REGISTERED

ROBERT CRAWFORD & CO.
EDINBURGH & LEITH.

Purveyors by Royal Warrant of Appointment
to his Royal Highness the Duke of Edinburgh.

*As a result of a thorough examination and careful analysis of
Robt Crawford & Co. (Edinburgh, 89 Yardheads, Leith) Celebrated Old
Scotch Whisky, I am enabled to certify that it is a Whisky of the
highest class, and free from impurities of an objectionable character.*

Benjamin H. Paul, F.I.C.

Analytical Laboratory, 13 Fenchurch Avenue.

London, E.C. 3rd August 1894.

*I have carefully examined and subjected to exhaustive analysis
the Celebrated Old Scotch Whisky bearing the brand of Robt Crawford & Co. of
Edinburgh, 89 Yardheads, Leith, and I find the same to be of very
remarkable purity and of the highest quality. Having successfully
withstood my severest tests, I can confidently recommend it as being
extremely old & mellow, & absolutely free from deleterious matter. It is a
particularly wholesome spirit, & may be taken in every respect as a type of
what Whisky ought to be.*

P. 919.

Patent Office, Perth,
18th August, 1898.

HIS Excellency the Governor, with the advice of the Executive Council, has been pleased to make the following Regulations, under the 52 Vict., No. 5; 55 Vict., No. 15, and 58 Vict., No. 4, for carrying into effect the provisions of the Patents Acts of Western Australia.

MALCOLM A. C. FRASER,
Registrar of Patents.

Patents Rules.

Rules relating to Applications for Patents for Inventions and Proceedings thereon, the Registration of Patents and Patent Agents, and Appeals to the Law Officer.

SHORT TITLE.

1. These Rules may be cited as "The Patents Rules, 1898."

COMMENCEMENT.

2. These Rules shall come into operation on and from the first day of September, One thousand eight hundred and ninety-eight.

INTERPRETATION.

3. In the construction of these Rules, any words herein used, defined by the said Acts, shall have the meanings thereby assigned to them respectively.

FEES.

4. The fees to be paid under the above-mentioned Acts shall be those specified in the list of fees in the First Schedule to these Rules.

5. Such fees shall be paid in cash at the Patent Office on the delivery there of the instrument, or upon the proceeding in respect whereof the fee is payable, as the case may be.

FORMS.

6. The Forms set forth in the Second Schedule to these Rules, other than A, A¹, A², A³, A⁴, A⁵, A⁶, B, and C, may, as far as they are applicable, be used in any proceedings under these Rules.

7. (1.) An application for a patent containing the declaration mentioned in section 7 and sub-section 2 of section 8 of the Act of 1894, shall be made either in the Form A, or the Form A¹, or the Form A², or the Form A³, or the Form A⁴, or the Form A⁵, or the Form A⁶, set forth in the Second Schedule to these Rules, as the case may be.

(2.) When the declaration is not made by all the applicants, the applicant making the declaration may sign the application on behalf of all the applicants.

(3.) The Forms B and C shall be used for provisional specifications and complete specifications respectively.

HOURS OF BUSINESS.

8. The Patents Office shall be open to the public every week day during ordinary office hours, except on public holidays.

APPLICATION WITH PROVISIONAL OR COMPLETE SPECIFICATIONS.

Agency.

9. An application for a patent must be signed by the applicant, but all other communications between the applicant and the Registrar, and all attendances by the applicant upon the Registrar, may be made by or through an agent duly authorised to the satisfaction of the Registrar, and, if he so require, resident in Western Australia.

Statement of address.

10. The application must be accompanied by a statement of an address to which all notices, requisitions, and communications of every kind may be made by the Registrar or by the Attorney General, and such statement shall thereafter be binding upon the applicant, unless and until a substituted statement of address has been furnished by him to the Registrar. The Registrar may require that the address mentioned in this Rule be in Western Australia.

Order of recording applications.

11. Applications for a patent sent by prepaid letter through the post shall, as far as practicable, be opened and numbered in the order in which the letters containing the same have been respectively delivered in the ordinary course of post.

12. Applications left at the Patents Office otherwise than through the post shall be in like manner numbered in the order of their receipt at the Patents Office.

Application for separate patents by way of amendment.

