BY-LAW.

A BY-LAW TO REGULATE, BY MEANS OF STANDING ORDERS, THE PROCEEDINGS OF THE COUNCIL OF THE MUNICIPALITY OF CLAREMONT.

WHEREAS by "The Municipal Institutions Act, 1895," Section 99, Sub-section 21, it is enacted that "It shall be lawful for the Council to make, publish, alter, modify, amend, or repeal such By-laws and Regulations as it shall seem meet for regulating its own proceedings:" Be it therefore enacted by the Council of the Municipality of Claremont, that from and after the date of this By-law coming into operation, the proceedings and business of the said Council shall be conducted according to the following Regulations only, which shall be, and be called the Standing Orders of the said Council:—

ORDER OF PROCEEDINGS.

1. The business of the Council shall be conducted on all occasions with open doors, except when in committee.

2. The Council shall commence business so soon after the time stated in the summons as there is a sufficient number of members in attendance to constitute a quorum, which quorum shall consist of not less than four members, exclusive of the Mayor or councillor chosen to preside; but if, at the expiration of twenty minutes from the time specified in the summons, there is not a quorum present, the Council shall stand adjourned.

3. Should the Mayor not be present, the meeting shall elect a chairman from the councillors present, who shall preside during the absence of the Mayor, and in the construction of these Standing Orders the term Mayor shall mean Mayor or councillor who is appointed to preside.

4. At all meetings of the Council when there are not four members present or when the Council is counted out, which counting out shall take place whenever there shall be less than four members present exclusive of the Mayor, such circumstance, together with the names of the members then present, shall be recorded in the minute book, and the meeting shall stand adjourned.

5. At all meetings of the council the minutes of any preceding meeting not previously confirmed shall be read as the first business in order to their confirmation, and no discussion shall be permitted thereupon, except as to their accuracy as a record of the proceedings; and at the conclusion of the business at each meeting the draft minutes shall be read and rectified, if necessary, at the discretion of the Mayor without discussion.

6. Immediately after the confirmation of the minutes, the Mayor may make any communication to the Council he may deem advisable, or bring under consideration any business he may think necessary, and it shall be competent for any member of the Council to ask a question or questions, but he shall confine himself to the question simply, and no debate shall ensue thereon at that time.

LETTERS, PETITIONS, MEMORIALS.

7. Letters, petitions, and memorials shall then be read, and amounts of tenders for works declared.

8. Immediately before the orders of the day are called on, reports of committees and officers shall be laid on the table.

ORDERS OF THE DAY.

9. The orders of the day shall be numbered and disposed of in the order in which they appear on the paper, reports of committees being numbered as the first orders for the day.

10. Any member of the Council may bring forward such business as he may consider advisable in the form of a notice of motion, such notice to be given in writing to the Town Clerk at least six clear days previous to the meeting at which it is intended to consider the same, and the substance of such notice shall be communicated by the Town Clerk to the Members of Council in the summons for such meeting, and all such notices of motion shall be considered orders of the day.

11. No order of the day shall be proceeded with when called on unless the member who gave the notice, or some member authorised by him in writing to proceed thereon be present, but the same shall lapse in the order in which it stands upon the paper.

12. If at any adjournment of the Council any orders of the day on the notice paper have not been called on, such orders of the day shall be set down on the notice paper for the next sitting day at the end of the regular business.

13. Consideration of tenders shall be taken in committee of the Council.

ORDERS OF DEBATE.

14. Any member desirous of proposing a motion or amendment or of discussing any matter under consideration must rise in his place uncovered and address the Mayor, and no member when speaking shall be interrupted, unless called to order, in which case he shall sit down and the member calling to order shall, in the first place, name the Standing Order on the strength of which he rises, and, if found to be correct by the Mayor, shall be heard in preference to any other speaker, and the question of order shall be disposed of before the subject is resumed or any other subject entered upon.

15. Any member proposing a motion or an amendment shall put it in writing and sign and deliver it to the Mayor after it has been duly seconded, and the Mayor shall read the same before being discussed, and no motion or amendment so made shall be withdrawn without leave of the Council.

16. Any member may require the enforcement of any Standing Order of the Council by simply noticing that such Order is disobeyed.

17. The members in speaking shall designate each other by their respective titles of Mayor or Councillor as the case may be; the Mayor shall decide which is entitled to pre-audience.

