respects the bullion brought to the branch Mint, and every person shall have priority according to the time at which he brought it;
- (d) the Governor of Western Australia in Council may make regulations for carrying into effect the provisions of this Article with respect to gold bullion, and the bringing, coining, and delivery out thereof, and in particular for regulating the time and conditions at and under which it is to be so brought, assayed, coined, and delivered out, and the minimum amount which may be so brought.

(ii.) The charges under this article for coining, assaying, and refining shall be collected by the Deputy Master in accordance with the said regulations either as a payment in advance or as a deduction from the coin delivered out, or otherwise, and shall be accounted for and paid over in such manner as the Governor in Council directs to the Colonial Treasurer of Western Australia to be by him paid into the Consolidated Revenue Fund of the Colony.

6. Subject to the provisions of this proclamation, the branch Mint at Perth, shall, for the purposes of the coinage of gold coins be deemed to be part of Our Mint, and accordingly

- (a.) the Deputy Master shall comply with all directions he may receive from the Master of Our Mint, whether as regards the returns to be made, or the delivery of coin for public use, or the transmission of specimen coins to England or otherwise; and
- (b) the said specimen coins shall be subject to the trial of the pyx under Section 12 of "The Coinage Act, 1870," so, however, that they shall be examined separately from the coins coined in England; and
- (c) the Deputy Master and other officers and persons for the purpose of carrying on the business of the branch Mint may be appointed, promoted, suspended, and removed, and their duties assigned and salaries awarded, under Section 15 of "The Coinage Act, 1870."

7. The Governor of Western Australia in Council shall cause the store of gold bullion and coin at the branch Mint at Perth to be inspected half-yearly, and cause the persons inspecting the same to report thereon to the Deputy Master of the branch Mint, stating the exact amount of bullion and coin inspected by them; and such report shall be transmitted by the Deputy Master to the Master of Our Mint in London.

8. The Master of Our Mint shall in the execution of this proclamation act in accordance with any regulations made or directions given by the Lords Commissioners of Our Treasury.

9. In this proclamation,—

The expression "Deputy Master of the branch Mint" includes any person who lawfully exercises at such branch Mint the authority of Deputy Master of Our Mint.

10. This proclamation shall come into force in Our Colony of Western Australia, on the expiration of six months from the date thereof, unless it is sooner promulgated in the Colony, and in that case, on such promulgation.

Given at Our Court at Balmoral the thirteenth day of October, in the year of our Lord One thousand eight hundred and ninety-seven, and in the Sixty-first year of Our Reign.

In those parts of Sharks Bay which have been surveyed into blocks each application must comprise one complete block as surveyed. All applications for exclusive licenses shall take priority according to the order of their being lodged with the Inspector. In the event of two or more simultaneous applications for the same area, the priority shall be determined by lot by the Minister.

20. The Inspector shall give notice, by affixing a notice on the notice board of his tent or office for seven days, that an application has been made, and shall hear and report all objections that may be raised to the granting of such exclusive license in open Court. Provided that such notice shall not be necessary in the case of applications for surveyed areas.

21. The Minister shall not be bound to entertain any application, and he may invite tenders for any license or licenses, but shall not be bound to accept the highest or any tender. The Inspector may, in open Court, refuse to recommend the granting of an exclusive license over the area applied for.

22. 24. The Inspector may visit, inspect, and report on all portions of Sharks Bay, whether reserved, held under exclusive license, or otherwise.

25. It shall be lawful for any person who thinks himself aggrieved by any act or decision of the Inspector to appeal against such act or decision to the Minister, whose decision in all cases shall be final.