13. Where a person making application for a patent includes therein, by mistake, inadvertence, or otherwise, more than one invention, he may, after the refusal of the Registrar to accept such application, amend the same so as to apply to one invention only, and may make application for separate patents for each of the other inventions.

Every such application shall, if the applicant notify his desire to that effect to the Registrar, bear the date of the first application, and shall, together therewith, be proceeded with in the manner prescribed by the Acts and by these Rules as if every such application had been originally made on that date.

Application by representative of deceased inventor.

14. An application for a patent by the legal representative of a person who has died possessed of an invention shall be accompanied by an official copy of or extract from his will, or of the letters of administration granted of his estate and effects, in proof of the applicant's title as such legal representative, and must be supported by such further evidence as the Registrar may require.

Notice and advertisement of acceptance.

15. On the acceptance of an application, with a provisional or complete specification, the Registrar shall give notice thereof to the applicant, and shall, advertise such acceptance in the *Gazette*.

Inspection on acceptance of complete specification.

16. Upon the publication of such advertisement of acceptance in the case of an application with a complete specification, the application and specification or specifications with the drawings (if any) may be inspected at the Patents Office upon payment of the prescribed fee.

INTERNATIONAL ARRANGEMENTS.

Foreign applications.

17. The term "foreign application" shall mean an application by any person for protection of his invention in a British possession or in a Foreign State, to which, by any order of the Governor-in-Council for the time being in force, the provisions of Section 3 of "The Patents, Designs, and Trade Marks Acts Amendment Act, 1894," have been declared applicable.

18. An application in Western Australia for a patent for any invention, in respect of which a foreign application has been made, shall contain a declaration that such foreign

application has been made, and shall specify all the Foreign States or British possessions in which foreign applications have been made, and the official date or dates thereof, respectively.

The application must be made within seven months from the date of the first foreign application, and must be signed by the person or persons by whom such first foreign application was made. If such person or any of such persons be dead, the application must be signed by the legal personal representative of such dead person, as well as by the other applicants, if any.

19. The application in Western Australia shall be made in the Form A¹ in the Second Schedule to these Rules, and, in addition to the specification, provisional or complete, left with such application, must be accompanied by—

(1.) A copy or copies of the specification and drawings or documents corresponding thereto, filed or deposited by the applicant in the Patent Office of the Foreign State or British possession in respect of the first foreign application duly certified by the official chief or head of the Patents Office of such Foreign State or British possession as aforesaid, or otherwise verified to the satisfaction of the Registrar;

(2.) A statutory declaration as to the identity of the invention in respect of which the application is made, with the invention in respect of which the said first foreign application was made, and if the specification or document corresponding thereto be in a foreign language, a translation thereof shall be annexed to and verified by such statutory declaration.

20. On receipt of such application, together with the prescribed specification and the other document or documents accompanying the same, required by the last preceding rule, and with such other proof (if any) as the Registrar may require of or relating to such foreign application, or of the official date thereof, the Registrar shall make an entry of the applications in both countries, and of the official dates of such applications respectively.

21. All further proceedings in connection with such application shall be taken within the times and in the manner prescribed by the Acts or Rules for ordinary applications.

22. The patent shall be entered in the Register of Patents as dated of the date on which the first foreign application was made, and the payment of renewal fees and the expiration of the patent shall be reckoned as from the date of the first foreign application.

SIZE AND METHOD OF PREPARING DRAWINGS ACCOMPANYING PROVISIONAL OR COMPLETE SPECIFICATIONS.

Drawings for specifications.

23. If drawings are required, they should accompany the provisional or complete specification to which they refer, except in the case provided for by Rule 26.

Size of drawings and requirements as to paper, &c.

24. The drawings accompanying provisional or complete specifications shall be made upon sheets of imperial drawing paper, eight inches by thirteen inches, or sixteen inches by thirteen inches, including a margin of half-an-inch all round. All the lines must be absolutely black; Indian ink of the best quality should be used, and the same strength or colour of the ink maintained throughout the drawing. Any shading must be in lines clearly and distinctly drawn, and as open as is consistent with the required effect. Section lines should not be too closely drawn. All letters and figures of reference must be bold and distinct, not less than one-eighth of an inch in height; and the same letters should be used in different views of the same parts. In cases of complicated drawings, the reference letters must be shown outside the figure, and connected with the part referred to by a fine line. The border line should be one fine line only. The drawings must not be folded, but must be delivered at the Patent Office either in a perfectly flat state or rolled upon a roller so as to be free from creases or breaks.