18. No member shall speak twice upon the same question except by way of explanation or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last carried; nevertheless any member who may have been misrepresented or misunderstood shall be allowed to explain immediately; the amendment or the original motion as the case may be, shall be put to the vote immediately after the mover has replied.

19. The Mayor shall, without waiting for the interposition of the Council, call to order any member proceeding to speak a second time on the same question, unless entitled to reply, or in explanation where he has been misrepresented or misunderstood.

20. Any member moving a motion or amendment shall be held to have spoken on that question; but any member who may have signed the proposition paper either as proposer or seconder to enable the reports of the committee of Council to be put to the vote for adoption or otherwise by the Council shall not be held to have spoken thereon by such act, but may address the Council on matters contained in such reports.

21. Any member moving a suspension of the Standing Orders or any of them shall be entitled simply to state the grounds of such motion, and the nature and objects of the motion which he may seek to make thereon, but no discussion shall take place upon any such motion.

22. No member shall digress from the subject matter of the question under discussion, nor impute improper motives to any other member, and all personal reflections upon any member shall be considered highly disorderly.

23. Any member may require the Town Clerk to take down any particular words used by a member immediately upon the same being used.

24. The Mayor, when called upon to decide a point of order or practice, shall state the rule or precedent applicable to the case, without argument or comment, and his decision shall be final in that particular case.

25. Any member who shall use any expression capable, in the opinion of the Mayor, of being applied offensively to any other member, shall, if required by the Council, withdraw such expression, and make a satisfactory apology to the Council.

26. No member shall converse aloud except to call to order, or make any noise or disturbance whilst any member is speaking or whilst any other matter is being read or opened, and in case of such noise or disturbance being persisted in after the Mayor has called to order, the Mayor shall call upon the members making such disturbance by name, and every such person will incur the displeasure and censure of the Council.

27. When the Mayor is putting a question no member shall walk out of or across the Chamber, nor when a member is speaking shall any member hold discourse to interrupt him, except to order, nor pass between him and the Chair.

28. Any member may, of right, require the production of any of the documents of the Corporation relating to the question or matter under discussion.

29. One amendment only shall be discussed at one time, but, if lost, another may be moved before the original question is put to the vote; but upon an amendment being accepted it shall be competent for any member to move one other amendment thereon, but no more.

30. Upon the adoption of any amendment such amendment shall be held to have quashed the original motion, and for all purposes of subsequent discussion the amendment so carried shall be acted upon as an original motion.

31. The Mayor shall, in taking the vote on any motion or amendment, put the question first in the affirmative, and then in the negative, and he may do so as often as it is necessary to enable him to form and declare his opinion from the show of hands as to which party has the majority.

32. The Council shall vote by a show of hands, but any member of the Council may call for a division upon any question, in which case the members voting in the affirmative shall, until the vote is recorded, stand up, and those in the negative retain their seats. All division lists shall be entered on the minutes.

33. No member shall reflect upon any vote of the Council except for the purpose of moving such vote to be rescinded.

34. No discussion shall be allowed on any motion for adjournment of the Council, but if, on the question being put, the motion be negatived, the subject then under consideration or the next on the notice paper shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained.

35. No motion the effect of which, if carried, would be to rescind any motion which has already passed the Council, shall be entertained during the same municipal year unless a call of the whole Council has been duly made for the purpose, and no motion for rescinding any resolution of the Council which shall have been negatived by the Council shall again be entertained during the same municipal year unless by consent of at least six members of the Council.

36. A debate may be adjourned on a motion, without any previous notice of motion, duly seconded and without discussion, either to a later hour of the same day or to any other day.

37. The member upon whose motion any debate shall be adjourned by the Council shall be entitled to pre-audience on the resumption of the debate.

38. If a debate on any motion moved and seconded be interrupted by the Council being counted out, such debate may be resumed at the point where it was so interrupted on motion without notice.

39. Every member present in the Council when the question is then put will be required to remain and vote.

40. In case of any equality of votes the Mayor shall give a casting vote, and any reasons stated by him shall be entered in the minutes and proceedings.

SUSPENSION OF STANDING ORDERS.

41. In cases of urgent necessity any Standing Order or Orders of the Council may be suspended on motion duly made and seconded without notice, provided that such motion has the concurrence of at least six members of the Council.

