Analytical Laboratory, 13 Fenchurch Avenue,  
London, E.C. 3rd August 1894.

*I have carefully examined and subjected to exhaustive analysis the celebrated Old Scotch Whisky bearing the brand of Robt Crawford & Co of Edinburgh & 89 Yardsheads Leith and I find the same to be of very remarkable purity and of the highest quality. Having successfully withstood my severest tests, I can confidently recommend it as being extremely good & mellow & absolutely free from deleterious matter. It is particularly wholesome spirit & may be taken in every respect as a type of what Whisky ought to be.* W. Lascelles Scott, F.R.M.S.M.F.C.S.Ec.  
Lecturer on Chemistry London. 6th July 1893.