Copies of drawings.

25. A facsimile of the original drawings, prepared strictly in accordance with the regulations prescribed in Rule 24, must accompany the originals. No colour must be used for any purpose upon the copy of the drawings.

Provisional drawings and complete specifications.

26. If an applicant desires to adopt the drawings lodged with his provisional specification as the drawings for his complete specification, he should refer to them as those "left with the provisional specification."

EXERCISE OF DISCRETIONARY POWER BY REGISTRAR.

Notice of hearing.

27. Before exercising any discretionary power given to the Registrar by the Act adversely to an applicant for a patent or for amendment of a specification, the Registrar shall give him seven days' notice, at least, of the time when he may be heard personally or by his agent before the Registrar.

Notice by applicant.

28. Within seven days from the date when such notice would be delivered in the ordinary course of post, or such longer time as the Registrar may appoint in such notice, the applicant shall notify to the Registrar whether or not he intends to be heard upon the matter.

Registrar may require statement, etc.

29. Whether the applicant desires to be heard or not, the Registrar may at any time require him to submit a statement in writing, within a time to be notified by the Registrar, or to attend before him and make oral explanations with respect to such matters as the Registrar may require.

Notification of decision.

30. The decision or determination of the Registrar in the exercise of any such discretionary power as aforesaid, together with the reasons therefor, shall be notified by him in writing to the applicant and any other person affected thereby.

OPPOSITION TO GRANTS OF PATENTS.

Notice of opposition.

31. A notice of opposition to the grant of a patent shall be on Form D, and shall state the ground or grounds on which the person giving such notice (hereinafter in Rules 34, 35, 38, and 40 called the opponent), intends to oppose the grant, and must be signed by him. Such notice shall state his address for service in Western Australia, and must be furnished in duplicate.

Copy for applicant.

32. On receipt of such notice, the duplicate copy thereof shall be transmitted by the Registrar to the applicant.

Particulars of prior patent.

33. Where the ground or one of the grounds of opposition is that the invention has been patented in this Colony on an application of prior date, the number and date of such prior application shall be specified in the notice.

Opponent's evidence.

34. Within fourteen days after the expiration of two months from the date of the advertisement of the acceptance of a complete specification, the opponent may leave at the Patents Office statutory declarations in support of his opposition, and on so leaving shall deliver to the applicant a list thereof.

Further proceedings.

35. Within fourteen days from the delivery of such list the applicant may leave at the Patents Office statutory declarations in answer, and on so leaving shall deliver to the opponent a list thereof, and within seven days from such delivery the opponent may leave at the Patents Office his statutory declarations in reply, and on so leaving shall deliver to the applicant a list thereof. Such last-mentioned declarations shall be confined to matters strictly in reply.

Copies of the declarations mentioned in this and the last preceding Rule may be obtained either from the Patents Office or from the opposite party.

Closing of evidence.

36. No further evidence shall be admitted on either side except upon the written consent of the parties duly notified to the Registrar, or by special leave of the Registrar on application made to him for that purpose.

Notice of application to receive further evidence or for extension of time for lodging evidence.

37. Either party making application for admission of further evidence or for extension of time for lodging evidence shall give three days notice thereof to the opposite party, who shall be entitled to oppose the application.

Notice of hearing.

38. On the completion of the evidence, or at such other time as he may see fit, the Registrar shall appoint a time for the hearing of the case, and shall give the parties seven days notice at the least of such appointment. If the applicant or the opponent desires to be heard, he must forthwith send the Registrar an application on Form E, together with the prescribed fee. The Registrar may refuse to hear either party who has not sent such application for hearing. If neither party applies to be heard, the Registrar shall decide the case, and notify his decision to the parties.

Disallowance of opposition in certain cases.

39. On the hearing of the case no opposition shall be allowed in respect of any ground not stated in the notice of opposition, and where the ground or one of the grounds is that the invention has been patented in this Colony on an application of prior date, the opposition shall not be allowed upon such ground unless the number and date of such prior application shall have been duly specified in the notice of opposition.