42. Every member of the Council who shall commit a breach of any section of this "part" of these By-laws, or who shall move or attempt to move any motion or amendment embodying any matter as to which the Council has no legal jurisdiction, or who shall in any other way raise or attempt to raise any question, or shall address or attempt to address the Council on any subject which the said Council has no legal right to entertain or discuss, or who shall use any other language which, according to the common usage of gentlemen, would be held disorderly, or who shall say or do anything calculated to bring the Council into contempt, shall be deemed to be out of order.

43. The Mayor may, without the interposition of any other member of the Council, call any councillor to order whenever, in the opinion of such Mayor, there shall be a necessity for so doing.

44. Every member of the Council shall have the right of calling the attention of the Mayor to any motion, amendment, statement, argument, or observation moved, raised, or made by any other member which such first-named member may consider out of order.

45. A councillor called to order shall withdraw while the question of order is being discussed and decided on, unless specially permitted to offer an explanation, retraction, or apology; but on obtaining such special permission such councillor may explain, retract, or apologise for the matter

or remark alleged to have been out of order, and if such explanation, retraction, or apology be deemed satisfactory, no further discussion on the question of order shall be permitted.

46. If any Councillor, on being called to order, shall ask such permission to explain, retract, or apologise as aforesaid, the Mayor may, of his own authority, grant or refuse such permission as he may think fit, unless any Councillor shall require the sense of the Council to be taken on this question. In such case it shall be the duty of the Mayor to take the sense of the Council at once, without discussion as to whether such permission shall be granted. And when any such explanation, retraction, or apology shall have been made or offered by permission of the Mayor, the latter shall in a like manner decide, or if required so to do, shall take the sense of the Council as to whether such explanation, retraction, or apology is considered sufficient: If such permission be refused, or if such explanation, retraction, or apology be considered insufficient, the question of order shall be considered and decided before any further business is proceeded with: Provided that if such Mayor shall have decided the question of order before any Councillor shall have required the sense of the Council to be taken in reference thereto, such question of order shall not be re-opened; and provided further that nothing herein contained shall be held to affect the right of such Mayor to decide finally as hereinbefore provided upon any such point of order after the same shall have been discussed.

47. The Mayor when called upon to decide points of order or practice shall state the provision, rule, or practice which he shall deem applicable to the case, without discussing or commenting upon the same.

48. Whenever it shall have been decided as aforesaid that any motion, amendment, or other matter before the Council is out of order, the same shall be rejected; and whenever anything said or done in Council by any Councillor shall be similarly decided to be out of order, such Councillor shall be called upon by the Mayor to make such explanation, retraction, or apology as the case may require.

49. Any Councillor who shall have been called to order, and who, after having been twice directed to withdraw as aforesaid, shall refuse to do so, or who shall persist in any line of conduct or argument or of observations which shall have been decided as aforesaid to be disorderly, or who shall refuse to make such explanation, retraction, or apology as aforesaid when required so to do, or who shall be guilty of any other act of disorder as defined in section 42 of this By-law, shall refuse to make such explanation, retraction, or apology as a majority of the Councillors then present shall consider satisfactory, shall be liable, on con-

viction before two Justices of the Peace, for the first offence to a penalty of not less than Ten shillings nor more than Five pounds, and on second conviction for the like offence he shall be liable to a penalty of not less than One pound nor more than Ten pounds, and on third conviction and for every further conviction for the like offence he shall be liable to a penalty of not less than Two pounds nor more than Twenty pounds.

50. Whenever any Councillor shall have committed an offence under this By-law, the Mayor shall forthwith lay or cause to be laid an information before a Justice of the Peace for the purpose of summoning the offending Councillor, and shall afterwards appear and prosecute the charge.

a. No vessels, boats, or flats shall be fastened to any part of such jetty or jetties, except to such ring-bolts or fastenings as are or may be provided for the purpose; and no vessels, boats, or flats shall lie alongside such jetties, unless so fastened. All vessels, boats, or flats so fastened shall also be anchored or moored in such manner as to relieve such jetties as much as possible from the weight of such craft; and in no case shall more than *one tier* of such vessels, boats, or flats lie alongside or be fastened to any such jetty or jetties, or be moored or fastened to other vessels, boats, or flats lying alongside any such jetty or jetties, except by special permission of the Harbour Master.

e. Any steam vessel plying on the coast of this Colony shall be permitted to lie alongside any jetty for the purpose of discharging and taking in cargo at all hours of the day and night, consistently with the Regulations.

f. All steamers when lying at a jetty shall have and use two up-and-down fenders made of rope, and outside the up-and-down fenders a fore-and-aft rope fender of sufficient length and thickness to keep the guard streak entirely clear of the fender piles.

g. All foreign-going vessels shall be moored alongside the jetties in such positions as may be indicated by the Harbour Master, who may, if necessary, direct the removal of other craft for that purpose.

h. Vessels shall unload in the order in which they arrive, and are placed in a list to be kept by the Harbour Master. Application to be placed in order on such lists according to arrival must be made to the Harbour Master on the day preceding that on which the vessel will unload. If such application be not made, the next vessel on the list shall have precedence, but the vessel forfeiting her turn may be placed next in succession. Vessels will load according to the order of application to the Harbour Master, and shall, when required by him, give place to discharging cargo. Vessels arriving from or bound to foreign ports shall have precedence of coasting and other craft.

i. In the event of any vessel or vessels being moored alongside any of the jetties in such way as to exclude any other vessel or vessels whose owners or masters wish also to moor her or them alongside consistently with the Regulations, the Harbour Master may order the removal of such vessel or vessels to another berth or berths, and such vessel or vessels shall forthwith be removed accordingly.

j. When the Harbour Master may deem it unsafe, through stress of weather, for a vessel to remain alongside a jetty, he shall direct the immediate removal of such vessel, and the Master or other person in charge of such vessel shall remove such vessel accordingly.

24. The Pier Master will supply water to shipping at the charge of 1s. per one hundred gallons, and which said charge shall be collected by him.

25. No person shall fish on such jetties, to the obstruction of the traffic.

26. Stones, bricks, clay, sand, lime, coals, coke, or other fuel shall not be landed or placed on the floors of the jetties. Firewood for the use of passenger steamers and other vessels or boats shall be taken direct from the truck to the vessel. No goods shall be handed over the rails of the jetties.

27. No bullock or horse teams, or any wheeled vehicle other than a railway truck drawn by any quadruped or quadrupeds, shall be driven on or permitted to go on, and no riding on horseback will be permitted on the jetties.

28. No stones or other kind of substance whatever shall be thrown into the water from such jetties, or from vessels moored alongside such jetties.

29. No person shall make fast any tackle, purchase, or other gear, to any part of the crane, or place or use any private derrick, crane, or other lifting machine without special permission obtained from the Pier Master.

30. Not more than one ton shall be lifted with single half-inch chain, or two tons with a single block added. On a single five-eighth chain not more than 33cwt. shall be lifted, or 66cwt. with one single block added. For heavier weights the number of parts of the chain shall be increased in proportion to the weight to be lifted; but not more than five tons shall be lifted by any crane without special arrangements with the Pier Master.

31. No person or persons shall land or place, or cause to be landed or placed upon the jetties, or upon the approach to the jetties, any decayed or decaying vegetables or other thing whatsoever likely to become a nuisance.

Any person or persons violating the above Regulations is liable, on conviction, to forfeit and pay any sum not exceeding £20 (42 Vict., No. 18, Section 3).

This month was unseasonably warm in Perth, the mean maximum temperature at the Botanic Gardens, 69·4, has only been exceeded once since 1881, and the mean minimum, 52·9, is the highest since 1878. The monthly mean is also the highest since that year. The mean barometer was about an average. The day temperature, as usual, shows a decided increase from the coast Eastwards, thus :—Fremantle, 65·6; the Observatory, 67·9; Botanic Gardens, 69·2; York, 70·5; and Southern Cross, 73·7. The weather has commenced to be warm on the Goldfields, the mean maximum rising from 66·1 last month to 73·7 this month at Coolgardie, and at Cue from 69·5 to 78·2. In the tropics also a decided increase has taken place, especially inland at Hall's Creek. The nights were still cold in Eastern districts, the lowest mean minimum being 43·8 at York and Southern Cross, and 45·4 at Katanning. No frosts were recorded during the month, the lowest temperature on the surface of the ground being 29·0 at Katanning.

Only one severe storm occurred during the month. This was of the usual winter type, and confined chiefly to the coastal districts. Otherwise, the usual variations of weather were experienced; but the influence of the coastal storms has apparently ceased to be felt on the Coolgardie Goldfields, where there was practically no rain throughout the month. The rainfall in the South-West portions of the Colony was, on the whole, slightly below the average for previous years, the defect being greatest in coastal districts North of Perth. In the tropics, as usual at this time of year, no rain fell, except between Wyndham and Hall's Creek.