40. Where the ground of an opposition is that the applicant has obtained the invention from the opponent or from a person of whom such opponent is the legal representative, unless evidence in support of such allegation be left at the Patents Office within the time prescribed by these Rules, the opposition shall be deemed to be abandoned and a Patent shall be sealed forthwith.

Decision to be notified to parties.

41. The decision of the Registrar, after hearing any party who applies under Rule 38, shall be notified by him to the parties.

AMENDMENT OF SPECIFICATION.

Request for leave to amend.

42. A request for leave to amend a specification shall be signed by the applicant or patentee, and shall be accompanied by a duly certified copy of the original specification and drawings, showing in red ink the proposed amendment, and shall be advertised by publication of the request and the nature of the proposed amendment in the *Gazette*, and in such other manner (if any) as the Registrar may in each case direct.

Notice of opposition.

43. A notice of opposition to the amendment shall state the ground or grounds on which the person giving such notice (hereinafter called the opponent) intends to oppose the amendment, and shall be signed by him. Such notice shall state his address for service in Western Australia, and must be furnished in duplicate.

Copy for the applicant.

44. On receipt of such notice the duplicate copy thereof shall be transmitted by the Registrar to the applicant or patentee, as the case may be (hereinafter called the applicant).

Opponent's evidence.

45. Within fourteen days after the expiration of one month from the first advertisement of the application for leave to amend, the opponent shall leave at the Patents Office statutory declarations in support of his opposition, and on so leaving shall deliver to the applicant a list thereof.

Further proceedings.

46. Upon such declarations being left, and such list being delivered, the provisions of Rules 35, 36, 37, 38, and 41 shall apply to the case, and the further proceedings therein shall be regulated in accordance with such provisions as if they were here repeated.

Requirements thereon.

47. Where leave to amend is given, the applicant shall, if the Registrar so requires, and within a time to be limited by him, leave at the Patents Office a new specification and drawings as amended, to be prepared in accordance with Rules 24, 25, and 90.

Leave by order of court.

48. Where a request for leave to amend is made by or in pursuance of an order of the court or a judge, an official or verified copy of the order shall be left with the request at the Patents Office.

Advertisement of amendment.

49. Every amendment of a specification shall be forthwith advertised by the Registrar in the *Gazette*, and in such other manner (if any) as the Registrar may direct.

APPEAL TO THE ATTORNEY GENERAL.

Notice of appeal.

50. When any person intends to appeal to the Attorney General from a decision of the Registrar in any case in which such appeal is given by the Act, he shall, within fourteen days from the date of the decision appealed against, leave at the Patents Office a notice of his intention.

Statement of grounds of appeal.

51. Such notice shall state the nature of the decision appealed against and whether the appeal is from the whole, or part only, and if so, what part of such decision.

Copy to be sent to opponent.

52. A copy of such notice of intention to appeal shall be sent by the party so intending to appeal, when there has been an opposition before the Registrar, to the opponent or opponents.

Notice to Attorney General.

53. Upon notice of appeal being filed, the Registrar shall forthwith transmit to the Attorney General all the papers relating to the matter of the application in respect of which such appeal is made.

Special leave to appeal after time.

54. No appeal shall be entertained of which notice is not given within fourteen days from the date of the decision appealed against, or such further time as the Registrar may allow, except by special leave upon application to the Attorney General.

Notice of hearing.

55. Seven clear days' notice, at least, of the time and place appointed for the hearing of any appeal shall be given by the Attorney General.

To whom given.

56. Such notice shall in all cases be given to the Registrar, and the appellant; and, where there has been an opposition before the Registrar, to the opponent or opponents.

Evidence.

57. The evidence used on appeal to the Attorney General shall be the same as that used at the hearing before the Registrar; and no further evidence shall be given, save as to matters which have occurred or come to the knowledge of either party after the date of the decision appealed against, and except with the leave of the Attorney General upon special application for that purpose.

Cross-examination of witnesses.

58. The Attorney General, shall, at the request of either party, order the attendance at the hearing on appeal, for the purpose of being cross-examined, of any person who has made a declaration in the matter to which the appeal relates, unless in the opinion of the Attorney General there is good ground for not making such order.

Witnesses' expenses.

59. Any person requiring the attendance of a witness for cross-examination shall tender to the witness whose attendance is required a reasonable sum for expenses.

Taxation of costs.

60. Where the Attorney General orders that costs shall be paid by any party to another, he may fix the amount of such costs; and if he shall not think fit to fix the amount thereof, he shall direct by whom and in what manner the amount of such costs shall be ascertained.

Proper amount of payments.

61. If any costs so ordered to be paid be not paid within fourteen days after the amount thereof has been so fixed or ascertained, or such shorter period as shall be directed by the Attorney General, the party to whom such costs are to be paid may apply to the Attorney General for an order for payment under the provisions of Section 45 of the Act ("Patent Act, 1888").

Documents to be filed.

62. All documentary evidence required, or allowed by the Attorney General to be filed, shall be subject to the same regulations, in all respects, as apply to the procedure before the Registrar, and shall be filed at the Patents Office.

CERTIFICATES OF PAYMENT OR RENEWAL.

Payments of fees.

63. If a patentee intends, at the expiration of the fourth or seventh year from the date of his patent, to keep the same in force, he shall, before the expiration of such fourth or seventh year, as the case may be, pay the prescribed fee of Five pounds or Ten pounds, as the case may be.

Certificate of payment.

64. On due compliance with these Rules, and as soon as may be after such respective period as aforesaid, or any enlargement thereof respectively duly granted, the Registrar shall issue a certificate that the prescribed payment has been duly made.

ENLARGEMENT OF TIME.

Enlargement of time for payments of renewal fees.

65. An application for an enlargement of the time for making a prescribed payment shall state in detail the circumstances in which the patentee by accident, mistake, or inadvertence has failed to make such payment, and the Registrar may require the patentee to substantiate by such proof as he may think necessary the allegations contained in the application for enlargement.

Enlargement of time for leaving or accepting a complete specification.

66. An application for enlargement of time for leaving or accepting a complete specification shall state in detail in what circumstances, and upon what grounds, such extension is applied for, and the Registrar may require the applicant to substantiate such allegations by such proof as the Registrar may think necessary.

Registrar may enlarge time.

67. The time prescribed by these Rules for doing any act, or taking any proceeding thereunder, may be enlarged by the Registrar if he think fit, and upon such notice to other parties, and proceedings thereon, and upon such terms, as he may direct.

REGISTER OF PATENTS.

Entry of Grant.

68. Upon the sealing of a patent the Registrar shall cause to be entered in the Register of Patents the name, address, and description of the patentee as the grantee thereof, and the title of the invention.

Subsequent proprietors.

69. Where a person becomes entitled to a patent, or to any share or interest therein, by assignment either throughout the Colony or for any place or places therein, or by transmission or other operation of law, a request on Form M, for the entry of his name in the register as such complete or partial proprietor of the patent, or of such share or interest therein, as the case may be, shall be addressed to the Registrar, and left at the Patents Office.

Signature of Request.

70. Such request shall, in the case of individuals, be made and signed by the person requiring to be registered as proprietor, or by his agent duly authorised to the satisfaction of the Registrar, and, in the case of a body corporate, by their agent authorised in like manner.

Contents of request.

71. Every such request shall state the name, address, and description of the person (hereinafter called the claimant) claiming to be entitled to the patent, or to any share or interest therein, as the case may be, and the particulars of the assignment, transmission, or other operation of law, by virtue of which he requires to be entered in the register as proprietor, so as to show the manner in which, and the person or persons to whom, the patent, or such share or interest therein as aforesaid, has been assigned or transmitted.

Production of documents of title and other proof.

72. Every assignment and every other document containing, giving effect to, or being evidence of, the transmission of a patent or affecting the proprietorship thereof as claimed by such request, except such documents as are matters of record, shall be produced to the Registrar, together with the request above prescribed, and such other proof of title as he may require for his satisfaction.

As to a document which is a matter of record, an official or certified copy thereof shall in like manner be produced to the Registrar.

Copies for Patent Office.

73. There shall also be left with the request an attested copy of the assignment, or other document above required to be produced.

As to a document which is a matter of record, an official or certified copy shall be left with the request in lieu of an attested copy.

Body corporate.

74. A body corporate may be registered as proprietor by its corporate name.

Entry of orders of the Governor in Council or of the court.

75. Where an order has been made by the Governor in Council for the extension of a patent for a further term, or for the grant of a new patent, or where an order has been made by the court for the revocation of a patent, or otherwise affecting the validity or proprietorship of the patent, the person in whose favour such order has been made shall forthwith leave at the Patents Office an office copy of such order. The register shall thereupon be rectified, or the purport of such order shall otherwise be duly entered in the register, as the case may be.

Entry of payment of fees on issue of certificate.

76. Upon the issue of a certificate of payment under Rule 64, the Registrar shall cause to be entered in the Register of Patents a record of the amount and date of payment of the fee on such certificate.

Entry of failure to pay fees.

77. If a patentee fails to make any prescribed payment within the prescribed time, or any enlargement thereof duly granted, such failure shall be duly entered in the register.

Entry of licenses.

78. An attested copy of every license granted under a patent shall be left at the Patent Office by the licensee, with a request on Form N, that a notification thereof may be entered in the register. The licensee shall cause the accuracy of such copy to be certified as the Registrar may direct, and the original license shall at the same time be produced and left at the Patents Office, if required, for further verification.

Hours of inspection of register.

79. The Register of Patents shall be open to the inspection of the public on every week day between the hours of ten and four, except on the days and at the times following:—

- (a) Public holidays;
- (b) Days which may from time to time be notified by a placard posted in a conspicuous place at the Patents Office;
- (c) Times when the register is required for any purpose of official use.

Certified copies of documents.

80. Certified copies of any entry in the register, or certified copies of, or extracts from, patents, specifications, disclaimers, affidavits, statutory declarations, and other public documents in the Patents Office, or of or from registers and other books kept there, may be furnished by the Registrar on payment of the prescribed fee.

COMPULSORY LICENSES.

Petition for compulsory grant of licenses.

81. A petition to the Governor in Council for an order upon a patentee to grant a license shall show clearly the nature of the petitioner's interest, and the ground or grounds upon which he claims to be entitled to relief, and shall state in detail the circumstances of the case, the terms upon which he asks that an order may be made, and the purport of such order.

To be left with evidence at Patents Office.

82. The petition and an examined copy thereof shall be left at the Patents Office, accompanied by the affidavits, or statutory declarations, and other documentary evidence (if any) tendered by the petitioner in proof of the alleged default of the patentee.

Directions as to further proceedings unless petition refused.

83. Upon perusing the petition and evidence, unless the Governor in Council shall be of opinion that the order should be at once refused, the Governor in Council may require the petitioner to attend before the Registrar, or other person or persons appointed by the Governor in Council, to receive his or their directions as to further proceedings upon the petition.

Procedure—Petitioner's evidence.

84. If, and when a *prima facie* case for relief has been made out to the satisfaction of the Governor in Council, the petitioner shall, upon the requisition of the Governor in Council, and on or before a day to be named by the Governor in Council, deliver to the patentees copies of the petition and of the affidavits or statutory declarations and other documentary evidence (if any) tendered in support thereof.

Patentee's evidence.

85. Within fourteen days after the day of such delivery or such further time as may be allowed by the Governor in Council, the patentee shall leave at the Patents Office his affidavits or statutory declarations in opposition to the petition, and deliver copies thereof to the petitioner.

Evidence in reply.

86. The petitioner, within fourteen days from such delivery, shall leave at the Patents Office his affidavits or statutory declarations in reply, and deliver copies thereof to the patentee. Such last-mentioned affidavits or declarations, shall be confined to matters strictly in reply.

Further proceedings.

87. Subject to any further directions which the Governor in Council may give, the parties shall then be heard at such time, before such person or persons, in such manner, and in accordance with such procedure as the Governor in Council may, in the circumstances of the case, direct, but so that full opportunity shall be given to the patentee to show cause against the petition.

GENERAL.

Mode of sending notices, etc.

88. Any application, statement, notice, or other document authorised or required to be left, made, or given at the Patents Office or to the Registrar or to any other person under these rules may be sent by a prepaid letter through the post, and if so sent shall be deemed to have been left, made, or given respectively at the time when the letter containing the same would be delivered in the ordinary course of post.

In proving such service or sending, it shall be sufficient to prove that the letter was properly addressed and put into the post.

Amendment of documents.

89. Any document for the amending of which no special provision is made by the Act may be amended, and any

irregularity in procedure, which in the opinion of the Registrar may be obviated without detriment to the interests of any person, may be corrected, if and on such terms as the Registrar thinks fit.

Size, &c., of documents.

90. Subject to any other directions that may be given by the Registrar, all documents and copies of documents sent to or left at the Patents Office or otherwise furnished to the Registrar or to the Attorney General shall be written or printed in large and legible characters in the English language upon strong wide-ruled paper (on one side only), of a size of thirteen inches by eight inches, leaving a margin of two inches on the left-hand part thereof, and the signature of the applicants or agents thereto must be written in a large and legible hand. Duplicate documents shall at any time be left, if required, by the Registrar.

Refusal to accept by Registrar.

91. In cases where the Registrar refuses to accept an application for a patent, or a complete specification, or to recommend the grant of a patent, he shall notify his refusal to the applicant, and such notification shall be in the Form "V" in the Second Schedule hereto.

Industrial international or intercolonial exhibitions.

92. Any person desirous of exhibiting an invention at an industrial, international, or intercolonial exhibition, or of publishing any description of the invention during the period of the holding of the exhibition, or of using the invention for the purpose of the exhibition in the place where the exhibition is held, shall, after the Minister has issued a certificate that the exhibition is an industrial international or intercolonial one, give two clear days notice to the Registrar in writing of his intention to exhibit, publish, or use the invention, as the case may be.

For the purpose of identifying the invention in the event of an application for a patent being subsequently made, the applicant shall furnish to the Registrar a brief description of his invention, accompanied, if necessary, by drawings, and such other information as the Registrar may in each case require.

Declarations.

93. Any statutory declarations required by the Act, or these Rules, or used in any proceedings thereunder, shall be made and subscribed as follows:—

- (1.) In Western Australia or elsewhere, before any commissioner of the Supreme Court for taking affidavits, or any justice on the commission of the peace for Western Australia;
- (2.) In any place in the British dominions out of Western Australia, before any court, judge, or justice of the peace, or any person authorised to administer oaths there in any court;
- (3.) In any place out of the British dominions before a British Minister, or person exercising the functions of a British Minister, or a British consul, vice-consul, or other person exercising the functions of a British consul, or a notary public, or before a judge or magistrate.

Notice of seal of officer taking declaration to prove itself.

94. Any document purporting to have affixed, impressed, or subscribed thereto or thereon the seal or signature of any person hereby authorised to take such declaration, in testimony of such declaration having been made and subscribed before him, may be admitted by the Registrar without proof of the genuineness of any such seal or signature, or of the official character of such person, or his authority to take such declaration.

Power to dispense with evidence, &c.

95. Where, under these Rules, any person is required to do any act or thing, or to sign any document, or to make any declaration on behalf of himself or any body corporate, or any document or evidence is required to be produced to or left with the Registrar, or at the Patents Office, and it is shown to the satisfaction of the Registrar that from any reasonable cause such person is unable to do such act or thing, or to sign such document or make such declaration, or that such document or evidence cannot be produced or left as aforesaid, it shall be lawful for the Registrar, with the sanction of the Minister, and upon the production of such other evidence, and subject to such terms as the Minister may think fit, to dispense with any such act or thing, document, declaration, or evidence.

REGISTRATION OF PATENT AGENTS.

Register of patent agents.

96. A register shall be kept by the Registrar of Patents, subject to the provisions of these Rules, for the registration of patent agents in pursuance of the Act.

Contents of register.

97. The register shall contain in one list the names of all the patent agents who are registered under "The Patents Act, 1888," and these Rules. Such list shall be made out alphabetically according to the surnames of the registered persons, and shall contain in addition the full name of each registered person, together with his designation, address and the date of registration.

The register shall be in the Form A in the Third Schedule to these Rules, subject to such variations as shall from time to time be required.

Printed copies to be published.

98. The Registrar shall cause a correct copy of such register to be published in the *Government Gazette* in the month of January in each year. A copy of the register so published shall be admissible as evidence of all matters stated therein, and the absence of the name of any person in such copy of the register shall be evidence until the contrary is made to appear that such person is not registered under the said Act.

Registration of agents.

99. Any person who is desirous of being registered under the provisions of the 38th section of "The Patents Act, 1888," shall lodge with the Registrar of Patents, at the Patents Office, a statutory declaration in the Form B in the Third Schedule to these Rules. The Registrar shall, if he think fit, require further or other proof of the ability of such person to transact business under the provisions of the Act. Upon receipt of such statutory declaration, or of such further or other proof to his satisfaction, and upon payment of the fee specified in the First Schedule to these Rules, as the case may be, the Registrar, with the sanction of the Governor, shall cause the name of such person to be entered in the register, and shall thereupon cause to be issued to him a certificate, under the hand of the Registrar and the seal of the Patents Office, in the Form C in the Third Schedule to these Rules, certifying that such person has been registered as a patent agent.

Correction of register of patent agents.

100. The Registrar of Patents shall from time to time insert in the register of patent agents any alteration which may be notified to him in writing, or which may come to his knowledge, in the address of any person so registered, and shall erase from the register the name of any person whom he shall know to be dead or to have permanently left the Colony.

Erasure of names of persons who have ceased to practise.

101. The Registrar of Patents may erase from the register the name of any registered person who has ceased to practise as a patent agent, but not (save as hereinafter provided) without the consent of that person. For the purposes of this Rule, the Registrar of Patents shall send a notice by post or otherwise to such person, to his registered address, requiring him to state whether or not he has ceased to practise or whether he has changed his residence; and if, within three months from the date of sending such notice, the Registrar does not receive a reply thereto from the said person, he may erase the name of that person from the register, and that person shall for the purposes of this Rule be deemed to have ceased to practise as a patent agent.

Erasure of name for non-payment of fee.

102. If any registered person shall not, within one month from the first day of January in each year on which the annual registration fee, specified in the First Schedule to these rules, becomes payable, pay such fee to the Registrar of Patents, the Registrar of Patents shall send to such registered person by post or otherwise, to his registered address, a notice requiring him to pay his annual registration fee on or before a day to be named in such notice; and if such registered person shall not, within one month from the day mentioned in such notice, pay the registration fee so due by him, the Registrar of Patents may erase the name of such person from the register: Provided that the name of a person erased from the register may be restored to the register by direction of the Governor, upon his showing cause to the satisfaction of the Governor for non-payment of such fee, and fulfilling such conditions as the Governor may impose.

Registrar to act on evidence.

103. The Registrar of Patents in each case shall, subject to these Rules, act in the execution of his duty on such evidence as he may deem sufficient, and his decision shall in each case be notified by him to the registered person at his registered address.

Erasure of incorrect entries.

104. The Governor may order the Registrar of Patents to erase from the register any entry therein which

has been proved to his satisfaction to have been incorrectly made, or to have been caused to be inserted therein by fraud.

Erasure of names of persons convicted of crimes, and persons guilty of disgraceful conduct.

105. The Governor may order, by writing under his hand, the Registrar of Patents to erase from the register the name of a person who has been proved to his satisfaction—

- (a.) To have been convicted in this Colony or elsewhere of a felony or misdemeanour;
- (b.) Or to have been guilty of disgraceful professional conduct in his practice as a patent agent.

And where the Governor has ordered the name of any person to be erased from the register, the name of such person shall not be entered again on the register by the Registrar of Patents except by order of the Governor, and subject to the payment of such fees or the fulfilment of such other conditions as the Governor may impose.

Restoration of erased name.

106. The name of any person erased from the register at the request of such person or with his consent (unless in cases where the name of the person if not so erased might have been removed from the register by order of the Governor) may be restored to the register by the Registrar of Patents on application made to him, and on payment of such fee and subject to such terms as the Governor may think fit.

Repeal.

109. All General Rules heretofore made under the provisions of "The Patents Acts, 1888-1894," are hereby rescinded as from the day on which the present Rules shall come into operation; without prejudice, nevertheless, to anything done under such Rules.
